Begur ..	Begur ..	Do ..	300	200	200	50	150			

N.B.—It should be clearly noted that the contractor should make his own arrangements for the removal of timber, in the coupes, and that the Forest Department will not undertake any responsibility in the matter of opening roads, etc.

2. Each bidder shall, before he is permitted to bid, be required to furnish a solvency certificate as under the Thangadi Rules and deposit a sum of Rs. 100 (one hundred only) as earnest deposit with the officer conducting the sale; the deposit will be returnable to him immediately after the close of the sale, if his bid is not accepted. The person whose bid is accepted shall immediately after the close of the sale, pay 25 per cent of the bid amount less the deposit already paid, failing which the right will be resold or worked by the department at the risk of the defaulting bidder. He will be liable for the loss, if any, that may result by such resale or departmental working which will be recoverable from him as arrears of land revenue, but he shall not participate in any gain.

3. Defaulters to the department will not be allowed to bid at the sale.

4. The timber will be sold in terms of cubic feet (the bidder will have to bid at so much per cubic foot of timber).

5. Power is reserved to the District Forest Officer or such other officer conducting the sale, as may be deputed by the District Forest Officer, to accept or reject any bid without assigning any reason therefor.

6. Any person bidding at the sale may be required by the officer conducting the sale, to state whether he is bidding on his own behalf or as an agent, and, in the latter case, to produce a written authority signed by the principal.

7. Within a week from the date of intimation regarding the confirmation of the sale, the person whose bid is accepted, shall deposit a sum of Rs. 100 (one hundred) or 25 per cent [illegible] amount, whichever is less, for each coupe as security towards the due fulfilment [illegible] He shall also pay, within that period, the remaining 75 per cent of the contract am[illegible] and shall execute an agreement, on a stamped paper of annas ten, accepti[illegible] specified below, failing which, the amount already paid will be forfeit[illegible] and the produce resold or worked by the department at his risk as note[illegible]

5

The security deposit or the balance thereof as may remain over shall be repayable to the contractor on his producing proof relieving him of any liability under the contract.

8. Interest will be charged on all belated payments at $6\frac{1}{4}$ per cent from the date of their falling due up to the date of payment.

The following are the further conditions to which the contractor should bind himself :—

(*a*) That he shall collect and remove the timber prepared, purchased before the 15th June 1936.

(*b*) That he shall furnish the Range Officers concerned with a list of agents and workmen who will be employed by him in the forest for extraction of timber prepared.

(*c*) That he shall bind himself to pay in advance the value of the minimum quantity of timber to be fixed by the District Forest Officer and shall remove all marketable portions.

(*d*) That he will not be eligible for any refund of advance if the minimum quantity fixed is not removed, but any excess quantity removed shall be paid for at auction rates.

(*e*) That no timber prepared in the coupe shall be removed unless it is measured and stamped at the stump by the Range Forest Officer or such other officer deputed by the District Forest Officer and until it is duly paid for.

(*f*) That each consignment of timber shall be covered by a passport issued by the Range Officer or any other officer deputed by the District Forest Officer in this behalf.

(*g*) That he shall abide by the rules of the Department as regards the kindling of fires and shall hold himself responsible for any forest offences committed by his agents, employers or workmen.

(*h*) That he shall not sublet the contract to anybody except with the written sanction of the District Forest Officer.

(*i*) That no timber operation shall take place in the forest after sunset and before sunrise.

(*j*) That he shall have no right whatsoever over the coupe and over the timber paid for but left unremoved in any of the coupes after 30th June 1936.

(*k*) That he shall maintain a register in the form prescribed by the District Forest Officer showing the quantity of timber of each kind collected and shall keep it open for the examination of Forest Officers above the grade of guards.

(*l*) That for any breach of any of the conditions of the contract by the contractor or his agents, the contract shall be cancelled at the option of the District Forest Officer and that the latter may, after issuing to the contractor, a notice of cancellation of contract, enforce forfeiture of all or any part of the deposit and shall resell the right or work it departmentally at the risk of the contractor as in column (2) *supra*. If the deposit or part thereof is so forfeited, it shall be immediately made good by the contractor.

---

Notification, dated 14th December 1935.

Notice is hereby given that sealed tenders will be received by the District Forest Officer, Shimoga Division, up to 2 P.M., on 13th January 1936, for the repairs to the following forest road in the division during the year 1935-36.

An approximate estimate of the quantities is given below. These quantities are not guaranteed. The work should be completed before the end of March 1936.

The detailed estimates and the conditions may be seen at the District Forest Office, Shimoga, during office hours.

Tenders should be submitted in the form given below separately for each work showing the rates at which different items will be executed.

Each tender should be accompanied by a deposit of Rs. 50 in Government Currency Notes and shall be superscribed "Tender for the repairs to Settihalli road.....in Shankar Range" failing which it will be rejected.

Final acceptance or otherwise of the tender will rest with the Conservator of Forests, Shimoga, who does not bind himself to accept the lowest or any other tender without assigning any reason therefor.

Within eight days of the date of receipt of the acceptance of the tender, the successful tenderer will be required to execute an agreement on a stamped paper of proper value, failing which the tender will be cancelled and the earnest money forfeited.

The deposit of successful tenderers will be retained as security for the due fulfilment of the conditions of the tender, while those of others will be returned

The tender must quote specific rate for each item of work and no approximate quotations will be accepted.

Payment for the works carried out will be made only on presentation of a bill duly passed by the Range Officer concerned and no advances will be granted.

If the work is not completed within the time specified or if the work done is unsatisfactory, separate arrangements will be made departmentally to get through the work in time, holding the contractor responsible for the loss that the department may sustain thereby, besides forfeiting in whole or in part, the amount of security furnished by him at the discretion of the District Forest Officer whose decision is final.

The security deposit will be returned after the period of contract is over.

KADUR FOREST DIVISION.

Notification dated 25th December 1935.

The undermentioned quantities of Timber will be sold by public auction under the following conditions at the following depot by the District Forest Officer, Kadur Division, at 2 P.M. on 16th January 1936.

Name of depot	Teak poles	Mathi	Honne	Hunal	Date and place of sale
	C.ft.				
Chikmagalur ..	410	..	..	..	Chikmagalur, 16th January 1936.

N.B.—More or less.

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale but defaulters to the department will not be allowed to bid at the sales.

In the case of purchasers of timber in small quantities, full value thereof will be accepted if tendered on the spot, and the payment of deposit in such cases will not be insisted upon.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. All sales of which the amount exceeds Rs. 500 in each case are subject to the confirmation of the Conservator, and in other cases to that of the District Forest Officer.

5. After conclusion of the sale, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter on account of loss from resale shall be recovered from him, as a revenue demand, under Section 79 of the Mysore Forest Regulation. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In cases of resales for default of payment of value, where no bidders are forthcoming, it will be open to the District Forest Officer to fix such price as may appear to him to be reasonable and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed from the original sale amount. A registered notice should be issued to the defaulter intimating the price fixed by the District Forest Officer for the unsold wood, and the amount still due from him which will be recovered as arrears of land revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of the successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within 30 days after the date of sale or within 15 days after the date of notice of confirmation of the sale, whichever is later. In case of purchases of above Rs. 1,000 in value, the purchaser shall be permitted to pay up the balance in instalments of not less than Rs. 1,000, provided the full value is paid not later than the 15th June 1936. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed, for default of payment of one-tenth value in clause 5 *supra*.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale excluding the 10 per cent deposit paid for the lot at the time of the sale; and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid. Interest at 9% per annum will be levied on all arrears of amounts permitted to be paid after the due dates.

10. Timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after the dates fixed in clause 7 *supra*. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, on the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser, so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

A. V. KESAVIENGAR,
District Forest Officer.

7. Interest will be charged on all belated payments at $6\frac{1}{4}$ per cent per annum from the date of their falling due up to the date of payment.

Notification, dated 2nd January 1936.

TENDER FOR THE RIGHT OF COLLECTION AND REMOVAL OF MANGO CROP IN THE NEW JARAKABANDE KAVAL (NILGIRI PAPANNA'S GARDEN) FOR 1935-36, 1936-37 AND 1937-38.

Sealed tenders for the right of collection and removal of Mango crop in the New Jarakabande Kaval (Nilgiri Papanna's Garden) for a period of three years, *viz.*, 1935-36, 1936-37 and 1937-38 will be received at the Office of the District Forest Officer, Bangalore District, Sankey's Lodge, Malleswaram, Bangalore City, by the District Forest Officer, Bangalore District, up to 3 P.M. on Monday the 27th January 1936.

2. The tenders should be superscribed " Tender for the right of collection and removal of Mango crop in the New Jarakabande Kaval. "

3. No tender will be received unless accompanied by an earnest deposit of Rs. 50 in currency notes.

4. The exclusive right of collection and removal of the above produce will be disposed of to the highest tenderer subject to the confirmation of the Chief Conservator of Forests or the District Forest Officer, as the case may be, who at his discretion may accept or reject the highest or any other tender without assigning any reason therefor.

5. Within three days from the date of receipt of the notice of the acceptance of the tender, the successful tenderer shall credit into the Government Treasury one-quarter of the total lease amount together with local cess at one anna and education cess at six pies per rupee calculated on the entire lease amount and produce the remitted challan at the District Forest Office. In default, the acceptance of the tender will be cancelled, the earnest money forfeited and the right resold at the risk of the tenderer who will be liable to make good any loss that may result to Government thereby but will have no claim to any surplus accruing therefrom. Such loss shall be recoverable as an arrear of Land Revenue.

6. If the tender is not accepted, all moneys paid will be refunded to the party.

7. Within 15 days from the date of acceptance of the tender, the successful tenderer shall execute an agreement with one or more sureties to the satisfaction of the District Forest Officer on a stamped paper of the value of ten annas procured at his own cost and also furnish a security deposit of Rs. 500 or one-quarter of the lease amount, whichever is less, for the due fulfilment of the conditions of contract in the shape of Government Savings Bank Deposit. In default, either to execute the agreement with the necessary sureties or to furnish the required security or both, the contract will be cancelled, all the moneys already paid forfeited to Government and the right resold at the defaulter's risk. He shall have no claim to any surplus accruing from such resale but shall be liable for the loss arising therefrom which will be recovered as an arrear of Land Revenue under Section 79 of the Mysore Forest Regulation.

N.B.—The solvency and the responsibility of the sureties should be proved to the entire satisfaction of the District Forest Officer and the sureties shall be held responsible for all payments and fulfilment of conditions of contract.

8. The balance of the sale amount shall be paid in three equal instalments at intervals of four months each :—

First Khist on	...	1st March 1936.
Second Khist on	...	1st July 1936.
Third Khist on	...	1st November 1936.

In default to pay the instalments on the due dates, the contract shall be cancelled and the right resold at the risk of the tenderer.

The other conditions to be entered in the agreement will be intimated at the time of execution of the bond.

9. Interest at 6¼ per cent will be recovered on all belated payments as per Government Order No. G. 2799-808—Ft. 70-35-2, dated 9—11th October 1935.

Notification, dated 3rd January 1936.

Sealed tenders will be received by the District Forest Officer, Bhadravati Division, till 4 P.M., on Monday the 17th February 1936, for the supply of the following kinds and quantities of rations to the Departmental Elephants working in the Division, commencing from the date of execution of the agreement to the date of execution of agreement by the subsequent tenderer of the succeeding year.

2. The approximate quantity of rations is as follows :—

Paddy	500 pallas	More or less
Salt	6 ,,	
Castor oil	50 maunds	
Paddy straw during hot weather	12,000 bundles	
Rice	10 pallas	

3. Each tender must be accompanied by a deposit of Rs. 100 in Currency Notes, as earnest money, and be superscribed as "Tender for the supply of Rations to Elephants."

4. The final acceptance of the tender will rest with the Conservator of Forests, Shimoga, who does not bind himself to accept the lowest or any tender or to assign any reason whatsoever for rejection of the same.

5. The name of the successful tenderer will be notified in due course on the notice board of the District Forest Office, Bhadravati Division, and the tenderer should, within a week of the intimation thereof enter into an agreement for the due fulfilment of the contract, duly furnishing a cash security deposit of Rs. 200 in the Government Treasury inclusive of the amount of earnest money already paid. In default to execute the bond and to furnish security deposit, the tender will be cancelled and the earnest money forfeited to Government.

6. The tenderer should supply the rations in time and at the appointed places to the Range Officer and should also be prepared to remove and replace all provisions which may be rejected by the Range Officers. In case he fails to do so, the supply will be made by the department and all extra charges will have to be borne by the contractor himself which will be recovered from the security deposit.

7. Once in a month, the tenderer will be paid through the Sub-Assistant Conservator for the value of the rations that may be supplied during the month on a bill to be prepared and sent to his office for sanction along with the receipts previously obtained by him for the supply of rations to the Range Officers after the bill is countersigned by the District Forest Officer.

8. The earnest money of the rejected tenderers will be returned to them immediately if they happen to be present at the time of opening of tenders and to others by post at their cost.

9. In all cases of disputes concerning the contract, the decision of the Conservator of Forests will be treated as final.

The above quantities are only approximate.

N. B.—The sale will be held from 8 A.M. to 12 NOON and 2 P.M. to 5 P.M. in the case of Tarikere Depot and from 2 P.M. in the case of other Depots.

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale but defaulters to the department will not be allowed to bid at the sales.

In the case of purchasers of timber not exceeding Rs. 200 in value, full value thereof will be accepted if tendered on the spot and the payment of deposit in such cases will not be insisted upon.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. All sales of which the amount exceeds Rs. 1,000 in each case is subject to the confirmation of the Conservator and in other cases to that of the District Forest Officer.

5. After conclusion of the sale, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter on account of loss from resale shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Regulation. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within 30 days after the date of sale or within 15 days after the date of notice of confirmation of the sale, whichever is later. In case of purchasers of above Rs. 1,000 in value, the purchaser shall be permitted to pay up the balance in instalments of not less than Rs. 1,000 provided the full value is paid not later than the 15th May 1936. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified.

Ordinarily no extension of time will be given for the payment of any amount, but if any amount is permitted to be paid after the due date, interest will be charged therein at $6\frac{1}{4}$ per cent per annum.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, excluding the 10 per cent deposit paid for the lot at the time of the sale ; and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after the dates fixed in clause 7 *supra*. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, for the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

Notification, dated 4th January 1936.

2. The last date of receiving tenders is postponed to 11th January 1936.

3. This supersedes the original Notification published in pages 2239 to 2243 of Part VI of the *Mysore Gazette*.

Abstract Notification, dated 25th December 1935.

The attention of the public is invited to the Notification calling for tenders for enclosing the open courtyard in the First Floor of the District Office building and forming two halls at Bangalore, published on pages 13-14 of Part VI of the *Mysore Gazette*, dated 2nd January 1936.

The last date of receiving tenders is 22nd January 1936.

N. KRISHNA IYENGAR,
Executive Engineer.

BANGALORE DIVISION.

Notification dated 26—27th December 1935.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Bangalore Division, up to 2 P.M. on 13th January 1936, for constructing Electric Buildings at Hoskote Town, Hoskote Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of April 1936.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Bangalore between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of rupees three hundred in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for constructing Electric Buildings at Hoskote Town, Hoskote Taluk", in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7 The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Quotations must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than estimated rate will not be accepted.

2. Each bidder should inspect the crop of each garden, two days before the auction and satisfy himself. Any complaints received thereafter will not be entertained.

3. The highest bidder who will be the purchaser should, on the spot, deposit 50 per cent of the amount due by him and pay up the balance within two days. In default thereof the crop will be resold at his risk without his participating in any profit that may accrue.

4. The removal of the crop will not be permitted before full payment is made for it.

5. All sales held by subordinate officials are subject to the confirmation of the Superintendent, Government Gardens in Mysore, who reserves the right of accepting or rejecting any bid without assigning any reason therefor.

6. After the removal of the crop, the purchaser should keep the place clean. Any damage done to Government property should be made good by him.

7. In cases of complaints preferred by the purchaser and all other matters not mentioned here, the decision of the Superintendent, Government Gardens in Mysore, shall be final.

Abstract Notification, dated the 4th January 1936.

The attention of the public is invited to the detailed notification published on page 40, Part VI of the *Mysore Gazette*, dated 9th January 1936, regarding the sale of the right of cutting and removing 25 dead Date Trees in Bommenhalli Plantation to be held by the Range Forest Officer, Mysore, on the 20th January 1936, at 2 P.M., at the said Plantation.

Notification dated 7th January 1936.

The undermentioned quantities of timber will be sold by the District Forest Officer, Mysore District, or any other Officer authorised by the District Forest Officer, at 2 P.M., on the dates noted against the Depot under the following conditions :—

Name of Depot	Date of sale	Teak logs B. Ps.	Teak-sawn sizes	Teak Reepers	Honne	Bite	others kinds	Remarks
1. Mysore wood yard ..	4th February 1936	12,000	500	30,000	3,000	1,000	500	More or less
2. Antharasante ..	5th February 1936	2,000	..	..	500	..	500	
3. Sargur ..	24th February 1936	2,000	..	..	500	..	500	

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale but defaulters to the department will not be allowed to bid at the sales.

In the case of purchasers not exceeding Rs. 200 in value, this initial deposit of Rs. 200 need not be insisted upon, provided that the full purchase money is paid in cash on the spot.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. Subject to the minima prices fixed in each case by the Chief Conservator of Forests (which will not be divulged), the highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers; should any lot be disputed, it shall again be put up and sold.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. All sales of which the amount exceeds Rs. 1,000 in each case are subject to the confirmation of the Chief Conservator, and in other cases to that of the District Forest Officer, subject to the following conditions:—

(1) That the rate realised in a sale does not fall short of the average of the three previous sales by more than 5 per cent or is more than that realised at the previous sales.

(2) That the power of confirming sales up to the limit of Rs. 1,000 shall be exercised only in the case of timber.

(3) That the confirmation of sales is ordered by the District Forest Officers only after the payment of the full purchase money.

5. After conclusion of the sale, each purchaser will be furnished with a memo showing the total value and the purchase made by him. Thereupon, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter on account of loss from resale shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Regulation. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In cases of resales for default of payment of value where no bidders are forthcoming, it will be open to the District Forest Officer to fix such price as may appear to him to be reasonable and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed from the original sale amount. A registered notice should be issued to the defaulter intimating the price fixed by the District Forest Officer for the unsold wood and the amount still due from him which will be recovered as arrears of land revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of the successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within 30 days after the date of sale or within 15 days after the date of the notice of confirmation of the sale, whichever is later. In case of purchasers of above Rs. 1,000 in value, the purchaser shall be permitted to pay up the balance in instalments of not less than Rs. 1,000 provided the full value is paid not later than the 15th May 1936. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*. Interest at $6\frac{1}{4}$ per cent per annum will be levied on all arrears of amounts which are permitted to be paid after the due date.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, excluding the 10 per cent deposit paid for the lot at the time of the sale and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after the dates fixed in clause 7 *supra*. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, on the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

Notification dated the 11th January 1936.

2. The tenders should be superscribed " Tender for sawing timber in Heggaddevankote Sub-Division and carting cut sizes to Mysore ". Each tender should be accompanied by an earnest money deposit of Rs. 100 (Rupees one hundred in currency notes). Separate tenders must be submitted for sawing at each place. The tenders will be opened by the District Forest Officer in the District Forest Office at 3 P.M., on 29th January 1936. Tenders not accompanied by the earnest money deposit of Rs. 100 will not receive any consideration.

3. The tenders are subject to approval by the Chief Conservator of Forests in Mysore, who at his discretion may accept or reject the lowest or any other tender without assigning any reason therefor. The rate to be quoted will include the cost of sawing the sizes and carting the same to Mysore Wood Yard and should be at so much per cubic foot on scantlings to be passed by the District Forest Officer. The scantlings should be sound and free from defects. Parodays from which the required sizes cannot be obtained should be sawn into planks or 2″ × 1″, 4″ × 2″, 3″ × 4″ and 4″ × 2½″ sizes as the Forest Sub-Division Officer may at his discretion instruct. For sawing these planks and sizes, the successful tenderer will be entitled to payment at Re. 0-6-0 (annas six) per C. ft., on materials to be passed and measured by the local Range Officer. No payment will be made on Parodays or on Sawn Materials rejected by the Department which will be the property of Government free from all claims by the successful tenderer.

4. Within three days from the date of receipt of the notice of the acceptance of the tender, the successful tenderer or tenderers who will hereafter be known as the Contractor shall deposit in the Mysore District Treasury Savings Bank the earnest money deposit already paid pledge the same to the District Forest Officer as security for the due fulfilment of the conditions of the contract and execute a Muchalika on a Stamp Paper of proper value binding himself to do the work subject to the following conditions. The deposits of rejected tenderers will be returned promptly after receipt of Chief Conservator's orders on the several tenders.

(*a*) The Saw-pits will be made by the Contractor at his own cost. He should engage an adequate number of Sawyers at each place so as to get the required sizes sawn within the allotted time and start sawing within 12 days of the date of receipt of notice of the acceptance of the tender,

(*b*) Regarding the sizes to be sawn, the Contractor will be guided by the instructions of the Forest Sub-Division Officer.

(*c*) No advances will be paid for the work ; and payment will be made by cheque on the required sizes to be passed at Mysore or on other sizes to be passed by the Range Officers at the respective localities.

(*d*) If the Contractor fails to start the sawing within the time fixed above or fails to show adequate progress or fails to saw and cart the required sizes to Mysore within the allotted time, the Forest Sub-Division Officer will be at liberty to recommend the cancellation of the contract and make other arrangements for the work. In such cases or in the case of failure on the part of the Contractor to saw and supply the required sizes within the allotted time, the Security Deposit of the Contractor will be liable to forfeiture in whole or in part at the discretion of the District Forest Officer.

(*e*) All sawn sizes to be carted to Mysore Wood Yard will be transported to that place under Passports issued by the respective Range Officers or Foresters authorised by them.

Notification, dated 11th January 1936.

It is hereby notified for general information that a quantity of 86 tons, T. 1 Cwt. and 84 lbs. of hay collected departmentally and stacked in Veeranahosahalli Forest Lodge compound and Forest close by will be sold by public auction by the District Forest Officer, Mysore District, or any other Officer to be deputed by him on Tuesday, 28th January 1936, at 2 P.M., at the said Forest Lodge, subject to the confirmation of the sale by the District Forest Officer, Mysore District, or the Chief Conservator of Forests in Mysore, as the case may be.

The intending bidder should deposit a sum of Rs. 5 with the Sale Conducting Officer before he can be allowed to bid. The highest bidder should pay the full sale amount (inclusive of the earnest deposit) to the Sale Conducting Officer immediately after the bid is knocked down in his favour, failing which the earnest money deposit paid by him will be forfeited to Government and the hay resold forthwith at the risk of the original purchaser from whom the loss if any that will result from the resale will be recovered as an arrear of Land Revenue. He will not be entitled to any profit resulting from the resale. The hay will be sold in lots at the discretion of the Sale Conducting Officer.

The deposits of other bidders will be returned immediately after the conclusion of the sale.

On receipt of intimation about the confirmation of the sale, the purchaser should remove the hay after obtaining a permit from the Range Officer. After the intimation of the confirmation of the sale to the highest bidder, the hay will lie in the Forest Lodge compound or in the Forest at the risk of the purchaser ; and the Department will not be responsible for any loss by fire, theft or other cause.

Resale Notification dated 13th January 1936.

It is hereby notified for general information that the exclusive right of collecting the Minor Forest Produce on all Government unoccupied lands, Amrit Mahal Kavals, State Forests, Reserved Lands and Plantations of the undermentioned Taluks from the date of confirmation of the sale to 30th June 1936 will be resold at 2 P.M., on 29th January 1936, by the Deputy Commissioner, Mysore District, or any Assistant Commissioner to be deputed by him, in the Deputy Commissioner's Court Hall, Mysore, at the risk of the original purchasers, subject to the conditions specified in the detailed notification No. D1. 201-13-02 of 1933-34, dated 3rd May 1934, since the original purchasers have failed to pay the third *khist* due on 31st December 1935.

SALE OF TIMBER.

It is notified for general information that the undermentioned kinds and quantities of timber will be sold by public auction under the following conditions at the following Depots on the dates noted against each:—

Name of Depot	Kind	Quantity notified	Date of sale	Remarks
Sagar Depot ..	Teak ..	100 c.ft.	3-2-1936	The sales will be conducted by the District Forest Officer, Sagar Division, or any other officer deputed by him. The sale will commence at 3 P. M. on each date and if the sale is not closed on the sale date, the same will be continued the next day.
	Beete ..	125 ,,		
	Honne ..	800 ,,		
	Nandi ..	1,700 ,,		
	Hebbalasu ..	800 ,,		
	Other kinds..	475 ,,		
	Total c.ft. ..	4,000 ,,	..	

N.B.—Quantities noted are only approximate.

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale. But defaulters to the department will not be allowed to bid at the sales.

In the case of purchasers of timber not exceeding Rs. 200 in value, this deposit will not be insisted upon, provided that the full purchase money is paid in cash on the spot.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. The sale is subject to the confirmation of the Conservator of Forests, if the amount exceeds Rs. 1,000.

5. After conclusion of the sale, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt, vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter, on account of loss from resale, shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Regulation. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In cases of re-sales for default of payment of value where no bidders are forthcoming, it will be open to the District Forest Officer to fix such price as may appear to him to be reasonable, and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed from the original sale amount. A registered notice should be issued to the defaulter, intimating the price fixed by the District Forest Officer for the unsold wood, and the amount still due from him which will be recovered as arrears of land revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within thirty days after the date of sale or within fifteen days after the date of the notice of confirmation of the sale, whichever is later. In case of purchases of above Rs. 1,000 in value, the purchaser shall be permitted to pay up the balance in instalments of not less than Rs. 1,000, provided the full value is paid not later than the 15th May 1936. The moneys shall be paid into such treasury as the District Forest Officer may direct within the time specified.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser, in the manner prescribed, for default of payment of one-tenth value in clause 5 *supra*.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, including the 10 per cent deposit paid for the lot at the time of the sale, and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed, as early as possible, and in no case should it be allowed to remain longer than 90 days after 15th May 1936. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, for the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

13. Interest will be charged on all belated payments at $6\frac{1}{4}$ per cent per annum from the date of their falling due up to the date of payment.

ENGINE AND CENTRIFUGAL PUMP REQUIRED FOR NEW DAVANGERE WATER WORKS.

GENTLEMEN,

Please intimate your best prices and the earliest time of delivery for the Engine and Centrifugal Pump described in the enclosed specification.

The prices to be quoted should be for delivery, f.o.r., Harihar.

This enquiry will close on the 13th February 1936.

NEW DAVANGERE WATER WORKS.

SPECIFICATIONS FOR A NEW DIESEL OIL ENGINE AND A CENTRIFUGAL PUMP.

General.—The engine is to work a high lift centrifugal pump with a capacity of 25,000 gallons per hour against 500 ft. head and in addition a low lift pump with a capacity of about 30,000 gallons per hour against 60 ft. head. The high lift pump is to be driven by belt by the engine and the low lift pump which is to be located in a pit about 20 ft. below the floor level of the engine room is to be driven by the same engine through a countershaft. Hence the engine shuold have an extension of crank shaft on both sides, so that driving pulleys could be fixed on both sides, one to drive the high lift pump and another to drive the low lift pump through a countershaft. If this extension of shaft on both sides is not possible, any other equally good method of drive may be provided for.

The engine has to work at a place whose altitude is about 2,500 ft. above sea level. The minimum B.H.P. developed by the engine should be about 150 B.H.P. so that there may be sufficient reserve power in it left, after working the two pumps to be utilized for working the agitators of the filters.

I. ENGINE.

H.P.—The engine should develop a minimum of 150 H.P. and a maximum of 160 to 165 H.P. or thereabouts.

Speed.—It should be a slow speed one and on no account should the speed be more than 500 r.p.m. but it should be less.

Type.—The engine should be of high class, four cycle, heavy duty type, specially designed for continuous performance. The engine should preferably be vertical type with minimum number of cylinders and should be totally enclosed. It must be thoroughly reliable in working and should admit of easy access to all the moving parts. The cover plates, etc., should be capable of being easily removed without disturbing the other parts or the drive of the engine.

Fuel.—The engine should work on diesel or residual or any suitable non-asphaltic fuel oil and should at the same time be highly economical in fuel oil consumption. The efficiency should be as high as possible.

Valve gear and valves.—The operating mechanism of the valves should be simple in Construction and silent in movement. This mechanism should be perfect in its lubrication and should be free from frequent adjustments. The valves should be made from a special, high grade heat resisting steel, which permits of long life, freedom from pitting and longer length of time between grinding in periods.

Bearings.—The engine should be provided with suitable bearings to the crank shaft and crank pin and should consist of suitable alloy machined all over and lined with ample thickness of white metal or any other suitable metal and should be adjustable ensuring of cool working and long life to these parts.

Fly-wheel.—The fly-wheel should be of cast iron, disc type and perfectly and well balanced. It should be machined all over for accurate balance.

Crank-shaft.—The crank-shaft should be of high quality forged steel and of massive proportions. It should be exceptionally strong to stand the various stresses developed when under load. The crank shaft should have an extension on either side of the engine with necessary keyways to admit of driving pulleys being fixed on both sides of the engine for the necessary drives. Any other suitable method of drive may be provided for if this is not possible.

Cylinders.—The cylinders should be equipped with suitable liners accurately machined and finished by special process.

Engine frame.—The engine frame should be very strong and should admit the cylinder or cylinders being supported throughout their entire length thereby avoiding torsional strains.

Base plate.—The base plate should be of massive proportions, well ribbed inside so as to give rigidity and maintain the crank-shaft in perfectly true alignment. It should be strong to stand against any torsional and bending stresses. An oil channel is to be provided round the outside of the frame to collect any oil which might accumulate.

Governor.—Suitable and up-to-date Governor should be fitted up to the engine. It should be simple and highly sensitive with automatic adjustment. It should be free from frequent adjustment.

Fuel pump.—The engine should have a suitable fuel pump with perfect and most durable working parts. It should be free from frequent trouble and adjustment. The drive of the pump should be such that it ensures precise and permanent timings of the fuel injection.

Sprayer.—The sprayer should be simple in construction and easily detachable for cleaning. The construction should be such that it enables economical fuel consumption under all loads.

An oil cooler and filter may also be provided for in the engine if found necessary.

Starting.—The engine should be capable of being instantly started by means of compressed air. The starting operation should be simple, fool-proof and economical in the use of compressed air.

A suitable air compressor worked by the same engine, with provision to cut it out whenever necessary, and an air receiver of suitable size with all the necessary accessories should also be included.

Silencer.—Suitable silencers for the exhaust and air have also to be provided for.

Spares.—All the other accessories, such as oil tank with all its fittings and other spares, tools, foundation bolts, working drawings including that of the foundations that are usually supplied with the engine should be included.

A list of spares to be kept in extra for emergency may be given and quoted for separately.

II. PUMP.

Pump.—The centrifugal pump required should perform a duty of 25,000 gallons per hour against a total head of 500 ft. from all causes. It has to pump filtered and chlorinated water, the source being the river Tungabhadra.

Type.—The pump should consist of minimum number of stages and should preferably be of horizontally split casing type.

Casing.—The casing should be of hard close grained cast iron fitted with renewable bronze neck ring ensuring of long wear and avoiding the possibility of seizure at this point.

Impellers.—The impellers should be of true phospher bronze and should be of double entry type so as to entirely neutralise the hydraulic and thrust thereby making the pump self balanced. They should be carefully balanced to ensure smooth running.

An end thrust ball bearing may also have to be provided for as a precautionary measure to guard against any end thrust that may be produced due to surges and wear of impeller eyes and necks.

Wearing parts or brushes.—All wearing parts such as the impellers, guide vanes, neck rings, neck brushes and shaft sleeves should be renewable and should be of special mixtures of bronze best suited to each individual part.

Shaft.—The shaft should be of special steel (preferably stainless steel) of ample size, turned and ground to size. It should be provided with renewable phospher bronze sleeves at the wearing parts.

Gland.—The glands may be of bronze or gun metal and preferably split. Water seal arrangement should also be provided which incidentally may keep the glands cool.

Bearings.—The bearings may be either ball or roller bearing type or split ring-oiling type with C.I. split brushes lined with best quality white metal. The bearings in the latter case should have large surface so as to ensure cool running. Oil catching rings should also be provided for to prevent spurting of oil on the floor.

Bed plate.—The bed plate should be of a rigid substantial casting with machined surfaces for the feet of the pump and pulley pedestals.

Drive.—The pump, being a belt driven type, should be provided with fast and loose pulleys and belt striking gear mounted on suitable pedestals with ball or roller bearings or any other type of bearings suited for the purpose.

The pump should as usual be provided with foundation bolts, priming twindish and cock.

Speed.—The speed of the pump should not exceed 1,500 r.p.m. but may be less and its efficiency should be as high as possible.

Accessories.—The following accessories should be included in the quotation :—

1. Foot valve of the latest type,
2. Reflux valve,
3. Delivery valve with hand wheel,
4. Six-inch pressure gauge with feet head with a stop cock.

List of spares that are necessary to be kept in stock may be quoted for separately.

Necessary tools and working drawings and spare part lists, etc., should be supplied with the pump.

Both the engine and pump should be considered as one unit for the quotation and necessary pulley for the engine to drive the high lift pump may also be inculded in the quotation. The other pulley for driving the countershaft need not be included.

The quotation should be f.o.r., Harihar and the time of delivery will have to be invariably noted.

10″ × 2″	do	150 ,,	
		1,125	

2. The tenders should be superscribed "Tender for sawing timber in Lakkavalli and Bhadravati." Each tender should be accompanied by an earnest money deposit of Rs. 100 (Rupees one hundred in currency notes). Separate tenders must be submitted for sawing at each place. The tenders will be opened by the District Forest Officer in the District Forest Office at 3 P.M. on 31st January 1936. Tenders not accompanied by the earnest money deposit of Rs. 100 will not receive any consideration.

3. The tenders are subject to approval by the Conservator of Forests, Shimoga, who at his discretion may accept or reject the lowest or any other tender without assigning any reason therefor. The rate to be quoted for sawing the sizes should be at so much per cubic foot on scantlings to be passed by the Forest Sub-Division Officer. The scantlings should be sound and free from defects. *Parodays* from which the required sizes cannot be obtained should be sawn into planks and recpers of the sizes as the Forest Sub-Division Officer may at his discretion instruct. For sawing these planks and recpers, the tenderer will quote separate rates for sawing per c.ft. and 1,000 R.ft., respectively. No payment will be made on *Parodays* or on sawn materials rejected by the Department which will be the property of Government free from all claims by the successful tenderer.

4. Within three days from the date of receipt of the notice of the acceptance of the tender, the successful tenderer or tenderers who will hereafter be known as the contractor shall deposit in the Mysore District Treasury Savings Bank the earnest money deposit already paid, pledge the same to the District Forest Officer as security for the due fulfilment of the conditions of the contract and execute a Muchalika on a stamp paper of proper value binding himself to do the work subject to the following conditions. The deposits of rejected tenderers will be returned promptly after receipt of Conservator's order on the several tenders.

(*a*) The saw-pits will be made by the contractor at his own cost. He should engage an adequate number of sawyers at each place so as to get the required sizes sawn within the allotted time and start sawing within a week of the date of receipt of notice of the acceptance of the tender.

(*b*) Regarding the sizes to be sawn, the Contractor will be guided by the instructions of the Forest Sub-Division Officer.

(*c*) No advances will be paid for the work and payment will be made by cheque on the required sizes to be passed by the Sub-Division Officer at the respective localities.

(*d*) If the Contractor fails to start the sawing within the time fixed above or fails to show adequate progress or fails to saw the required sizes within the allotted time, the Forest Sub-Division Officer will be at liberty to recommend the cancellation of the contract and make other arrangements for the work. In such cases or in the case of failure on the part of the Contractor to saw and supply the required sizes within the allotted time, the Security Deposit of the Contractor will be liable to forfeiture in whole or in part at the discretion of the District Forest Officer.

(*e*) The sawing work should be undertaken for six months from February 1936.

M. G. VENKATA RAO,
District Forest Officer.

MISCELLANEOUS DEPARTMENTS

OFFICE OF THE RESIDENCY SURGEON, CIVIL AND MILITARY STATION, BANGALORE.

Notice

Notice is hereby given that sealed tenders will be received on Monday the 3rd February 1936 by the Residency Surgeon, Bangalore, for the supply by contract of all articles of diet, etc., required for the use of the Bowring, Lady Curzon, Gosha, and Isolation hospitals, Bangalore, during the period from 1st April 1936 to 31st March 1937.

Forms of Tender (which also contain the specifications and conditions on which tenders will be considered and contracts let) can be had at the Office of the Residency Surgeon, Bowring Civil Hospital, Bangalore, on any day except Sundays between 8 A.M. and 12 NOON.

Each tender must be accompanied by a deposit (in Government Promissory Notes or Bank receipts) as earnest deposit money of the amount noted against each group. When several groups are tendered for, one Bank receipt for the total amount of earnest deposit money will be received. This earnest money will be returned to unsuccessful tenderers immediately and to the others as soon as they have lodged the security mentioned in para 9 of the Tender form. No cash will be received. In default of such deposit the tender will be rejected.

OFFICE OF THE CHIEF ELECTRICAL ENGINEER, BANGALORE.

SALE OF CAST IRON PIECES.

Notification dated 20th January 1936.

1. Sealed tenders for the purchase of about 10 tons of cast iron pieces available in the compound of the Chief Electrical Engineer's Office and in the "A" Station, will be received in this office up to 2 P.M. on 10th February 1936.

2. The materials will be available (about 3 tons in the compound of the Chief Electrical Engineer's Office and the remaining quantity in "A" Station). The materials available in "A" Station are in the shape of scrap—a synchronous Motor and 1,000 K.W. condenser. The purchaser should make arrangements for breaking the above articles to pieces and remove the same at his cost.

3. Tenders should be superscribed "tenders for the purchase of cast iron pieces due at 2 P.M. on 10th February 1936" and should be accompanied with the earnest money of Rs. 25. The earnest money should be sent separately in cash or in currency notes.

4. The undersigned reserves the right to refuse the highest or any tender, whole or in part, without assigning any reasons therefor.

5. The deposit of the successful tenderer will be retained and he will be required to execute the agreement and furnish immediately a further deposit of one-fourth of the amount of the value of the materials offered to be sold.

6. Payment will have to be made before the materials are removed from the Stores, and the earnest money and the further deposit made will be adjusted towards the close of the whole transaction.

7. The cast iron pieces will have to be taken delivery of, wherever they are available at the places mentioned above.

8. Failure to comply with the above conditions, will ential the forfeiture of the amounts deposited together with the earnest money and the materials will be resold at the risk of the tenderer, who will have no claim to profits, if any, that might accrue in the resale but will have to reimburse the department all losses entailed in the resale.

9. Arrangements will be made to refund the earnest money of the unsuccessful tenderers soon after the tenders are opened and decided upon.

PART VI

PUBLIC ADVERTISEMENTS

FOREST DEPARTMENT

BANGALORE DISTRICT.

Notification dated 19th January 1936.

It is hereby notified for general information, that the exclusive right of collecting Tangadi and Kakke barks on all Government unoccupied Lands, Amrut Mahal Kavals, State Forests and Plantations, from the date of confirmation of the sale to 30th June 1937, in the undermentioned taluks will be sold by public auction by the Deputy Commissioner, Bangalore District, or by the Assistant Commissioner deputed by him assisted by the District Forest Officer, Bangalore District, or any officer deputed by him.

Taluk	Place of sale	Date of sale
1. Magadi	Taluk Office, Magadi	6th February 1936, 2 P.M.
2. Anekal	Taluk Office, Anekal	8th February 1936, 2 P.M.

The Government will not make any extra demand for lands resigned from occupation and the lessee shall not be entitled to any rebate on account of lands taken up for cultivation during the currency of the lease.

2. The auction will commence at 2 P.M., and if it is not concluded on the same day, will be continued from day to day at the same hour until concluded.

3. Defaulters on account of previous leases will not be permitted to bid.

4. No person will be allowed to bid unless he (1) produces a certificate from the Amildar of the Taluk in which he resides in the form prescribed by Government, in regard to his solvency and its extent, or an exchange certificate as provided for in clause 5, and (2) deposits also with the officer holding the sale a sum of Rs. 200 which must, except under unavoidable circumstances, be in the form of cash or currency notes.

5. The highest bidder shall deliver his solvency certificate to the officer conducting the sale, and get in exchange, if he so desires, a certificate signed by the latter which will be sufficient authority for him to bid at auction sales in any one of the remaining divisions. This exchange certificate shall be delivered to the officer conducting the sale, in cases the party named therein happens to be the highest bidder obtaining in lieu thereof, if he wishes, a fresh exchange certificate for his use. The exchange certificate will contain all the particulars found in the Amildar's certificate with the details of purchases made in the sales of other divisions as well as in the one in which the exchange certificate is sought for. The deposits of unsuccessful bidders will be returned immediately after the sale.

6. The exclusive right of collecting and removing the produce above described will be disposed of to the highsst bidder, subject to the confirmation of the Chief Conservator of Forests, who at his descretion, may accept or reject the highest or any other bid, without assigning any reason therefor.

7. The highest bidder shall immediately after the close of the sale, credit into the Government Treasury one quarter of the total sale amount including the deposit already made together with local, railway and other cesses, if any *on the full lease amount* at the rates prevailing in the district. In default, the deposit already made will be forfeited and the right resold. Such resale will be at the risk of the defaulting purchaser who will be liable to make good any loss that may result to Government by it, but will have no claim to any surplus accruing therefrom. Such losses shall be recoverable as an arrear of land revenue.

8. If the sale is not confirmed by the authority concerned, all moneys paid will be refunded to the party.

9. Within fifteen days of the intimation of the confirmation of the sale, the successful bidder shall execute a separate agreement at one for each unit, with one or more sureties to the satisfaction of the District Forest Officer of the District concerned, on a stamped paper of the value of ten annas procured at his own cost, and also furnish a security deposit of Rs. 500 or one-quarter of the sale amount, whichever is less, for each unit, for the due fulfilment of the conditions of the contract in the shape of Government Savings Bank Deposit. In default either to execute the agreement with the necessary sureties or to furnish the required security or both, the contract will be cancelled, all the moneys already paid forfeited to Government and the right resold, at the defaulter's risk. He shall have no claim to any surplus accruing from such resale, but shall be liable for the loss arising therefrom which will be recovered as an arrear of land revenue under Section 79 of the Mysore Forest Regulation. After executing the agreement and furnishing the security, the successful bidder shall before entering on the collection of the bark, obtain from the District Forest Officer a permit in the prescribed form authorising him to commence the bark collection.

Note.—(1) The solvency and the respectability of the sureties should be proved to the satisfaction of the District Forest Officer and the sureties shall be held responsible for all payments to be made under the lease and for the due fulfilment of all the conditions of the contract.

(2) A sample form of the agreement may be seen at any of the District Forest Offices.

10. The balance of the sale amount shall be paid in three equal instalments at intervals of four months as follows :—

1st instalment	on or before		15th March 1936.
2nd	do	do	15th June 1936.
3rd	do	on the	15th January 1937.

In default to pay the instalments on the due dates, contract shall be cancelled and the right resold, the defaulter being liable for any deficit in the amount due to Government less the amount already paid. He shall have no claim on the surplus accruing from such resale, but shall be liable to the loss arising therefrom which shall be recovered as an arrear of land revenue, under Section 79 of the Mysore Forest Regulation or any other law for the time being in force. Interest at 9 per cent per annum will be levied on all arrears of lease amount which are permitted to be paid after the due date.

11. No concession of any kind will be shown to the contractor for loss on any account.

For conditions of sale and other particulars, *vide* the Notification No. E. 272-1077-34, dated 8th April 1935, published by the Chief Conservator of Forests in Mysore, on pages 873 to 875, Part VI of the *Mysore Gazette*, dated 18th April 1935.

C. ABDUL JABBAR,
District Forest Officer.

KOLAR DISTRICT.

Notification dated 9th January 1936.

It is hereby notified for general information that 62 cart-loads of Junglewood Fuel stocked in Tirumalanaikanakere Tank bed and treated as property of the Government under Section 60 of the Mysore Forest Regulation, will be sold by public auction, by the Range Forest Officer, Srinivaspur Range, on the 31st January 1936 at Royalpad Travellers' Bungalow.

1. The highest bidder shall pay up the full sale amount to the sale conducting officer as soon as the bid is knocked down in his favour.
2. The sale is subject to the confirmation of the District Forest Officer, Kolar District.
3. Immediately after intimation of the confirmation of the sale, the property shall be taken possession of by the purchaser.

Abstract Notification dated 8th January 1936

The attention of the public is invited to the detailed tender Notification, dated the 8th January 1936, regarding the supply of rations to Elephants working in this Division during 1936, published on page 76, Part VI of the *Mysore Gazette*, dated the 16th January 1936.

Last date for submitting the Tender—17th February 1936 (2 P.M.)

SALE OF TIMBER.

Notification dated 21st January 1936.

It is hereby notified for general information that the undermentioned kinds and quantities of timber will be sold by public auction under the following conditions at the following depots by the District Forest Officer, Shimoga Division, or any other officer deputed by him on the dates noted against each depot :—

Name of Depot	Kind	Quantity	Date of Sale
		C.ft.	
Timber Depot, Shimoga ..	Teak	3,000	17th February 1936, Monday (at 9 A.M.).
	Honne	1,500	
	Bite	2,500	
	Matti	6,000	
	Nandi	3,000	
	Yettiga	1,500	
	Other kinds	1,500	
	Total ..	19,000	

N.B.—The quantity noted is approximate.

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale. But defaulters to the Department will not be allowed to bid at the sales.

In the case of purchasers of timber not exceeding Rs. 200 in value, this deposit will not be insisted upon, provided that the full purchase money is paid in cash on the spot.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. The sale is subject to the confirmation of the Conservator of Forests if the amount exceeds Rs. 1,000.

5. After conclusion of the sale, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter, on account of loss from resale, shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Regulation. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In cases of resales for default of payment of value where no bidders are forthcoming, it will be open to the District Forest Officer to fix such price, as may appear to him to be reasonable, and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed from the original sale amount. A registered notice should be issued to the defaulter, intimating the price fixed by the District Forest Officer for the unsold wood and the amount still due from him which will be recovered as arrears of land revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within thirty days after the date of sale or within fifteen days after the date of the notice of confirmation of the sale, whichever is later. In case of purchases above Rs. 1,000 in value, the purchaser shall be permitted to pay up the balance in instalments of not less than Rs. 1,000 provided the full value is paid not later than the 15th May 1936. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, including the 10 per cent deposit paid for the lot at the time of the sale, and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after 30th June 1936. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, for the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

13. Interest will be charged on all belated payments at $6\frac{1}{4}$ per cent per annum from the date of their falling due up to the date of payment.

Notification dated 17th January 1936.

It is hereby notified, for general information, that Mr. Mohamed Dastagir Sab, Shimoga, the lessee of Bamboo lease of Sacrebyle Range for 1935 and 1936, having failed to remit (in full) the khist amount and cesses that fell due by him on 1st January 1936, even after the issue of notices, the above *bob* will be resold, at the risk of the original purchaser, at the District Forest Office, Shimoga at 2 P.M., on the 17th February 1936 by the District Forest Officer, Shimoga, or any other officer deputed by him for the purpose.

The kind and quantity of bamboos along with the conditions of sale will be intimated at the time of resale.

BUILDINGS DIVISION, BANGALORE.

Notification dated 25th January 1936.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Buildings Division, up to 12th February 1936 (2 P.M.) for constructing a building for the Aryabalikapathasala, Bangalore. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of September 1936.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Bangalore between the hours of 11 A.M. to 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rupees Eight hundred only (Rs. 800) in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for constructing a Building for the Aryabalikapatasala, Bangalore" in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office, in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Quotations must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than estimated rate will not be accepted.

13. Transfer of works to their parties by selected contractors will not be countenanced by the department and in the case of any such attempt, the earnest money is liable to be forfeited at the discretion of the Superintending Engineer.

The Firms dealing in Motor Lorries.

Enquiry No. 1691.

1½ TON PETROL DRIVEN MOTOR LORRIES.

GENTLEMEN,

I write to request you to quote your best prices and earliest time of delivery for the following :—

(1) One—Petrol driven Motor Lorry, capacity 1½ to 1¾ ton, wheelbase, 157″ minimum, fitted with pneumatic tyres and the following accessories and tools, for mounting a Seagrave Aerial Platform Ladder. The body of the lorry and platform should be built approximately as per blue print which will be furnished on request.

(2) One—Petrol driven Motor Lorry, 1½ to 1¾ ton capacity, wheelbase, 131″ with platform and driver's cab and the list of tools as specified below.—

The above lorries should conform to the brief specifications mentioned below :—

The lorry must be fitted with complete wind shield, side curtains for the driver's cab, two head-lamps, one rear lamp and two side lights and electric horn. The gasoline tank must be of sufficient capacity to contain enough petrol for a journey of 100 miles.

The engine must be of 4 or 6 cylinder type with all accessories completely enclosed in dust-proof housing. The design of the engine should be such that when the water pump fails, the engine cooling must be effected on Thermo-Siphon principle. The engine must have forced lubrication and an oil circulation indicator must be fitted on the dash board.

The ignition must be on the Delco System. The gear box must be fitted with three forward speeds and one reverse.

The lorries must be fitted with pneumatic tyres of suitable size, the platform should be built with the best Indian seasoned wood suitably reinforced with strap iron and angle iron as per drawing.

The tenderers must furnish complete specification fully describing the design and construction of the principal parts of the lorry offered. In case an order is placed, the suppliers must be able to guarantee satisfactory service of the vehicle for 12 months after first being put into service during which time they should replace free of cost any material that fails due to defective workmanship or design and also guarantee free services for the above period.

The list of tools to be supplied with the lorry is as under :—

1. one adjustable auto wrench.
2. one spark plug wrench.
3. one set of spanners.
4. one combination pliers.
5. one distribution spanner.
6. one grease gun.
7. one hammer.
8. one oil can.
9. one screw driver.
10. one set of tyre wrenches.
11. one wheel brace.
12. two jacks of sufficient capacity to lift the truck with load on.
13. one tappet adjustment spanner.
14. one pump of suitable size.

Details of the lorry such as track width, wheelbase, road clearance should be furnished.

The price quoted should be free delivery at the Central Stores, near Messrs. Binny Mills, Bangalore City.

This enquiry will close on 15th February 1936.

PUBLIC ADVERTISEMENTS

FOREST DEPARTMENT

BANGALORE DISTRICT.

Abstract Notification dated 19th January 1936.

The attention of the public is invited to the detailed notification pertaining to the sale of exclusive right of collection and removal of Thangadi and Kakke barks on all Government unoccupied Lands, Amrut Mahal Kavals, State Forests and plantations from the date of confirmation of the sales to the 30th June 1937 in Magadi and Anekal Taluks on 6th February 1935 and 8th February 1935 respectively published on pages 125-126, Part VI of the *Mysore Gazette,* dated 30th January 1936.

Notification dated 29th January 1936.

Sealed tenders are invited for the supply of jungle wood fuel from the forests of the Bangalore District for use in the Sugar Factory at Mandya during the year 1936-37.

2. The tender should be addressed to the District Forest Officer, Bangalore District, so as to reach him on or before 3 P.M. of the 27th February1 936. Any tender received after the above-mentioned time and date will not be taken notice of.

3. Each tender should be accompanied by an earnest money of rupees two hundred in currency notes and should be registered, insured and superscribed " Tender for fuel supply to the Sugar Factory at Mandya " Tenders may be submitted for one or more forests.

4. The right of accepting or rejecting any tender is vested in the Chief Conservator of Forests who is not bound to assign any reason for accepting or rejecting the highest or lowest tender.

5 The fuel to be supplied is to be felled in the State Forest coupes noted below under coppice with standard system :—

Name of Range	Name of Forest	Locality	Approximate quantity	Remarks
1. Kankanhalli ..	Bananthamari State Forest.	Unworked arrear coupes.	1,000 tons.	To be delivered f.o.r., at Mandya Sugar Factory, *via*, Closepet Railway Station.
2. Satnur ..	Chilandadi State Forest.	Do ..	1,500 ,,	To be delivered f.o.r., at Mandya, Sugar Factory, *via*, Channapatna.
	Achal State Forest	Do ..	500 ,,	Do

N.B.—Supply of fuel to be spread over practically 7 to 8 months in the year, deliveries being made at 400 tons a month.

Rate should be quoted per unit of one ton by weight.

6. The successful tenderer or tenderers are required to enter into agreement with the District Fores Officer within a week of intimation given to him or them binding to observe the following conditions, in default of which, the contract is liable to be cancelled and the earnest money forfeited to Government. In fulfilment of the terms of the contract, he or they shall deposit in the Government Savings Bank account a sum of Rs. 200 pledged to the District Forest Officer. This amount is liable to be forfeited to Government for the breach of any or all the conditions of agreement and the contract cancelled.

7. The earnest money of the successful tenderer will be retained as security for the fulfilment of the terms of the contract after the bond is executed and of others returned to the parties concerned.

Conditions.

(*a*) The contractor shall fell fuel within the limits of the coupes of the Forest noted above (para 5 *supra*).

(*b*) The following kinds of fuel seasoned and dry, are generally accepted, such as Dindiga, Kagli and other hard fuel kinds.

(*c*) The contractor shall not enter the forest for felling the fuel without a permit in this behalf granted by a Forest Officer.

(*d*) All felled fuel should be sawn and cut into billets of the following size in the place to be appointed by the District Forest Officer. Maximum length $1\frac{1}{2}$ feet and Billets of 8 to 9 inches in diameter. Billets below the minimum size will not be accepted. The billets should, as far as possible, be straight. Billets of higher diameter must be split up.

(*e*) Stumps in the coupes should be coppiced.

(*f*) All billeted fuel from Kankanhalli Range (Bananthamari State Forest) should be booked by rail from Closepet, the Contractor meeting all freight etc., and delivered f.o.r., Mandya Sugar Factory. Carting from Bananthamari to the Factory cannot be allowed under any circumstances. Fuel from Satnur Range should be carted to Channapatna and thence railed to Mandya, the contractor meeting all freight etc., and delivered f.o.r., Mandya Sugar Factory.

(*g*) In case of disputes regarding greenage of fuel, the decision of the District Forest Officer is final. Deduction varying from 10 to 20 per cent will be done in case of supplies of green fuel. The contract is liable to be cancelled for persistent supply of green or soft fuel.

(*h*) The Sugar Factory will take delivery of fuel and issue receipts for quantities of fuel received.

(*i*) Payment will be made by the District Forest Officer upon the delivery of the fuel to the Factory at the contracted rates for the net quantities accepted by the said Factory.

(*j*) The Contractor shall begin the supply from the date of agreement and complete it within the stipulated time. The quantity of fuel to be supplied to the Factory in each month will be entered in the agreement.

(*k*) The Chief Conservator of Forests shall be the final authority in all matters of dispute regarding this contract.

(*l*) The contractor shall not fell trees of reserved kinds fruit trees or trees bearing Minor Forest Products. He shall not also cut trees marked as standards and seedlings and saplings under one foot in girth at the base.

(*m*) That he shall agree to abide by the rules of the Department as regards kindling of fires and hold himself responsible for any offence committed by him or his agents employees, workmen, etc.

(*n*) That the earnest money will be returned in full three months after the expiry of the contract period if the whole or any part thereof is not forfeited to Government by the violation of any of the terms of agreement.

(*o*) All rejected firewood will be given over to the contractor after recovering from him two rupees a ton. Or if so desired, the same will be auctioned Departmentally and the sale proceeds given over to the Contractor recovering from him two rupees a ton as seigniorage.

(*p*) The quantity of fuel to be supplied from each Forest is subject to alteration or stoppage without notice.

C. A. JABBAR,
District Forest Officer.

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale but defaulters to the department will not be allowed to bid at the sales.

In the case of purchasers not exceeding Rs. 200 in value, this initial deposit of Rs. 200 need not be insisted upon, provided that the full purchase money is paid in cash on the spot.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. Subject to the minima prices fixed in each case by the Chief Conservator of Forests (which will not be divulged), the highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers ; should any lot be disputed, it shall again be put up and sold.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. All sales of which the amount exceeds Rs. 1,000 in each case are subject to the confirmation of the Chief Conservator, and in other cases to that of the District Forest Officer, subject to the following conditions :—

(1) That the rate realised in a sale does not fall short of the average of the three previous sales by more than 5 per cent or is more than that realised at the previous sales.

(2) That the power of confirming sales up to the limit of Rs. 1,000 shall be exercised only in the case of timber.

(3) That the confirmation of sales is ordered by the District Forest Officers only after the payment of the full purchase money.

5. After conclusion of the sale, each purchaser will be furnished with a memo showing the total value and the purchase made by him. Thereupon, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter on account of loss from resale shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Regulation. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In cases of resales for default of payment of value where no bidders are forthcoming, it will be open to the District Forest Officer to fix such price as may appear to him to be reasonable and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed from the original sale amount. A registered notice should be issued to the defaulter intimating the price fixed by the District Forest Officer for the unsold wood and the amount still due from him which will be recovered as arrears of land revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of the successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within 30 days after the date of sale or within 15 days after the date of the notice of confirmation of the sale, whichever is later. In case of purchasers of above Rs. 1,000 in value, the purchaser shall be permitted to pay up the balance in instalments of not less than Rs. 1,000 provided the full value is paid not later than the 15th May 1936. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*. Interest at 6¼ per cent per annum will be levied on all arrears of amounts which are permitted to be paid after the due date.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, excluding the 10 per cent deposit paid for the lot at the time of the sale and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after the dates fixed in clause 7 *supra*. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, on the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

H. S. RANGACHAR,
District Forest Officer.

BHADRAVATI DIVISION.

RESALE OF BAMBOOS.

Notification dated 1st *February* 1936.

It is hereby notified for general information that the right of collection and removal of bamboos in the several Forests of Umblebyle Range of the Division during the calendar year 1936, will be resold by the District Forest Officer on the 24th February 1936, in the District Forest Office, Bhadravati, at the risk of the original purchaser who has failed to abide by the condition of sale.

The kind and quantities of bamboos to be sold will be intimated at the time of sale.

The sale will commence at 2 P.M. precisely on each day if it is not concluded on the same day and will be subject to the confirmation of the District Forest Officer in cases of bids of Rs. 1,000 and below and of the Conservator of Forests in other cases.

N.B.—It should be clearly understood that the contractor shall make his own arrangements for the removal of the bamboos, etc.

2. Each bidder shall, before he is permitted to bid, be required to furnish a solvency certificate under the Thangadi sale rules and deposit a sum of Rs. 50 (fifty) as earnest money with the officer conducting the sale. The deposit will be returnable to him at the close of the sale if his bid is not accepted. The person whose bid is accepted shall, immediately after the close of the sale, pay 25 per cent of the bid amount less the deposit already paid together with the local cess at one anna per rupee, railway cess at six pies per rupee and education cess at six pies per rupee on the full sale amount, failing which the right will be resold or worked by the department at the risk of the defaulting bidder. He will be liable for the loss, if any, that may result by such resale or departmental working, which will be recoverable from him as arrears of land revenue, but he shall not participate in any gain.

3. Defaulters to the department will not be allowed to bid at the sale.

4. The bamboos will be sold by number (*i.e.*, the bidders will have to bid at so much per 1,000 bamboos).

5. Power is reserved to the District Forest Officer or such other officer conducting the sale, as may be deputed by the District Forest Officer, to accept or reject any bid without assigning any reason therefor.

6. Within a week from the date of intimation regarding the confirmation of the sale, the person whose bid is accepted shall deposit as security a sum of Rs. 50 (fifty) or 25 per cent of the sale amount, whichever is less, for each block as security towards the due fulfilment of the contract. He shall also pay within that period the remaining 75 per cent of the contract amount due by him and shall execute an agreement on a stamped paper of proper value accepting the above terms specified below, failing which the amount already paid will be forfeited to Government and the produce resold or worked by the department at his risk as noted in clause (2) *supra*. The security deposit or the balance thereof as may remain over shall be repayable to the contractor on his producing proof

relieving him of any liability under the contract. Interest at $6\frac{1}{4}$ per cent per annum will be charged on all arrears of lease amount to be paid after the due date but before the resale.

The following are the further conditions to which the contractor should bind himself :—

Conditions.

(*a*) That the bamboos shall be collected or stored outside the block at such place or places as may be fixed by the Range Officer concerned and allowed to be removed on check by him and after a permit to remove is issued. Removal without such permits will be an offence to be dealt with according to law.

(*b*) That the purchaser shall not cut bamboos outside the limits of the block to which the lease refers and not exploit immature clumps less than three years old.

(*c*) That the lessee will be personally responsible for the acts of his agents, servants or coolies employed in the cutting, collection and removal of bamboos and for preventing the cutting of clumps under two years by himself, his agents, servants or coolies.

(*d*) That he shall not sublet the contract to any body or appoint any agent to work for him, except with the written sanction of the District Forest Officer.

(*e*) That he shall have no right whatsoever over the block and over the bamboos paid for but left unremoved in any of the blocks after 31st December 1936.

(*f*) That he shall accept the minimum quantity fixed in the notification as available in the block concerned and shall have no claim on the department for any deficit that may be found. If he removes any quantity above the minimum fixed within the lease period, he shall pay for the excess quantity at auction sale rates.

(*g*) That he shall abide by such orders as the District Forest Officer may issue regulating the transport of bamboos to and collection at their rafting stations.

(*h*) That he shall abide by the rules of the department as regards the kindling of fires and shall hold himself responsible for any forest offences committed by his agents, employees or workmen.

(*i*) That he or his men shall not enter the forest after sunset and before sunrise.

(*j*) That he shall maintain a register in the form prescribed by the District Forest Officer showing the number of bamboos removed and shall keep it open for the examination of Forest Officers above the grade of guards.

(*k*) That he understands that the sale does not prohibit the issue of retail licenses at the seigniorage rates or the exercise by the villagers of their rights in the Forests, or the exploitation by the department for supply to any Government Department.

(*l*) That for any breach of any of the conditions of the contract by the contractor or his agents, the contract shall be void at the option of the District Forest Officer and that the latter may, after issuing to the contractor a notice of the cancellation of contract, enforce forfeiture of all or any part of the deposit and shall re-sell the right or work it departmentally at the risk of the contractor as in clause (2) *supra*. If the deposit or part thereof is so forfeited, it shall be immediately made good by the contractor.

Notification dated 1*st February* 1936.

Notice is hereby given that sealed tenders will be received at the Office of the District Forest Officer, Bhadravati Division, up to 4 P.M. on Monday the 24th February 1936, for the pur hase of the exclusive right of collecting Tangadi (Cassia Auriculata) and Kakke (Cassia Fistula) barks on all Government unoccupied lands and State Forests from the date of confirmation of the tender up to 30th June 1937, in the Channagiri Taluk. The original purchaser has failed to act according to the conditions of sale and hence the *bob* will be resold.

Remarks.—Includes produce on all Government unoccupied lands, Amrut Mahal Kavals, Plantations and State Forests and excludes the produce on Inam, Jodi, Khayamgutta, Sarvamanya, Kandayam and other lands which are in the occupancy of private individuals.

N.B.—Removal of Kakke bark in Plantations is prohibited. The Government will not make any extra demand for lands resigned from occupation and the lessee shall not be entitled to any rebate on account of lands taken up for cultivation during the currency of the lease.

2. Each unit must be tendered, separately and if more than one unit is tendered for in the same tender they must be specified separately.

3. Tenders of defaulters, on account of previous leases and those not in accordance with Rule (4) will be summarily rejected.

4. Each tender must be accompanied by (1) a certificate from the Amildar of the Taluk in which he resides in the form prescribed by Government in regard to his solvency and its extent, or an

exchange certificate as provided for in clause 5 and (2) also a sum of Rs. 200 as earnest money which must be in the form of currency notes.

5. The cover containing the tender should be addressed to the District Forest Officer, Bhadravati Division and should be duly registered, insured and superscribed "Tender for the lease of Collecting Thangadi and Kakke Barks."

6. Name and address of the tenderer must be clearly given.

7. The tenders will be opened at 4 P.M., before such of the tenderers as may be present.

8. Acceptance of tender rests with the Chief Conservator of Forests in Mysore who may accept or reject any tender without assigning reasons.

9. The highest tenderer shall within three days of the notice of tender acceptance, credit into the Government Treasury one-quarter of the total sale amount including the deposit already made together with local, railway and other cesses, if any, on the full lease amount at the rate prevailing in the district. In default, the deposit already made will be forfeited and the right resold. Such resale will be at the risk of the defaulting purchaser who will be liable to make good any loss that may result to Government by it, but will have no claim to any surplus accruing therefrom. Such losses shall be recoverable as an arrear of land revenue.

10. If the tender is not accepted by the authority concerned, all moneys paid will be refunded to the party.

For other details and conditions of the lease, please see detailed Notification No. E. 272-1077-34, dated 8th April 1935, published by the Chief Conservator of Forests in Mysore in the *Mysore Gazette*, dated 18th April 1935 (pages 873 to 875 of Part VI).

ENGINEERING DEPARTMENT

BANGALORE WATER SUPPLY DIVISION.

LAYING A C. I. TRUNK MAIN OF 18″ TO 15″ DIAMETER FROM THE BANGALORE WOOLLEN, COTTON AND SILK MILLS, IN ARALEPET, BANGALORE CITY TO BASAVANGUDI.

Notice dated 1st February 1936.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Water Supply Division, Bangalore, up to 4th March 1936, for the laying of C. I. Spigot and Socket Trunk mains of sizes between 18″ and 9″ and distances up to 14,000 feet. A statement of the quantities of work is furnished herewith. These quantities are however approximate and not guaranteed.

2. The work should be finished in every manner completely within three months after the date of starting, so as to be delivered to regular service within this time.

3. The tenders will be received only from well-known plumbers or contractors who have actual experience in the laying and jointing of large sized water or other mains. Necessary credentials have to accompany these tenders.

4. The laying and jointing and testing, etc., have to be done with up-to-date machinery and tools, such as derricks, heavy pulley Blocks, Elastic Lead pouring clamps, caulking and other appliances, etc., all of which have to be supplied by the contractor at his own cost.

5. The C. I. Pipes and Specials, etc., will be issued to the works by the Water Supply Department; and spun yarn must be purchased from the Department the rate being Re. 0-3-7½ per lb.

6. The plans, detailed estimates and conditions may be seen at the Office of the (Range Officer, Chamarajendra Water Works, Bangalore) between 12 NOON and 4-30 P.M. on working days.

7. The tenders should be in printed forms which may be got from the Office of the Executive Engineer, Water Supply Division and should be accompanied by a statement as per form given below, showing the rates and costs at which the different items of works will be executed. The rates quoted should be expressed both in words and in figures in clear legible writing: and the total costs of each item must also be entered.

8. Each tender shall be accompanied by an earnest money of Rupees 500 (Five hundred) in cash or in Government Promissory Notes and superscribed thus :—

Branch A.—Tender for the laying of an 18″ C. I. Trunk Main from the Binny Mills to Mysore Road and of a 9″ C. I. Trunk Main from Mysore Road to Chamarajpet.

Branch B.—Tender for the laying of a 15″ C. I. Trunk Main from Mysore Road up to Vani Vilas Circle, Basavangudi.

Branch C.—Tender for the laying of a 15″, 12″ and 9″ C. I. Main from Vani Vilas Circle to South of Basavangudi and to Kankanhalli Road.

Branch D.—Tender for the laying of a 9″ main to Bugle Rock Tank and for removing 9″ C. I. pipes from 1st Road Chamarajpet up to Basavangudi Pump House.

9. The tenders will be opened at 3 P.M. on 4th March 1936, by the Executive Engineer, Water Supply Division, Bangalore.

10. The final acceptance of any of the tenders will rest with the Chief Engineer, who reserves to himself the right to accept any tender either in whole or in any part.

11. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute the usual contract bond, in default of which his tender will be considered cancelled, the earnest money being forfeited to Government.

12. The name of the successful tenderer will be announced on the Notice Board of the Office of the Executive Engineer, Water Supply Division, Bangalore.

13. The earnest money of the rejected tenderers will be returned as soon as a decision is arrived at.

14. The work having to be executed in the busy thorough fares within the Municipal Limits, full responsibility for the safe execution of the work, with proper barricades, danger lights, scaffolding equipment, clearing of site, supply of water, etc., rests entirely with the tenderer, who will have to bear, all these costs himself.

15. Rates for items of work not specified in the tender shall be as per either the current schedule of rates in the Division or as per actual data worked out and fixed by the Executive Engineer, with not more than 10 per cent for contractor's profit.

16. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., the decision of the Executive Engineer, shall be final and legally binding.

17. Any tender containing any conditional clauses or requirements or stipulations not provided for in this advertisement from or the abstract of quantities will be rejected.

18. In the case of materials issued departmentally, all damages, or breakages by mishandling or by misuse or waste, shall be made good by the tenderer who will bind himself either to replace such quantities or make good the losses as determined and fixed, by the Executive Engineer.

19. The tenderer shall bind himself to guarantee that the pipe joints of cement shall withstand a working pressure of not less than 100 feet and of lead shall withstand the working pressure of 150 feet and to replace all defective joints with new joints at his own cost. Tests will be conducted on the finished sections of the main, for a period of one month on each and all defects noticed have to be rectified by the tenderer free of costs. All facilities for conducting such tests shall be afforded by the tenderer for which no special extra rates shall be provided.

20. From the date of starting of the works, a uniform progress of not less than 300 feet per day per section of completely finished work must be ensured, failing which the contractor shall pay a penalty of rupees ten per day, for delay unaccounted for, or not satisfactorily explained. Including testing, refilling, etc., complete, the whole mains should be handed over within ninety days of the starting of the works to regular service, failing which the deposit will be forfeited to Government.

21. Trenching for not more than two days work, ahead will be allowed to be excavated and the finished portion of the main will be tested and soon after it is proved to be satisfactory, the trench will be filled up and facility afforded for traffic, etc. But until the final testing is over and the whole main is declared free from defects, the contractors responsibility to re-open and set right the defects shall remain.

22. Stock issue rates for spun yarn Re. 0-3-7½ per lb.

23. The approximate list of quantities of work is enclosed.

Notification dated 17th January 1936.

Notice is hereby given that sealed tenders will be received at the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, up to 1 P.M., on 10th February 1936, for the work of constructing a pump and filter house for water supply to Mandya Town. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by 31st March 1936.

2. The plans, detailed estimate and conditions may be seen at the Sanitary Engineer's Office between the hours of 11 A.M. and 5 P.M. on all office days.

3. Tenders should be submitted on printed forms which may be obtained from the Sanitary Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 140 in cash (no cheques will be accepted) as earnest money, and be superscribed "Tender for the work of constructing a pump and filter house for water supply to Mandya Town" in default of which the tenders will be rejected.

5. The final acceptance of any tender will rest with the Sanitary Engineer who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Sanitary Engineer's Office, in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Charges on account of scaffolding materials, implements for setting out, barricading, clearing site, supply of water, etc., that may be found necessary during execution will not be paid for separately but should be borne by the contractor.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Sanitary Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of disputes about rates, quantities, measurements, quality of work, etc., and in all disputes of any kind, the decision of the Director of Health will be final and legally binding.

Notification dated 4th February 1936.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Buildings Division, up to 15th February 1936 (2 P.M.) for putting up first floor over the side wings in the University College of Engineering, Bangalore. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of May 1936.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Bangalore, between the hours of 11 A.M. and 5 P.M.

3. Tender should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rupees 1,000 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for putting up first floor over the side wings in the University College of Engineering, Bangalore," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Quotations must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. *Any quotation quoted at so much percentage less or more* than estimated rate will not be accepted.

13. Transfer of works to third parties by selected contractors will not be countenanced by the department and in the case of any such attempt, the earnest money is liable to be forfeited at the discretion of the Superintending Engineer.

URDU MAPS.

DEAR SIR—GENTLEMEN,

Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the attached schedule, in the form printed below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions :—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellations of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed " Quotations for Urdu Maps " with the above enquiry Number.

This enquiry will be closed on the 20th February 1936.

6	Antarasanthe ..	18th March 1936 ..	2,000	500	..	..	500	

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale but defaulters to the department will not be allowed to bid at the sales.

In the case of purchasers not exceeding Rs. 200 in value, this initial deposit of Rs. 200 need not be insisted upon, provided that the full purchase money is paid in cash on the spot.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. Subject to the minima prices fixed in each case by the Chief Conservator of Forests (which will not be divulged), the highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers; should any lot be disputed, it shall again be put up and sold.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. All sales of which the amount exceeds Rs. 1,000 in each case are subject to the confirmation of the Chief Conservator, and in other cases to that of the District Forest Officer, subject to the following conditions:—

(1) That the rate realised in a sale does not fall short of the average of the three previous sales by more than 5 per cent or is more than that realised at the previous sales.

(2) That the power of confirming sales up to the limit of Rs. 1,000 shall be exercised only in the case of timber.

(3) That the confirmation of sales is ordered by the District Forest Officers only after the payment of the full purchase money.

5. After conclusion of the sale, each purchaser will be furnished with a memo showing the total value and the purchase made by him. Thereupon, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter on account of loss from resale shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Regulation. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In cases of resales for default of payment of value where no bidders are forthcoming, it will be open to the District Forest Officer to fix such price as may appear to him to be reasonable and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed from the original sale amount. A registered notice should be issued to the defaulter intimating the price fixed by the District Forest Officer for the unsold wood and the amount still due from him which will be recovered as arrears of land revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of the successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within 30 days after the date of sale or within 15 days after the date of the notice of confirmation of the sale, whichever is later. In case of purchasers of above Rs. 1,000 in value, the purchaser shall be permitted to pay up the balance in instalments of not less than Rs. 1,000 provided the full value is paid not later than the 15th May 1936. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*. Interest at $6\frac{1}{4}$ per cent per annum will be levied on all arrears of amounts which are permitted to be paid after the due date.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, excluding the 10 per cent deposit paid for the lot at the time of the sale and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after the dates fixed in clause 7 *supra*. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, on the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

Notification dated 8th February 1936.

It is hereby notified for general information that a quantity of 66 tons, 1 cwt. and 84 lbs. of hay (more or less) collected departmentally and stacked in Veeranhosahalli Forest Lodge Compound and Forest closeby will be sold by public auction by the District Forest Officer, Mysore District, or any other officer to be deputed by him on Friday, the 28th February 1936, at 2 P.M., at the said Forest Lodge, subjct to the confirmation of the sale by the District Forest Officer, Mysore District, or the Chief Conservator of Forests in Mysore, as the case may be.

The intending bidder should deposit a sum of Rs. 5 with the Sale Conducting Officer before he can be allowed to bid. The highest bidder should pay the full sale amount (inclusive of the earnest deposit) to the Sale Conducting Officer immediately after the bid is knocked down in his favour, failing which the earnest money deposit paid by him will be forfeited to Government and the hay resold forthwith at the risk of the original purchaser from whom the loss if any that will result from the resale will be recovered as an arrear of Land Revenue. He will not be entitled to any profit resulting from the resale. The hay will be sold in lots at the discretion of the Sale Conducting Officer.

The deposits of other bidders will be returned immediately after the conclusion of the sale.

On receipt of intimation about the confirmation of the sale, the purchaser should remove the hay after obtaining a permit from the Range Officer. After the intimation of the confirmation of the sale to the highest bidder, the hay will lie in the Forest Lodge compound or in the Forest at the risk of the purchaser and the Department will not be responsible for any loss by fire, theft or other cause.

K. REVANNA,
District Forest Officer.

SHIMOGA FOREST DIVISION.

Abstract Notification dated 21st January 1936.

The attention of the public is invited to the detailed Notification relating to the auction sale of timber in the Timber Depot, Shimoga, coming off on 17th February 1936, at 9 A.M., published on pages 127-128, Part VI of the *Mysore Gazette*, dated 30th January 1936.

Notification dated the 8th February 1936.

It is hereby notified for general information that sealed tenders will be received by the District Forest Officer, Shimoga till 2 P.M. on the 2nd March 1936 for the purchase of sawn sizes of Teak or other kinds on previous orders, from the Government Saw Mills, Shimoga.

1. The tender should be superscribed "Tender for the purchase of sawn materials."

2. The intending purchasers should intimate in their tender, the quantity, kind, sizes of the materials required by them, the rates at which they offer to purchase the same and the time within which the supply has to be made. Delivery Ex-Depot, Saw Mills, Shimoga.

3. The rates to be quoted should be per C.ft. of the materials.

4. Each tender should be accompanied with a deposit of Rs. 200 and one-tenth of the probable amount of the quantity to be purchased by each tenderer at the rates quoted. In the case of purchasers of materials valued less than Rs. 200 the full value of the same should accompany the tender.

5. The date within which the quantities offered to be purchased have to be supplied should be definitely stated in the tender.

6. The acceptance of the tender rests with the Conservator of Forests, Shimoga who may accept or reject the tender without assigning any reason therefor.

7. The time within which the supply should be made will also be determined by him.

8. Within one week from the date of receipt of acceptance the successful tenderer should appear before the District Forest Officer, Shimoga and execute an agreement on a stamped paper of proper value agreeing to the purchase and embodying all the conditions relating to the sale of timber as per this notification.

9. The timber will be selected by a responsible officer of the saw mill and delivered to the purchaser within the time fixed after recovering the full value of the same less the deposit already paid. If the same is not paid at the required date, the original deposit of Rs. 200 together with one-tenth sale amount already paid shall be forfeited to Government at the discretion of the District Forest Officer and the timber thus not fully paid for will be resold at the risk of the original tenderer who will have no claim on the profits, but shall be liable for the loss if any that may result in such a resale.

10. No selection of the materials by the tenderers will be allowed.

11. The earnest money of the unsuccessful tenderers will be returned to them.

12. No timber should be removed from the premises of the Depot without getting it stamped and obtaining a permit thereof.

MOHAMED PIR,
District Forest Officer.

The full value of all timber purchased shall be paid for within thirty days after the date of sale or within fifteen days after the date of the notice of confirmation of the sale, whichever is later. In case of purchases of above Rs. 1,000 in value, the purchaser shall be permitted to pay up the balance in instalments of not less than Rs. 1,000, provided the full value is paid not later than the 15th May 1936. The moneys shall be paid into such treasury as the District Forest Officer may direct within the time specified.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser, in the manner prescribed, for default of payment of one-tenth value in clause 5 *supra*.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, including the 10 per cent deposit paid for the lot at the time of the sale, and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed, as early as possible, and in no case should it be allowed to remain longer than 90 days after 15th May 1936. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, for the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

13. Interest will be charged on all belated payments at $6\frac{1}{4}$ per cent per annum from the date of their falling due up to the date of payment.

Notification dated the 8th February 1936.

Sealed tenders will be received at the office of the District Forest Officer, Sagar, for the preparation of the following kind of sleepers of Dhuma from the Kilandur or Hulikal Forest of Nagar Range and their supply to the Anandapuram station or Creosoting plant, Bhadravathi during the year 1935-36. The dimension and the number of sleepers required are given below :—

M. G. sleepers ($6' \times 8'' \times 4\frac{1}{2}''$) .. .. 15,000 More or less.

N.B.—The sleepers must conform to standard Railway specifications and be free from all defects.

2. The tender should be in the form noted hereunder and superscribed as "Tender for the supply of Dhuma spleepers". The rates for supply should be distinctly written both in words as well as in figures.

3. Each tender should be accompanied with a deposit of Rs. 200 in currency notes. The deposit of unsuccessful tenderers will be returned.

4. The tenders will be received in the District Forest Office, Sagar till 4 P.M. of the 24th February 1936.

5. The power of acceptance of the tender will rest in the Conservator of Forests, Shimoga, who is at full liberty to accept or reject any tender without assigning any reasons therefor and to give the contract to one or more persons as he deems fit.

6. The supply should be commenced before the 15th March 1936 and completed by 15th May 1936, maintaining a fairly equal weekly progress of supplies.

It should be distinctly understood that no extension of time under any circumstances will be granted. Failure on the part of the contractor or contractors to supply the sleepers as above entails the forfeiture of the whole or such portion of the security as the District Forest Officer deems fit. If the supply of the sleepers by the contractor or contractors is slack, and if, in the opinion of the District Forest Officer, the contractor or contractors are not likely to discharge their obligations, the District Forest Officer will at once cancel the contract, forfeit the security deposit and make other arrangements for their supply or without cancelling the contract make additional arrangements to supplement the progress.

7. Payments will be made only on passed sleepers delivered at the Creosoting Plant, Bhadravathi, or Anandapuram Railway Station, on presentation of bills along with the Depot receipts submitted through Range Officer, Nagar.

8. The contractors should collect and prepare sleepers from out of the trees assigned by the Range Officer, Nagar, in the Forests of Nagar Range.

9. The successful tenderer or tenderers will be required to deposit Rs. 1,000 (one thousand only) as security for the due fulfilment of the contract, and execute an agreement within a week from the date of receipt of intimation of acceptance of tender embodying the following conditions, failing which the earnest money paid will be forfeited, the contract cancelled and further action taken to dispose of the contract otherwise.

Conditions.

(1) The trees marked for fellings should be felled in the consecutive order. The contractors should not fell trees not marked by the Range Officer.

(2) The felling of the trees reserved by the Department, shall be treated as an offence.

(3) The trees shall, as far as possible, be felled flush with the ground and in no case should the stump left behind on the ground, after felling exceed 12″ in height.

(4) From the time of felling, the timber shall be at the sole risk of the contractor who shall make his own arrangements for the protection of the same from fire, theft, wastage or damage of any kind whatsoever.

(5) Rejected sleepers, side boards, tops and pieces, and all portions not used for sleepers shall be the property of the Government.

(6) Every portion of the tree must, as far as possible be converted into sleepers, if suitable for the purpose, without causing undue wastage.

(7) No sleeper should be removed from the forest without obtaining a passport from the Range Forest Officer or such other subordinate duly authorised by him.

(8) All sleepers for which passports have been obtained should be delivered to the Depot at the latest within one week from the date of issue of such passes. Any sleepers not reaching the Depot within the above period will be treated as lost and the value thereof recovered at the Depot rates, *viz.*, Rs. 2-8-0 from the contractor or contractors from the amount of the next bill due to him or them.

(9) The contractor or contractors, during the currency of this contract, shall not take up any other similar contract, without the express sanction of the District Forest Officer.

(10) If the contractor or contractors should fail to supply the allotted quantity during each month as noted above and to maintain steady and adequate progress during each week, the District Forest Officer will be at liberty to make additional arrangements to supplement the progress as stated above. If any extra cost has to be incurred on this account, it shall be recovered from the next bill of the contractor, or contractors.

(11) The contractor or contractors should make their own arrangements for the preparation of jungle cart-tracks, etc., for transporting sleepers.

(12) The contractors shall abide by the rules of the department as regards kindling of fires, and hold themselves responsible for any offence committed by them or their agent, employees, or cartmen.

(13) The contractors shall maintain a bound register, in the form prescribed by the District Forest Officer, showing the number and other particular of trees felled and the out-turn of sleepers.

(14) The contractor or contractors shall not assign their right under this agreement or any part thereof without the written permission of the District Forest Officer for the time being and such permission may, however, be refused without assigning reasons therefor.

(15) The contractor or contractors shall take care, as far as possible, not to cause any damage to any other standing growth which is not to be felled. For any such damage, unless caused by accident or due to reasons beyond their control, the contractor shall pay up such compensation as may be decided by the Conservator of Forests, Shimoga.

(16) In the case of any dispute regarding this contract, the Conservator of Forest's decision shall be final.

(17) For breach of any of the above conditions, the District Forest Officer is empowered to cancel their contract, at any stage, without assigning any reason therefor and forfeit the deposit in full or part.

(18) The deposit of the contractors will be returned three months after the expiry of the period of contract if the terms of the contract as per tender notifications are fulfilled.

FORM OF TENDER.

Abstract Notification dated 29th January 1936.

TENDERS FOR COLLECTION AND SUPPLY OF JUNGLEWOOD FUEL TO THE SUGAR FACTORY AT MANDYA, DURING 1936-37, FROM THE FORESTS IN THE KANKANHALLI AND SATNUR RANGES, BANGALORE DISTRICT.

The attention of the Public is invited to the detailed notification dated 29th January 1936, regarding the above subject, published on pages 149-151, Part VI of the *Mysore Gazette*, dated 6th February 1936.

The last date for receipt of tender is up to 3 P.M. on 27th February 1936.

C. ABDUL JABBAR,
District Forest Officer.

KOLAR DISTRICT.

Notification dated the 13th February 1936.

It is hereby notified for genera information that the exclusive right of collecting Bat's Manure (ಬಾವಲಿ ಹಕ್ಕಿ ಗೊಬ್ಬರ) from the date of confirmation of the sale to the end of June 1936 will be

sold in public auction by the District Forest Officer, Kolar, or the Range Forest Officer deputed by him on the date and place noted below :—

Range	Locality	Produce	Place of sale	Date of sale
Bowringpet ..	Tekal Reserve	Bat's Manure	District Forest Office, Kolar.	9th March 1936.

1. The auction will commence at 2 P.M. and if it is not concluded on the same day, it will be continued on the next day at the same hour.

2. No person will be allowed to bid unless he produces a solvency certificate from the Amildar of the Taluk in which he resides in regard to his solvency and deposits also with the Officer holding the sale a sum of Rs. 20 which must be in the form of cash or currency notes.

3. The exclusive right of removing the produce above described will be disposed off to the highest bidder subject to the confirmation of the District Forest Officer or the Chief Conservator of Forests as the case may be, who at his discretion may accept or reject the highest or any other bid without assigning any reason therefor.

4. The successful bidder shall at the close of the sale pay the entire amount of sale including the deposit already paid as per para 2 above together with Local cess, Education cess and Railway cess at Re. 0-1-0, 0-0-6 and 0-0-3 per rupee respectively on the entire sale amount. In default, the deposit already paid will be forfeited and the right resold. Such resale will be at the risk of the defaulting purchaser who will be liable to make good any loss that may result to Government by such resale but will not participate in any profit accruing therefrom.

N.B.—If the deficit be not paid, the same will be recovered as an arrear of Land Revenue.

5. If the sale is not confirmed, the amount paid will be returned to the party.

6. The accepted bidder shall execute an agreement on a duly stamped paper within fifteen days of the intimation of the confirmation of the sale binding himself to observe the conditions specified hereunder. In default the acceptance of his bid will be revoked, the money already paid forfeited and the right resold at his risk.

7. The successful bidder shall furnish security deposit equal to one-fourth of the sale amount.

Further conditions to be entered in the agreement are :—

(*a*) The lessee, his maistries or servants shall not cut or injure any tree in any way on the plea of collecting the produce.

(*b*) The lessee shall furnish a list of sub-contractors, agents or maistries and servants who may be appointed by him for the collection of the produce.

(*c*) The lessee shall work out the lease himself and not transfer or sublet it to others without the previous sanction of the Chief Conservator of Forests. If any sub-lessees are approved, such sub-lessees shall not further sublet it without previous sanction.

(*d*) The coolies employed by the lessee or sub-lessee must take permits from the Range Officers when they enter State Forests.

(*e*) The lessee or sub-lessee shall keep accounts showing the quantity of the produce collected and removed in accordance with the lease and permit the inspection of such accounts by any Forest Officer of and above the rank of a Ranger having jurisdiction within the area referring to the leases, and the Officers of the Revenue and the Police Departments of and above the rank of an Amildar or Police Inspector, respectively.

(*f*) The lessee or sub-lessee shall render every month to the District Forest Officer, an account of the number of cart-loads of the produce collected and carted during the month.

(*g*) The lessee or sub-lessee shall provide printed licenses and passes in triplicate for the collection and for the export of the produce under his signature. In the latter case, each cart-load must be covered by a pass. These licenses and passes which will be in books shall be obtained from the Range Forest Officer and will have a seal of the District Forest Officer, impressed. The duplicate copies will be submitted to the Range Forest Officer, on the day on which the license or pass is issued. When the books are completed, the counterfoils should be returned to the District Forest Officer through the Range Forest Officer and fresh supply obtained.

Note.—(1) Forest Forms 84 and 85 shall be used.

(*h*) The lessee or sub-lessee, his agents or maistries and servants shall be held responsible for any fires caused by negligence either by themselves or by their workmen and shall prevent the occurrence of fires in the Forests in which they may be working and render prompt assistance in extinguishing such fires as may break out accidentally. They will be liable also under the Forest Regulation, irrespective of any action that may be taken under the contract.

(*i*) The lessee or sub-lessee shall remove out of the limits of the taluk before the 30th June 1936, all the produce collected and stored under the terms of the lease.

(*j*) Neither the lessee nor sub-lessee, nor his employees, shall enter the State Forests either before sunrise or after sunset.

(*k*) No collection of the Minor Forest Produce will be permitted in the State Forests during the fire season, *i.e.*, from the 15th February to end of April of each year.

(*l*) The lessee or sub-lessee shall not interfere with the recognised rights of Inamdars.

(*m*) The lessee or sub-lessee has no right to the produce or trees on occupied lands and the village Amarai as detailed in para 1 above.

(*n*) No damage will be caused to the trees while collecting the Minor Forest Produce, any such damage will be assessed by the Range Forest Officer, which will be approved by the District Forest Officer. The District Forest Officer's decision in the assessment of the damages will be final. The assessed damages will be recovered from the security deposit of the lessee.

(*o*) The lessee or sub-lessee shall hold himself responsible for the acts of his agents or servants in the business of collection and transport.

(*p*) Interest will be charged at 9 per cent per annum on all belated payments.

11. In the event of breach of any of these conditions, the lease will be cancelled or the security amount forfeited in whole or in part or both these penalties will be enforced at the discretion of the District Forest Officer, the Conservator of Forests, Shimoga, or the Chief Conservator of Forests as the case may be. In the case of mere forfeiture of the deposit amount, in part, or in full, the difference will be made good immediately by the contractor, and if not, the lease will be cancelled and resold at the risk of the original purchaser who will be liable for any loss which will become recoverable as an arrear of land revenue but not participate in any profits.

MAHOMED PIR,
District Forest Officer.

BHADRAVATI DIVISION.

Abstract Notification, dated 1st February 1936.

The attention of the Public is invited to the detailed Notification, dated 1st February 1936, published on pages 155-156, Part VI of the *Mysore Gazette*, dated the 6th February 1936, calling for tenders for the purchase of the Thangadi lease of Chennagiri Taluk. The last date for the receipt of tender is 24th February 1936 up to 4 P.M.

Tender Notification dated 6th February 1936.

Sealed tenders will be received at the Office of the District Forest Officer, Bhadravati Division, Bhadravati, up to 4 P.M. on the 24th February 1936, for the purchase of the right of collection and removal of big and small bamboos in the undermentioned State Forests of the Division during the Calendar year 1936.

Name of Range	Name of Forest	Minimum quantity to be purchased		Remarks
		Big	Small	
Umblebyle ..	Chornedehalli ..	10,000	30,000	
Narasimharajpura ..	Aramballi ..	5,000	15,000	Except Garate all other bamboos are included.
	Malandurgudda ..	3,000	..	
Muthodi ..	Muthodi and Jagar ..	..	30,000	
	Tadasa ..	5,000	15,000	
Lakkavalli ..	Lakkavalli ..	50,000	10,000	
	Tarikere ..	..	25,000	
Bhadravati ..	Kukwada-Ubrani ..	10,000	1,00,000	

N.B.—It should be clearly understood that the contractor should make his own arrangement for the removal of bamboos, etc.

1. The tender should be superscribed 'Tender for the right of collection and removal of bamboos.' The rate should be per 1,000 written distinctly in words as well as in figures.

2. Each tender should be accompanied with the solvency certificate and the earnest deposit of Rs. 50 in currency notes which will be returned in the case of unsuccessful tenders.

3. The acceptance of the tender rests with the Conservator of Forests or with the District Forest Officer, as the case may be, who reserves to himself the power of accepting or rejecting any tender without assigning any reason therefor.

4. Defaulters to the department will not be allowed to offer tenders.

5. Within a week from the date of intimation regarding the acceptance of tender the person whose tender is accepted shall deposit as security a sum of Rs. 50 (fifty) or 25 per cent of the sale amount, whichever is less, for each block as security towards the due fulfilment of the contract. He shall also pay within that period the full sale amount due by him with all cesses and shall execute an agreement on a stamped paper of proper value accepting the above terms specified below, failing which the amount already paid will be forfeited to Government and the produce resold or worked by the department at his risk as noted in clause (2) *supra*. The security deposit or the balance thereof as may remain over shall be repayable to the contractor on his producing proof relieving him of any liability under the contract. Interest at 6¼ per cent per annum will be charged on all arrears of lease amount to be paid after the due date but before the resale.

The following are the further conditions to which the contractor should bind himself:—

Conditions.

(*a*) That the bamboos shall be collected or stored outside the block at such place or places as may be fixed by the Range Officer concerned and allowed to be removed on check by him and after a permit to remove is issued. Removal without such permits will be an offence to be dealt with according to law.

(*b*) That the purchaser shall not cut bamboos outside the limits of the block to which the lease refers and not exploit immature clumps less than three years old.

(*c*) That the lessee will be personally responsible for the acts of his agents, servants or coolies employed in the cutting, collection and removal of bamboos and for preventing the cutting of clumps under two years by himself, his agents, servants or coolies.

(*d*) That he shall not sublet the contract to any body or appoint any agent to work for him, except with the written sanction of the District Forest Officer.

(*e*) That he shall have no right whatsoever over the block and over the bamboos paid for but left unremoved in any of the blocks after 31st December 1936.

(*f*) That he shall accept the minimum quantity fixed in the notification as available in the block concerned and shall have no claim on the department for any deficit that may be found. If he removes any quantity above the minimum fixed within the lease period, he shall pay for the excess quantity at auction sale rates.

(*g*) That he shall abide by such orders as the District Forest Officer may issue regulating the transport of bamboos to and collection at their rafting stations.

(*h*) That he shall abide by the rules of the department as regards the kindling of fires and shall hold himself responsible for any forest offences committed by his agents, employees or workmen.

(*i*) That he or his men shall not enter the forest after sunset and before sunrise.

(*j*) That he shall maintain a register in the form prescribed by the District Forest Officer showing the number of bamboos removed and shall keep it open for the examination of Forest Officers above the grade of guards.

(*k*) That he understands that the sale does not prohibit the issue of retail licenses at the seigniorage rates or the exercise by the villagers of their rights in the Forests, or the exploitation by the department for supply to any Government Department.

(*l*) That for any breach of any of the conditions of the contract by the contractor or his agents, the contract shall be void at the option of the District Forest Officer and that the latter may, after issuing to the contractor a notice of the cancellation of contract, enforce forfeiture of all or any part of the deposit and shall re-sell the right or work it departmentally at the risk of the contractor as in clause (2) *supra*. If the deposit or part thereof is so forfeited, it shall be immediately made good by the contractor.

M. G. VENKATA RAO,
District Forest Officer.

SAGAR FOREST DIVISION.

Abstract Notification dated 8th February 1936.

The attention of the public is invited to the detailed Notificartion of date, calling for tenders for the preparation and supply of 15,000 Dhuma sleepers from Kilandur and Hulikal Forests of Nagar Range during 1935-36, up to 4 P.M. of 24th February 1936, published on pages 211-212, Part VI of the *Mysore Gazette*, dated 13th February 1936.

Notification dated 10th February 1936.

SALE OF TIMBER.

It is notified for general information that the undermentioned kinds and quantities of timber will be sold by public auction under the following conditions at the following Depots on the dates noted against each :—

No.	Name of Depot	Date of sale	Teak logs	Teak poles	Bite logs	Honne logs	Nandi logs	Other kind logs	Remarks
			C.ft.	C.ft.	C.ft.	C.ft.	C.ft.	C.ft.	
1	Shikarpur ..	12-3-36	500	..	..	1,000	500	500	The sales will be conducted by the District Forest Officer, Sagar Division, or any other officer deputed by him.
2	Shiralkoppa ..	14-3-36	300	..	..	1,000	1,000	700	
3	Shakunavalli ..	19-3-36	1,000	..	..	..	..	..	
4	Anavatti ..	17-3-36	..	1,000	..	..	..	..	The sale will commence at 3 P.M. on each date and if the sale is not closed on the sale date, the same will be continued the next day.
5	Balekoppa ..	21-3-36	..	..	..	..	..	1,000	

N.B.—Quantities noted are only approximate.

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale. But defaulters to the department will not be allowed to bid at the sales.

In the case of purchasers of timber not exceeding Rs. 200 in value, this deposit will not be insisted upon, provided that the full purchase money is paid in cash on the spot.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. The sale is subject to the confirmation of the Conservator of Forests, if the amount exceeds Rs. 1,000.

5. After conclusion of the sale, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter, on account of loss from resale, shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Regulation. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In cases of resales for default of payment of value where no bidders are forthcoming, it will be open to the District Forest Officer to fix such price as may appear to him to be reasonable, and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed from the original sale amount. A registered notice should be issued to the defaulter, intimating the price fixed by the District Forest Officer for the unsold wood, and the amount still due from him which will be recovered as arrears of land revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within 30 days after the date of sale or within 15 days after the date of the notice of confirmation of the sale, whichever is later. In case of purchases of above Rs. 1,000 in value, the purchaser shall be permitted to pay up the balance in instalments of not less than Rs. 1,000 provided the full value is paid not later than the 15th May 1936. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, including the 10 per cent deposit paid for the lot at the time of the sale, and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after 15th May 1936. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, for the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

13. Interest will be charged on all belated payments at $6\frac{1}{4}$ per cent per annum from the date of their falling due up to the date of payment.

Notification dated 14*th February* 1936.

SALE OF TIMBER.

It is notified for general information that the undermentioned kinds and quantities of timber will be sold by public auction under the following conditions at the following Depot on the date noted against the same :—

Name of Depot	Kind	Quantity notified	Date of sale	Remarks
Kumsi Depot ..	Teak ..	2,700 c.ft.	4th March 1936	The sale will be conducted by the District Forest Officer, Sagar Division, or any other officer deputed by him. The sale will commence at 3 P.M. on each date and if the sale is not closed on the sale date, the same will be continued the next day.
	Total ..	2,700 c.ft.	....	

N.B.—Quantities noted are only approximate.

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale. But defaulters to the department will not be allowed to bid at the sales.

In the case of purchasers of timber not exceeding Rs. 200 in value, this deposit will not be insisted upon, provided that the full purchase money is paid in cash on the spot.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. The sale is subject to the confirmation of the Conservator of Forests, if the amount exceeds Rs. 1,000.

5. After conclusion of the sale, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter, on account of loss from resale, shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Regulation. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In cases of resales for default of payment of value where no bidders are forthcoming, it will be open to the District Forest Officer to fix such price as may appear to him to be reasonable, and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed from the original sale amount. A registered notice should be issued to the defaulter, intimating the price fixed by the District Forest Officer for the unsold wood, and the amount still due from him which will be recovered as arrears of land revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within thirty days after the date of sale or within fifteen days after the date of the notice of confirmation of the sale, whichever is

later. In case of purchases of above Rs. 1,000 in value, the purchaser shall be permitted to pay up the balance in instalments of not less than Rs. 1,000, provided the full value is paid not later than the 15th May 1936. The moneys shall be paid into such treasury as the District Forest Officer may direct within the time specified.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser, in the manner prescribed, for default of payment of one-tenth value in clause 5 *supra*.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, including the 10 per cent deposit paid for the lot at the time of the sale, and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed, as early as possible, and in no case should it be allowed to remain longer than 90 days after 15th May 1936. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, for the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

13. Interest will be charged on all belated payments at 6¼ per cent per annum from the date of their falling due up to the date of payment.

H. S. RANGACHAR,
District Forest Officer.

The last date fixed for the receipt of the tender in this office is 2 P.M. on 28th February 1936.

Abstract Notification, dated 6th February 1936.

The attention of the public is invited to the notification on pages 215-218 of the issue of the *Mysore Gazette*, dated 13th February 1936, calling for tenders for closing the breach and extending left waste weir of Thimmampalli Nayankere, Register No. 859 of Bagepalli Taluk.

The last date fixed for the receipt of tenders is 2 P.M. on 24th March 1936.

Notification, dated 17th February 1936.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Kolar Division, up to 2 P.M. on 16th March 1936, for improvements to the feeder channel of Bodimarlur, Register No. 164, Goribidnur Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of October 1936.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Kolar between the hours of 11 A.M. to 5 P.M. of office days.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rupees Two Hundred in cash or Government Promissory Notes, as earnest money, and be superscribed ' Tender for improvements to the feeder channel of Bodimarlur Tank, Register No. 164, Goribidnur Taluk," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office, in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

Enquiry No. 1723.

UNDERGROUND CABLE.

GENTLEMEN,

I write to request you to quote your best price and earliest time of delivery for the following material :—

45,000 ft. of No. 8 AWG. Single Conductor Cable consisting of 7 strands of annealed tinned copper of ·0486″ diameter each, varnished cambric insulated, lead covered and asphalted jute finished, suitable for a working pressure of 8,000 volts A.C. The radial thickness of the varnished cambric insulation should be not less than 18/64″ (·281″) and that of the lead-sheath not less than 5/64″ (·078″). The varnished cambric insulation should be made of several layers of black varnished cambric of high Di-electric strength and the inter-spaces between the different layers of varnish cambric should be filled with suitable insulating compound to increase the lasting property of the varnished cambric.

The following specifications and conditions should be carefully noted in quoting for the material :—

The cable should be suitable for being laid directly underground and should have a resistance of not more than ·563 ohms. per 1,000 ft. at 25°C.

The cable will have to be tested according to the latest specifications of the Insulated Power Cable Engineer's Association of America or of the B.E.S.A. and the test certificates will be required to be submitted by the successful tenderer at the time of supply.

The prices to be quoted should be for the supply of the cable on non-returnable drums or reels in lengths of about 3,000 ft. each.

Full details relating to the cable should be furnished under the following heads :—

1. Actual radial thickness of the insulation.
2. Di-electric strength of the insulation per mil.
3. Redial thickness of lead-sheath.
4 Radical thickness of jute-serving.

As this cable is required urgently, the tenderers should be in a position to ship the whole quantity of the cable within 2 to 3 weeks from the date of receipt of the order.

Firms offering cable of German make should quote prices in Reich Marks and be prepared to accept payment in Reichs Marks from out of the Mysore Government Account at the Reichs-Kredit, Gesellschaft, Berlin.

The price to be quoted should be for delivery c.i.f., Madras.

This enquiry will close on the 30th March 1936.

VARNISHED CAMBRIC INSULATED CABLES FOR K. G. F. AND SIVASAMUDRAM.

GENTLEMEN,

I write to request you to quote your best prices and earliest time of delivery for the following materials :—

Item (1) 1,000 ft. of Stranded Single Conductor Cable, 1,000,000 Cir. Mil., consisting of 61 strands of Annealed tinned copper conductors of ·128″ diameter each, insulated with black varnished cambric of not less than 10/64″ (.156″), covered with a lead-sheath of not less than 6/64″ (.094″) thickness and asphalted jute-finished, suitable for a working pressure of 5,000 volts A.C.

Item (2) 1,400 ft. of 1,500,000 Cir. Mil., Stranded Single Conductor cable, consisting of 127 strands of tinned Annealed copper of .1087″ diameter each, insulated with black varnished cambric of not less than 11/64″ (.172″) thick, with double weather-proof braids, the total thickness of braid being not less than 0.045″. suitable for a working pressure of 6,000 volts A.C.

Item (3) 50 Copper Terminals or Lugs for 1,000,000 Cir. Mil., Cable.

The cables of items of (1) and (2) above should have a resistance of not more than .0108 ohms and .00719 ohms per 1,000 ft. respectively at 25 C. and comply with the requirements of the latest Standards of the Insulated Power Cable Engineer's Association of America or of the B.E.S.A. in all other respects. They should be tested accordingly before despatch from the manufacturers works.

The quotation should be based on the supply of the cables in lengths of about 500 ft. of non returnable drums.

Tenderers should furnish full specification and particulars relating to the cables, including—

1. Radial thickness of the insulation,
2. Di-electric strength of the insulation per mil.
3. Radial thickness of the lead-sheath.
4. Radial thickness of the jute-serving.
5. Internal and external diameters of the copper terminals.

Firms offering materials of German make should make out their quotations in Reich-Marks and be prepared to accept payment in Reichs-Marks from out of the Mysore Government Account at the Reichs-Kredit Gesellschaft, Berlin.

The price to be quoted should be for delivery c.i.f., Madras.

K. REVANNA,
District Forest Officer.

HASSAN DISTRICT.

Notification dated 13th February 1936.

SALE OF TIMBER.

The undermentioned quantities of timber and sawn materials will be sold by public auction under the following conditions at the following Depots by the District Forest Officer, Hassan District (from 2 P.M. to 5 P.M.) on the dates noted below :—

Name of depot	Description of timber	Quantity	Place and date of sale
Hassan ..	1. Teak, Honne, Matti, Nandi and Nerlu logs.	800 C.ft. More or less.	Hassan Sandal Koti; 26th March 1936.

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale, but defaulters to the department will not be allowed to bid at the sales.

In the case of purchasers of timber in small quantities, full value thereof will be accepted if tendered on the spot and the payment of deposit in such cases will not be insisted upon.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case to produce a written authority duly signed by the principal.

3. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. All sales of which the amount exceeds Rs. 1,000 in each case is subject to the confirmation of the Conservator of Forests, Shimoga, and in other cases to that of the District Forest Officer.

5. After conclusion of the sale, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter, on account of loss from resale shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Regulation. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In cases of resales for default of payment of value, where no bidders are forthcoming, it will be open to the District Forest Officer to fix such price as may appear to him reasonable and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed from the original sale amount. A registered notice should be issued to the defaulter intimating the price fixed by the District Forest Officer for the unsold wood and the amount still due from him which will be recovered as arrears of land revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of successful bidders being lodged in the Savings Bank, as security deposit.

7. The full value of all timber purchased shall be paid for within 30 days after the date of notice of confirmation of the sale. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified.

No extension of time will be given for the payment of any amount, but if any amount is permitted to be paid after the due date, interest will be charged therein at $6\frac{1}{4}$ per cent per annum.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, excluding the 10 per cent deposit paid for the lot at the time of the sale; and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. The timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after the dates fixed in clause 7 *supra*. Timber not removed after purchase will remain in the Depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs.200 will remain as security for the due fulfilment of all and every one of the terms of sale, on the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited, shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

N. VENKATARAMAIYA,
District Forest Officer.

The last date fixed for the receipt of the tender in this office is 2 P.M. on 28th February 1936.

Abstract Notification, dated 6th February 1936.

The attention of the public is invited to the notification on pages 215-218 of the issue of the *Mysore Gazette*, dated 13th February 1936, calling for tenders for closing the breach and extending left waste weir of Thimmampalli Nayankere, Register No. 859 of Bagepalli Taluk.

The last date fixed for the receipt of tenders is 2 P.M. on 24th March 1936.

Abstract Notification, dated 17th February 1936.

The attention of the public is invited to the notification on pages 257-258, Part VI of the *Mysore Gazette*, dated 20th February 1936, inviting tenders for the work of improvements to the feeder channel of Bodimarlur tank Register No. 164, Goribidnur Taluk.

The last date for the receipt of tender is 2 P.M. on the 16th March 1936.

Notification, dated 14th February 1936.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Kolar Division, up to 2 P.M. on 16th March 1936, for filling in the breach and extending the weirs at both flanks of Maddepalli Doddakere Register No. 860, Bagepalli Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1937.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Kolar, between the hours of 11 A.M. to 5 P.M.

3. Tender should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 1,000 (One thousand only) in cash or Government Promissory Notes as earnest money, and be superscribed "Tender for filling in the breach and extending the weirs at both flanks of Maddepalli Doddakere Register No. 860, Bagepalli Taluk" in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for Contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Quotations must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than estimated rate will not be accepted.

Notice No. Roc. 1976—*Sc.* 234 *of* 1935-36, *dated* 19*th February* 1936.

Sealed tenders will be received in the office of the undersigned up to 12 noon on 7th March 1936 for the transport of the spraying materials noted in the schedule.

2. The tenders should be sent in the form given overleaf noting rate at which the transport will be undertaken.

3. The rates quoted by the contractor should hold good for a period of seventeen days from the day of the opening of the tenders.

4. The rate quoted for the transport of the materials to each place will be considered as a separate tender by itself.

5. The earnest money as shown in column 7 of the schedule should be in currency notes or in the form of cheque on the Imperial or Mysore Bank.

6. The undersigned does not bind himself to accept the lowest tender or to assign any reason whatsoever for the rejection of any tender. If any person withdraws his tender before the acceptance or rejection of his tender is communicated to him or when the tender is accepted fails to deposit the security amount and execute any agreement for fulfilment of the contract as specified below, the earnest money deposited by him will be forfeited to Government. The acceptance of the tender rests with the Director of Agriculture.

7. The contractor shall be held responsible not only for delivering the correct weight of the material at the destination but also for safeguarding against damage by rain or other causes during the time they remain in his charge.

8. The name of the successful tenderer will be notified and he will be required to deposit as secuirty the amount noted in column 8 and to execute an agreement for fulfilment of the contract as soon as the intimation of acceptance of the tender is received. The earnest money on rejected tenders will be returned.

9. In case of dispute of any kind with regard to the actual road mileage or any other aspect of the contract, the decision of the undersigned shall be final.

10. The contractor should undertake the transport early. The materials will be given to the contractor at intervals during a period of three months (either whole or in part) at the Station in the schedule. This contract will be in force for four months from the date of acceptance of tender.

PUBLIC ADVERTISEMENTS

FOREST DEPARTMENT

KOLAR DISTRICT.

Abstract Notification dated 13th February 1936.

The attention of the public is invited to the detailed Notification regarding the sale of Bat's Manure in Tekal Reserve, Bowringpet Range on 9th March 1936, published on pages 243-245, Part VI of the *Mysore Gazette*, dated 20th February 1936.

H. V. RANGASWAMY IYENGAR,
District Forest Officer.

MYSORE DISTRICT.

AUCTION SALE OF TIMBER IN HIGH FORESTS.

Notification dated 26th February 1936.

SALE OF TIMBER TREES.

It is hereby notified for general information that the right to cut and remove Yethega timber trees enumerated, numbered and marked for felling in the Selection Working Circle Coupes of Begur State Forest in the Mysore District for the years 1934-35 and 1935-36 will be sold by public auction by the District Forest Officer or any other Officer deputed by him on 21st March 1936 subject to the conditions mentioned below :—

Minimum Quantity prescribed to be removed is .. .. 1,000 Cft.

The sale will commence at 2 P.M., precisely, on each day and will be subject to the confirmation of the District Forest Officer in case of bids of Rs. 500 and below and of the Chief Conservator of Forests in Mysore in other cases.

N.B.—It should be clearly noted that the contractor should make his own arrangements for the removal of timber in the Coupes and that the Forest Department will not undertake any responsibility in the matter of opening roads, etc.

2. Departmental elephants can be hired, when available for dragging timber, on payment of a hire of Rs. 6 per male and Rs. 5 per female elephant per day of six hours, rations to the elephants being supplied by the hirer at his own cost.

Each bidder shall before he is permitted to bid be required to furnish a solvency certificate as under the Tangadi sale rules and deposit a sum of Rs. 100 (Rupees one hundred) as earnest money with the Officer conducting the sale; the deposit will be returnable to him at the close of the sale, if his bid is not accepted. The person whose bid is accepted, shall immediately after the close of the sale pay 25 per cent of the bid amount less the deposit already paid, failing which the right will be resold or worked by the Department at the risk of the defaulting bidder. He will be liable for the loss, if any, that may result by such resale or Departmental working which will be recoverable from him as arrears of land revenue, but he shall not participate in any gain.

3. Defaulters to the Department will not be allowed to bid at the sale.

4. The standing timber will be sold in terms of cubic feet (*i.e.*, the bidders will have to bid at so much per C.ft. of timber).

5. Power is reserved to the District Forest Officer or such other Officer conducting the sale as may be deputed by the District Forest Officer to accept or reject any bid without assigning any reason therefor.

6. Within a week from the date of intimation regarding the confirmation of the sale, the person whose bid is accepted, shall deposit a sum of Rs. 100 (Rupees one hundred) or 25 per cent of the sale amount, whichever is less, for each coupe as security towards the due fulfilment of his contract. He shall also pay within that period the remaining 75 per cent of the contract amount due by him and shall execute an agreement, on a stamped paper of proper value, accepting the above terms and the terms specified below, failing which, the amount already paid will be forfeited to Government and the produce resold or worked by the Department at his risk as noted in clause (2) *supra*. The security deposit or the balance thereof as may remain over shall be repayable to the contractor on his producing proof relieving him of any liability under the contract.

The following are the further conditions to which the contractor should bind himself :—

Conditions.

(*a*) That he shall fell and remove the timber purchased by him before the 15th June 1936.

(*b*) That he shall make the fellings of the trees in consecutive order as they are marked without picking or choosing and without causing damage to the surrounding growths.

(*c*) That he shall fell the trees he has purchased and dress the logs on the spot, and shall not remove such logs as the District Forest Officer may declare to be unsound and unfit for sale without recourse to sawing. The District Forest Officer's decision regarding the over-dressing of logs shall be final and the contractor shall pay such amount for wastage as may be fixed by the District Forest Officer.

(*d*) That only saws shall be used for cutting up the logs into the required lengths and that only white wood, knots and flutes shall be removed while dressing the log and no unnecessary waste shall be caused.

(*e*) That he shall bind himself to pay in advance the value of the minimum quantity of timber to be fixed by the District Forest Officer and shall remove all marketable portions of a tree either in logs, pieces or poles.

(*f*) That he will not be eligible for any refund of advance revenue if the minimum quantity so fixed is not removed, but any excess quantity removed shall be paid for at auction rates.

(*g*) That no timber prepared out of any tree shall be removed unless it is measured and stamped at the stump by the Range Officer or such other Officer as the District Forest Officer may authorise and until it is duly paid for.

(*h*) That each consignment of timber shall be covered by a passport issued by the Range Officer or any other Officer deputed by the District Forest Officer in this behalf.

(*i*) That he shall abide by the rules of the Department as regards the kindling of fires and shall hold himself responsible for any Forest offences committed by his Agents, employers or workmen.

(*j*) That if any trees other than the one bearing the Departmental stamp or a tree that has not been purchased is felled, he shall pay a fine not exceeding Rs. 15 for each such tree.

(*k*) That no operations shall take place in the Forest after sunset and before sunrise.

(*l*) That he shall not sublet the contract to anybody except with the written sanction of the District Forest Officer.

(*m*) That he shall have no right whatsoever over the Coupe and over the timber paid for but left unremoved in any of the Coupes, after the 30th June 1936.

(*n*) That he shall maintain a Register in the form prescribed by the District Forest Officer showing the number of trees felled and the outturn of timber from each of them and shall keep it open for the examination of Forest Officers above the grade of Guards.

(*o*) That for any breach of any of the conditions of the contract by the contractor or his agents, the contract shall be void at the option of the District Forest Officer and that the latter may, after issuing to the contractor a notice of cancellation of contract, enforce forfeiture of all or any part of the deposit and shall resell the right or work it departmentally at the risk of the contractor as in Clause (2) *supra*. If the deposit or part thereof is so forfeited, it shall be immediately made good by the contractor.

SALE OF TIMBER.

Notification, dated 22*nd February* 1936.

It is hereby notified for general information that the undermentioned kinds and quantities of timber will be sold by public auction under the following conditions at the following depots by the District Forest Officer, Shimoga Division, or any other officer deputed by him on the dates noted against each depot :—

Name of depot	Kind	Quantity	Date of sale
		C.ft.	
Arasalu Depot (Ayanur Forest Sub-Division).	Teak ..	130	19th March 1936 (Thursday) at 9 A.M.
	Honne ..	100	
	Mathi ..	200	
	Nandi ..	600	
	Special poles ..	700	
	Other kinds ..	3,000	
	Total ..	4,730 C.ft.	

N.B.—The quantity noted is approximate.

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale. But defaulters to the Department will not be allowed to bid at the sales.

In the case of purchasers of timber not exceeding Rs. 200 in value, this deposit will not be insisted upon, provided that the full purchase money is paid in cash on the spot.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. The sale is subject to the confirmation of the Conservator of Forests if the amount exceeds Rs. 1,000.

5. After conclusion of the sale, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter, on account of loss from resale, shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Regulation. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In cases of resales for default of payment of value where no bidders are forthcoming, it will be open to the District Forest Officer to fix such price, as may appear to him to be reasonable, and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed from the original sale amount. A registered notice should be issued to the defaulter, intimating the price fixed by the District Forest Officer for the unsold wood and the amount still due from him which will be recovered as arrears of land revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within thirty days after the date of sale or within fifteen days after the date of the notice of confirmation of the sale, whichever is later. In case of purchases above Rs. 1,000 in value, the purchaser shall be permitted to pay up the balance in instalments of not less than Rs. 1,000 provided the full value is paid not later than the 15th May 1936. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, including the 10 per cent deposit paid for the lot at the time of the sale, and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after 30th June 1936. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, for the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

13. Interest will be charged on all belated payments at $6\frac{1}{4}$ per cent per annum from the date of their falling due up to the date of payment.

MOHAMED PIR,
District Forest Officer.

Notification dated 29th February 1936.

It is hereby notified or general information that sealed tenders will be received by the District Forest Officer, till 2 P.M. on the 16th March 1936, for the purchase of finely-dressed Honne timber above 5′ in girth—the quantity being 4,000 cubic feet approximately in the timber Depot at Tarikere.

2. The tender should be superscribed "Tender for the purchase of Honne timber".
3. The delivery will be Ex-Depot, Tarikere.
4. The rates to be quoted should be per cubic foot for the entire quantity.
5. Each tender should be accompanied with a deposit of Rs. 200 in currency notes.
6. The acceptance of the tender rests with the Conservator of Forests, Shimoga, who may accept or reject the tender without assigning any reason therefor.
7. Within one week from the date of receipt of acceptance, the successful tenderer should appear before the District Forest Officer, Bhadravati Division and execute an agreement on a stamped paper of proper value agreeing to the purchase and embodying all the conditions relating to the sale of timber.
8. The timber sold will be delivered to the purchaser after recovering full value as per rules.
9. The earnest money of the unsuccessful tenderers will be returned to them.
10. No timber should be removed from the premises of the Depot without getting it sold, stamped, and obtaining a permit thereof.

N.B.—The timber may be inspected at any time during working hours of the Depot.

M. G. VENKATA RAO,
District Forest Officer.

OFFICE OF THE DEPUTY DIRECTOR OF AGRICULTURE, BANGALORE.

Tender Notice dated 2nd March 1936.

Sealed tenders will be received by the undersigned up to 4 P.M. on 30th March 1936, for the purchase of undermentioned Farm produce of the Hebbal Farm. The quantities mentioned in the Notification are only approximate and the tenderer is bound to purchase more or less than those mentioned below.

Tenders should be superscribed "Tenders for the purchase of Farm produce of the Hebbal Farm" and should accompany a Treasury chellan for having deposited a sum of Rs. 100 under revenue deposit in State Huzur Treasury in favour of the Deputy Director of Agriculture, without which the tender will not be received. Tender may be for one group or more.

If the tender is not accepted, the earnest money will be returned to the party. Final acceptance of the tender will rest with the Director of Agriculture who does not bind himself to accept the lowest or any tender or to assign reason whatsoever for the rejection of any tender. The earnest money of the successful tenderer will be adjusted against the dues on finally closing the accounts.

The tenders should quote rate of jaggory, sugar and rab per maund of 28 lbs. and for paddy and other produce per palla. The samples of the Farm produce can be seen by the tenderers on the Farm. Regarding jaggory, samples represent only an average and all the jaggory produced on the Farm will have to be taken over by the tenderer even should it vary from the sample.

Tenders will be opened by the Deputy Director in his Office at 4-30 P.M. on 30th March 1936, in the presence of as many tenderers as are present at the time and the rate will be read out to them.

The jaggory, sugar and rab will be weighed in the balance of the Farm and this weight will have to be taken as correct. The paddy and other articles will be measured by the Farm measures and will have to be taken as correct.

The successful tenderer will have to take delivery of the articles on payment of cash at the Hebbal Farm within a week from the date of acceptance of the tender. The jaggory will have to be taken delivery of every Saturday at 2 P.M. In case the boilings are continued even after the date of acceptance of tender, the tenderer is bound to purchase the quantity produced till the completion of boiling on the Farm during the season. If the tenderer is not himself present at the time of taking weights, the weight recorded by the Farm authorities will have to be accepted as correct. If the jaggory is not promptly taken charge of by the tenderer every week it will be stored on the Farm at the tenderer's risk and expense.

The earnest money deposited with the tender is liable to be forfeited to Government if any of the above conditions are violated.

2. Tenders should be superscribed, "Tenders for the Purchase of Jaggory on the Marthur Farm" and should be accompanied by a deposit of Rs. 50 (by money order or in person).

3. The rate offered for jaggory should be per maund of 28 lbs.

4. The Assistant Director of Agriculture, Shimoga, reserves to himself the right to accept any tender and to refuse the highest or any tender without assigning any reason therefor. The decision of the Assistant Director of Agriculture will be final in the matter.

5. Tenders will be opened by the undersigned at 4 P.M., on the 23rd March 1936, in presence of as many tenderers as may choose to be present and after the approval of the Assistant Director of Agriculture, Shimoga Circle, the successful tenderer will be informed of the acceptance of his tender and the deposits made by the unsuccessful tenderers will be returned to them at their cost by money order.

6. The deposit of the successful tenderer will be retained and adjusted in the end towards the value of the produce purchased by him.

7. Delivery of jaggory will be on the Farm premises and the purchaser will have to make his own arrangements for its transport from the Farm.

8. Payments hould be made in full on the spot at the tendered rates for such quantities as are removed from the Farm.

9. The jaggory may be removed from the Farm as and when the same is made ready at least once a week till the whole stuff is exhausted. About 200 maunds may be readily available on the date of accepting the tender.

10. Produce will be weighed and delivered by the Farm Staff and with the standard weights used in the Farm.

11. Failure to comply with any one of the above conditions will entail the forfeiture of the deposit amount and the produce will be sold at the risk of the successful tenderer who will have to make good any loss that may be caused by the resale and shall by no means participate in any profit which may accrue thereby. The loss, if any, caused by such resale will be recovered as if it were an arrear of land revenue.

12. The quantities noted below are more or less approximate and cannot be guaranteed.

Four hundred maunds of jaggory cubes (weighing approximately 1 lb).

N.B.—The quantity noted is approximate.

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale. But defaulters to the Department will not be allowed to bid at the sales.

In the case of purchasers of timber not exceeding Rs. 200 in value, this deposit will not be insisted upon, provided that the full purchase money is paid in cash on the spot.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. The sale is subject to the confirmation of the Conservator of Forests if the amount exceeds Rs. 1,000.

5. After conclusion of the sale, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter, on account of loss from resale, shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Regulation. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In cases of resales for default of payment of value where no bidders are forthcoming, it will be open to the District Forest Officer to fix such price, as may appear to him to be reasonable, and

to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed from the original sale amount. A registered notice should be issued to the defaulter, intimating the price fixed by the District Forest Officer for the unsold wood and the amount still due from him which will be recovered as arrears of land revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within thirty days after the date of sale or within fifteen days after the date of the notice of confirmation of the sale, whichever is later. In case of purchases above Rs. 1,000 in value, the purchaser shall be permitted to pay up the balance in instalments of not less than Rs. 1,000 provided the full value is paid not later than the 15th May 1936. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, including the 10 per cent deposit paid for the lot at the time of the sale, and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after 30th June 1936. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, for the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

13. Interest will be charged on all belated payments at 6¼ per cent per annum from the date of their falling due up to the date of payment.

MOHAMED PIR,
District Forest Officer.

SAGAR FOREST DIVISION.

Notification dated 3rd March 1936.

It is hereby notified for general information under Section 40 of the Mysore Forest Regulation that the following timber found unclaimed at Gogga have been seized and given to the custody of the person noted below. Persons having any claim to the said timber are hereby required to present a statement of their claims to the undersigned within one Month from the date of the publication of this notice and establish their claims failing which the timber will lapse to Government under Section 42 of the said Regulation.

The above quantities are only approximate.

N. B.—The sale will be held from 8 A.M. to 12 NOON and 2 P.M. to 5 P.M. in the case of Tarikere Depot and from 2 P.M. in the case of the other Depot.

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale but defaulters to the department will not be allowed to bid at the sales.

In the case of purchasers of timber not exceeding Rs. 200 in value, full value thereof will be accepted if tendered on the spot and the payment of deposit in such cases will not be insisted upon.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. All sales of which the amount exceeds Rs. 1,000 in each case is subject to the confirmation of the Conservator and in other cases to that of the District Forest Officer.

5. After conclusion of the sale, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. 7. The full value of all timber purchased shall be paid for within 30 days after the date of sale or within 15 days after the date of notice of confirmation of the sale, whichever is later. In case of purchasers of above Rs. 1,000 in value, the purchaser shall be permitted to pay up the balance in instalments of not less than Rs. 1,000 provided the full value is paid not later than the 15th May 1936. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified.

Ordinarily no extension of time will be given for the payment of any amount, but if any amount is permitted to be paid after the due date, interest will be charged thereon at 6¼ per cent per annum.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, excluding the 10 per cent deposit paid for the lot at the time of the sale ; and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after the dates fixed in clause 7 *supra*. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, for the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

M. G. VENKATA RAO,
District Forest Officer.

N. KRISHNIENGAR,
Executive Engineer.

BANGALORE DIVISION.

Notification, dated 7th March 1936.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Bangalore Division, up to 2 P.M., on 23rd March 1936, for constructing (1) a New Store Room, (2) Mantapas on either side of the Eastern Mahadwara, (3) Bhuvaneswari over the central portions of Navarangam, (4) dismantling and reconstructing the existing kitchen attached to the Sree Narasimhaswamy Temple at Sugganhalli, Magadi Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of May 1936.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Bangalore, between the hours of 11 A.M., and 5 P.M.,

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rupees one hundred and fifty in cash or Government Promissory Notes, as earnest money and be superscribed "Tender for constructing (1) a New Store Room, (2) Mantapas on either side of the Eastern Mahadwara (3) Bhuvaneswari over the central portion of Navarangam, (4) dismantling and reconstructing the existing kitchen attached to the Sree Narasimhaswamy Temple at Sugganhalli, Magadi Taluk," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for Contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Quotations must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than estimated rate will not be accepted.

OFFICE OF THE EXECUTIVE ENGINEER, MYSORE RAILWAYS, MYSORE.

Notification dated 4th March 1936.

Notice is hereby given that sealed tenders will be received at the Office of the Senior Executive Engineer, Mysore Railways, Mysore, on any working day upto 3 P.M., on Monday the 30th March 1936, for constructing Carriage Examining Pits in the Carriage Lift Shop in the Central Workshops Area at Mysore. Approximate estimates of quantities are given in the accompanying Schedule. The quantities are not guaranteed. The work should be completed before the 10th June 1936.

2. Detailed estimates, plans, specifications, conditions of works and conditions of Schedule Agreement may be seen at the Senior Executive Engineer's Office, Mysore Railways, Mysore, on all working days between 2-30 P.M. and 4-30 P.M. When in doubt, the tenderers should always ask for particulars and details.

3. Tenders should be submitted on printed forms, which should be obtained in ample time from the Senior Executive Engineer's Office on production of a receipt for payment of Rupee one to the Auditor, Mysore Railways, Mysore.

4. Every tender must be accompanied by an earnest money of Rs. 250 which should be paid to the Auditor, Mysore Railways, Mysore, and the receipt thereof enclosed along with the tender and should be superscribed "Tender for Constructing Carriage Examining Pits in the Carriage Lift Shop in the Central Workshops Area at Mysore" in default of which, the tenders will be rejected. Tenderers who have not done work previously in this department should produce certificates from authorities regarding their capacity for work and execution.

5. The earnest money of the rejected tenders will be returned as early as possible after the tenders are disposed of, and in the case of accepted tender, it will be held as a part-security deposit under Clause 4 of the Schedule Agreement referred to in para 8.

6. The final acceptance of any tender will rest with the Agent, Mysore Railways, Mysore, who does not bind himself to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any tender or any portion of a tender.

7. The name of the contractor, whose tender has been accepted, will be posted on the Notice Board in the Senior Executive Engineer's Office. No enquiries regarding the acceptance or rejection of a tender will be answered.

8. Within eight days of the acceptance of the tender, the successful tenderer is required to execute the usual Schedule Agreement, in default of which his tender will be considered as cancelled and the earnest money forfeited to Government.

9. Quotations must be given in words as well as in figures and they must be in specific terms of unit shown against each item of work. Any quotation quoted at so much per cent less or more than the estimated rates will not be accepted.

10. Rates once tendered cannot be enhanced on any account. Rates for non-tendered and non-estimated items shall be as per average Schedule of Rates of the Railway Department or those fixed by the Senior Executive Engineer after working out data with 10 per cent for Contractor's profit.

11. The whole of the work specified in the Agreement should be completed as specified in Para 1 above. Failing which or failing to carry out any of the conditions in the Agreement, the whole of the money held in deposit or so much of it as the Agent, Mysore Railways, considers proper will, without prejudice to any other legal or equitable right or remedy which the Agent may have, be absolutely forfeited to the Agent, Mysore Railways, Mysore.

12. Should any dispute arise in the interpretation of the clauses of the tender or in respect of any item of work or specification, the decision or the Superintendent, Way and Works, Mysore Railways, Mysore, shall be final.

13. The accepted tenderer must make his own arrangements in advance for payment of Royalties, etc., in case he quarries stone, earth, kunkar, sand, etc., from Railway, Government or Forest land for use on this work, as this department will not concern itself regarding the payment, recovery, etc.

14. Works should be executed in general as per Marryat's Specifications.

15. Contractors should make their own arrangements for the supply of water.

The Firms dealing in Pressed Steel Tanks and Staging.

Enquiry No. 1731.

PRESSED STEEL TANK AND STAGING FOR ARSIKERE WATER SUPPLY.

GENTLEMEN,

Please intimate your lowest price and earliest time of delivery f.o.r. Arsikere, for a pressed steel tank of 16,000 gallons capacity (20′×16′×8′) on 15 ft. staging, as per specification enclosed.

Your detailed specification for the tank and staging, with a sketch or a blue print of the same, showing the materials used may be submitted.

It should be distinctly understood that should your quotation be accepted, you will be required to make the supply within the stipulated time and to the specifications furnished with the tender failing which the order would be subject to cancellation. In such an event the Stores Purchase Committee reserve the right to levy a penalty of 3 per cent of the value of the order as and by way of liquidated damages in addition to debiting you with any extra cost that may be incurred in having to obtain the materials from other sources.

This enquiry will be closed on the 13th April 1936.

Specification for a pressed steel tank 20′×16′×8′ on 15′ steel stanging for Arsikere Water Works :—

The tank should consist of pressed steel 4′ plates of size 20′×16′×8′ with a capacity of 16,000 gallons, the thickness of the bottom plates and the lower side plates being ¼″ and the upper side plates 3/16″ thick. The tank should be provided with ⅛″ thick mild steel plate covering supported on angle or tee iron rafters with necessary slopes to drain off water.

The top cover should be provided with dust-proof ventilators. A manhole 21″ diameter with a dust proof cover with necessary locking arrangement should also be provided for.

Suitable stays inside, with necessary bolts, nuts with washers and jointing material should be included.

A steel ladder to get into the tank from the manhole should be provided for with necessary stays, etc.

A level indicator with necessary pulleys, wire, floats, etc., should be included and due allowance in the top cover should be given for the float when the tank is full.

Necessary gauge board with fixture, etc., should be included.

The staging should be 15 ft. high to support the above tank and it should consist of angle iron or channel iron stanchions with necessary angle iron bracings of suitable dimensions. The stanchions should have the required base plates with foundation bolts, etc.

Proper sections of main beams, either channel or I beams with joists for supporting the tank should be included.

The staging should be fabricated at the works, erected and accurately numbered so as to be easily erected at site.

A suitable ladder from the ground to the top of the tank should be provided for with necessary fixtures, struts, etc.

The tank and staging materials should be painted with a coat of Red-oxide paint before despatch.

Two sets of detailed working drawings with complete dimensions should be sent when the orders are placed.

Time of delivery should be noted and the period of delivery should be strictly adhered to.

The tank and staging should be quoted for separately.

The quotation should be f.o.r., Arsikere.

Enquiry No. 1746.

IRON SAFES REQUIRED DURING 1936-37.

GENTLEMEN,

Please be good enough to intimate your best prices for delivery in Government Offices in Bangalore, for Iron Safes described below furnishing complete specifications of the Safes of the following sizes :—

Size.	*Height.*	*Width.*	*Depth.*	
1.	23″	19″	19″	outside.
	21½″	18½″	15″	inside.
2.	30″	21″	21″	outside.
	28½″	20½″	17″	inside.

The specification of the Iron Safes should be as follows :—

The integral body of the safe should be made of a single continuous ⅛″ thick best steel plate bent cold with a single joint at the bottom substantially made by putting a full plate,

all the sixteen edges being bent cold and the corners welded. The safe should consist of single door and two drawers at the bottom and a shelf should also be provided. The safe should be fitted with good six lever lock and check key, having independent keys for the drawers. The safe must possess very high class quality of fire resisting compound and should be capable of withstanding a severe fire test, if necessary without affecting the contents thereof. The safe should also be burglar proof.

The rates quoted should hold good for one year from the date the contract is let.

The Stores Purchase Committee do not bind themselves to purchase any definite number of safes and the contract will be deemed to be limited to the number to be actually drawn by the Departments during the contract period.

Enhancement of the prices quoted for by you cannot, under any circumstances, be allowed during the contract period.

Your quotation should be for Iron Safe manufactured strictly according to the above specification.

This enquiry will be closed on 25th March 1936. The quotation should be superscribed "Quotation for Iron Safe" and sent to the undersigned.

Yours faithfully,

V. VEDAVYASACHARYA,
Secretary,
Stores Purchase Committee.

PUBLIC ADVERTISEMENTS

FOREST DEPARTMENT

TUMKUR DISTRICT.

Abstract Notification dated 7th March 1936.

The attention of the public is hereby invited to the detailed resale Notification of the right of collection and removal of Tangadi and Kakke barks of the several units published on page 349, Part VI of the *Mysore Gazette*, dated 12th March 1936.

B. MADHAVA RAO,
District Forest Officer.

MYSORE DISTRICT.

Abstract Notification, dated 27th February 1936.

The attention of the public is invited to the detailed Notification of date published on pages 323-325, Part VI of the *Mysore Gazette*, dated 5th March 1936, regarding the sale of the right of collecting and removing Yettega Timber in Selection Working Circle Coupes of 1934-35 and 1935-36 of Begur State Forest to be held at Begur on 21st March 1936 at 2 P.M.

Notification dated the 9th March 1936.

It is hereby notified for general information that the right of cutting and removing 75 dead Date Trees in the Bommenahalli Plantation will be sold by public auction at 2 P.M. on 25th March 1936 by the Range Forest Officer, Mysore, at the Plantation subject to the following conditions :—

1. Intending purchaser should deposit Rs. 5 (Rupees five) with the Officer conducting the sale. The deposit paid by others than the highest bidder will be returned immediately after the sale is closed.

2. The highest bidder should pay the full sale amount with Local, Educational and Railway Cesses excluding the deposit paid already as soon as the sale is closed, failing which the deposit will be forfeited and the right resold at his risk. He will have no right to any excess amount that may be realised in the resale. He will however be liable to make good to Government any loss which may result from the resale. All moneys due to Government from the highest bidder will be recoverable as arrears of land revenue.

3. The sale is subject to confirmation by the District Forest Officer, Mysore.

4. On receipt of orders of confirmation, the purchaser should fell and remove the trees after obtaining a Permit from the Range Forest Officer, Mysore. The trees should be cut and removed from the Plantation within twenty days after the intimation of the confirmation of the sale to the highest bidder, failing which the District Forest Officer will be at liberty to cancel the sale and forfeit to Government all the money paid by the purchaser.

Notification dated 9th March 1936.

The undermentioned quantities of timber will be sold by the District Forest Officer, Mysore District, or any other Officer authorised by the District Forest Officer, at 2 P.M., on the dates noted against the Depot under the following conditions :—

No.	Name of Depot	Date of sale	Teak	Honne	Mathi	Other kinds	Remarks
			C.ft.	C.ft.	C.ft.	C.ft.	
1	Hampapur	9th April 1936 ..	3,000	250	250	..	More or less.
2	Saragur	20th April 1936 ..	3,000	500	500	..	
3	Nanjangud	27th March 1936 ..	1,300	450	400	550	

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale but defaulters to the department will not be allowed to bid at the sales.

In the case of purchasers not exceeding Rs. 200 in value, this initial deposit of Rs. 200 need not be insisted upon, provided that the full purchase money is paid in cash on the spot.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. Subject to the minima prices fixed in each case by the Chief Conservator of Forests (which will not be divulged), the highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers; should any lot be disputed, it shall again be put up and sold.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. All sales of which the amount exceeds Rs. 1,000 in each case are subject to the confirmation of the Chief Conservator, and in other cases to that of the District Forest Officer, subject to the following conditions :—

(1) That the rate realised in a sale does not fall short of the average of the three previous sales by more than 5 per cent or is more than that realised at the previous sales.

(2) That the power of confirming sales up to the limit of Rs. 1,000 shall be exercised only in the case of timber.

(3) That the confirmation of sales is ordered by the District Forest Officers only after the payment of the full purchase money.

5. After conclusion of the sale, each purchaser will be furnished with a memo showing the total value and the purchase made by him. Thereupon, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching

for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter on account of loss from resale shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Regulation. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In cases of resales for default of payment of value where no bidders are forthcoming, it will be open to the District Forest Officer to fix such price as may appear to him to be reasonable and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed from the original sale amount. A registered notice should be issued to the defaulter intimating the price fixed by the District Forest Officer for the unsold wood and the amount still due from him which will be recovered as arrears of land revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of the successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within 30 days after the date of sale or within 15 days after the date of the notice of confirmation of the sale, whichever is later. In case of purchasers of above Rs. 1,000 in value, the purchaser shall be permitted to pay up the balance in instalments of not less than Rs. 1,000 provided the full value is paid not later than the 15th May 1936. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*. Interest at $6\frac{1}{4}$ per cent per annum will be levied on all arrears of amounts which are permitted to be paid after the due date.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, excluding the 10 per cent deposit paid for the lot at the time of the sale and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after the dates fixed in clause 7 *supra*. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, on the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

K. REVANNA,
District Forest Officer.

SHIMOGA FOREST DIVISION.

Abstract Notification dated 2nd March 1936.

The attention of the public is invited to the detailed Notification of date regarding the auction sale of timber in several coupes of Hanagere Range on 26th March 1936, at the Sub-Division Office, Ayanur, published on pages 350-352, Part VI of the *Mysore Gazette*, dated 12th March 1936.

MOHAMED PIR,
District Forest Officer.

SAGAR FOREST DIVISION.

Notification dated the 13th March 1936.

Sealed Tenders are invited for carting of Balgi Poles in Sagar Division, as noted in the annexed schedule, during the year 1935-36.

2. The Tenders should be addressed to the District Forest Officer, Sagar Division, so as to reach him on or before 26th March 1936 at 4 P.M. Any Tender received after the above mentioned date will not be taken notice of.

3. Each Tender should be accompanied by an earnest deposit of Rs. 100 in the form of Currency Notes and should be superscribed as " Tender for carting of Balgi Poles during the year 1935-36 from Hulikal and Kilandur Forests to Anandapuram Depot."

4. The right of accepting or rejecting any tender is vested in the Conservator of Forests, Shimoga, who is not bound to assign any reason for accepting, or rejecting the highest or lowest tender. The rate to be offered should be per pole for carting from Hulikal Forest or Kilandur Forest to Anandapuram Depot. The successful tenderer or tenderers are required to enter into an agreement with the District Forest Officer, within a week of the intimation given to him or them, binding himself or themselves to observe the following conditions, in default of which the contract is liable to be cancelled and earnest money forfeited to Government. The power of giving the contract to one or more persons is vested in the Conservator of Forests, Shimoga.

5. As security for the due fulfilment of the terms of the contract, he or they should deposit in the Government Savings Bank a sum of Rs. 250 (Two hundred and fifty only) in the name of the District Forest Officer. The amount is liable to be forfeited to Government for the breach of any or all the conditions of the agreement and the contract cancelled.

6. The earnest money of the successful tenderer or tenderers will be retained towards a portion of the security for the fulfilment of the terms of the contract after the bond is executed and of others will be returned to the parties concerned.

7. The undermentioned schedule shows the number of poles to be carted.

Conditions.

(*a*) The full number should be carted before the end of May 1936, maintaining an equal fortnightly progress in the meanwhile. Failure on the part of the contractor or contractors to cart the poles, as noted above, entails the forfeiture of the whole or such portion of the security as the District Forest Officer deems fit. If the carting work of the contractor is slack during any fortnight and if, in the opinion of the District Forest Officer, the contractor is not likely to discharge his obligation satisfactorily, the District Forest Officer will be at liberty either to cancel the contract at once, forfeit the security, and make other arrangements for the carting and without cancelling the contract make additional arrangements to supplement the work at his discretion.

(*b*) No pole should be removed from the Forest without obtaining a passport from the Forest Range Officer or such other subordinate duly authorised by him.

(*c*) All poles for which passports have been obtained should be delivered in the Depot at the latest within one week of the issue of such passes. Any pole not reaching the Depot within one week of the issue of such passes will be treated as lost, and the value thereof recovered at the Creosoting Plant rates from the contractor fromt he amount of the next bill due to him.

(*d*) The contractor shall abide by the rules of the Department as regards kindling of fire and hold himself responsible for any offence committed by him or his agents, employees or cartmen.

(*e*) The security furnished will be returned to the contractor after the expiry of the contract period, if the whole or any portion of it is not forfeited to Government for the violation of any of the terms of the contract, after satisfying that no pole is outstanding against the contractor.

*Remarks.—The sales will be conducted by the District Forest Officer, Sagar Division, or any other officer deputed by him.

The sale will commence at 3 p.m., on each date and if not closed on the sale date, will be continued the next morning.

N. B.—Quantities noted are only approximate.

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale. But defaulters to the department will not be allowed to bid at the sales.

In the case of purchasers of timber not exceeding Rs. 200 in value, this deposit will not be insisted upon, provided that the full purchase money is paid in cash on the spot.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. The sale is subject to the confirmation of the Conservator of Forests, if the amount exceeds Rs. 1,000.

5. After conclusion of the sale, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt, vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer

conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter, on account of loss from resale, shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Regulation. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In cases of resales for default of payment of value where no bidders are forthcoming, it will be open to the District Forest Officer to fix such price as may appear to him to be reasonable, and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed from the original sale amount. A registered notice should be issued to the defaulter, intimating the price fixed by the District Forest Officer for the unsold wood, and the amount still due from him which will be recovered as arrears of land revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within thirty days after the date of sale or within fifteen days after the date of the notice of confirmation of the sale, whichever is later. In case of purchases of above Rs. 1,000 in value, the purchaser shall be permitted to pay up the balance in instalments of not less than Rs. 1,000, provided the full value is paid not later than the 15th May 1936. The moneys shall be paid into such treasury as the District Forest Officer may direct within the time specified.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser, in the manner prescribed, for default of payment of one-tenth value in clause 5 *supra*.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, including the 10 per cent deposit paid for the lot at the time of the sale, and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after 15th May 1936. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, for the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

13. Interest will be charged on all belated payments at 6¼ per cent per annum from the date of their falling due up to the date of payment.

M. A. SRINIVASACHARI,
Executive Engineer.

TUMKUR DIVISION.

Notification dated 16*th March* 1936.

1. Sealed tenders will be received at the Office of the Executive Engineer, Tumkur Division, up to 2 P.M., on Wednesday the 8th April 1936.

2. Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Tumkur Division, for each form should be addressed to the Executive Engineer, Tumkur Division, and should be superscribed as 'Tender for constructing Empress Girls' High School at Tumkur.' The name of the tenderer should also be superscribed on the sealed cover.

3. Each tender must be accompanied by a deposit of Rs. 1,500 (in words rupees one thousand five hundred only) in cash as earnest money. The earnest money of the successful tenderer will be retained as security deposit for due fulfilment of the contract (cash amount will not carry any interest).

4. The tenders will be opened in the presence of such contractors who wish to be present on the 8th April 1936. The final acceptance of the tender will rest with the Superintending Engineer, Mysore Circle, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office in due course. Within 8 days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the Departmental Schedule contract form for the due fulfilment of the contract.

6. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

7. Copies of contract documents, estimates and drawings may be seen at any time at the Executive Engineer's Office, Tumkur Division, on all working days between 11 A.M., and 5 P.M.

8. Specific rates should be given for each item in the Schedule, and the rates should be in rupees, annas and in multiple of three pies and expressed in words and figures. Tenderers offering a percentage reduction on the estimate amount will be rejected.

9. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates tendered should include all such lumpsum items.

10. No alterations which are made by the tenderers in the contract documents in the nomenclature of the sanctioned sub-heads will be recognised and if corrections are made the tenders will be liable to rejection.

11. There should be no corrections or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

12. No reference should be made to the Public Works Department for current schedule of rates.

13. On the event of the tender being submitted by a firm, it must be signed separately and severally by such number thereof or in the event of absence of any partner, it must be signed on his behalf by a person holding power of attorney authorising him to do so.

14. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates to be proposed by the Executive Engineer and approved by the Superintending Engineer shall be final and legally binding on the tenderer.

15. The quantities given in the schedule are only approximate and are liable to alterations, omission, deductions, or additions at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity whether higher or lower than those given in the enclosed schedule.

16. The works should be completed and handed over to the Public Works Department by the end of month to be fixed by the Executive Engineer failing which the Executive Engineer may at his discretion levy a penalty, which will be recovered from the contractor's outstandings for the period exceeded by him till the work is completed, and handed over.

17. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, measurements, quantity of work, etc., the decision of the Chief or the Superintending Engineer shall be final and legally binding.

18. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with the application to the Executive Engineer.

19. No claim for damages for delays caused by Officers of the Department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the Departmental Officers will however be considered on the merits of each case.

20. The contract should not be sub-let.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer and the tenderers will pay the hire, etc., on machinery at 25 per cent per annum of the booked value of the tools and plant supplied from the date of taking over of tools and plant from the stores to the date of return to the stores, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. The contractor should arrange for the payment of royalty and tolls.

Note.—(*A*) The contractor should at his own cost :—

Please be good enough to intimate your best prices and the earliest time of delivery for the materials described below :—

7″ Stoneware pipes	2,500
7″×4″ single right angle junctions	200
4″ Stoneware pipes	1,000
4″ Stoneware eye bends	200
4″ Stoneware ¼ bends	100
6″×4″ gully traps	250
7″ Hume pipes	1,000 running feet.
4″ Hume pipes	1,000 do

N.B.—The pipes and specials should be 2′ long manufactured by more refractory clays free from lime and its compounds vitrified throughout their substance. They should be salt glazed, free from flaws and small holes. The pipes should be either of Burn & Co.'s or Perfect Pottery Co.'s manufacture.

This enquiry will be subject to the following conditions :—

(1) The prices to be quoted should be for delivery, f.o.r., Mysore.

(2) The quotation should hold good for a period of one year from the date the contract is let.

(3) The Stores Purchase Committee do not bind themselves to purchase any definite quantity of the above materials during the contract period. The contract should be deemed to be limited to the quantities to be actually drawn.

(4) Supplies will have to be made as and when indented for by the Chairman, City Improvement Trust Board, Mysore, the indents being complied with within a fortnight from the date of receipt.

(5) The indents of other Departments of our Government, if any, should also be complied with.

(6) Withdrawal from the quotation after it is accepted or failure to make the supplies within the specified time or according to specification will entail cancellation of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotations for Stoneware Pipes" and sent to the undersigned.

This enquiry will be closed on the 6th April 1936.

No. S. P. C. 15272-74, *dated* 17*th March* 1936.

M. G. VENKATA RAO,
District Forest Officer.

KADUR FOREST DIVISION.

Notification dated the 11th March 1936.

Notice is hereby given that sealed tenders will be received at the Office of the District Forest Officer, Kadur Division, Chikmagalur up to 4 P M., on 11th April 1936, for the weighment of rough and prepared sandalwood in Chikmagalur Koti in connection with the annual stock-taking.

N. B.—The work will include the carrying of wood from the existing lots to the scales, weighing the same and restacking it into lots at the places and in the manner to be shown by the Koti Officer.

1. The contract will last up to the 30th June 1936.

2. The quantity of wood to be weighed out and relotted in the Koti will be 940 (nine hundred and forty) tons, more or less.

3. The tenderer must specify the rates per ton of wood; and the tender must be accompanied by a deposit of Rs. 25 (rupees twenty-five only) in Currency Notes as earnest money, without which the tender will be rejected. Covers containing the tender should be addressed to the District Forest Officer, Kadur Division, Chikmagalur, duly registered, insured and superscribed "Tender for the weighment of rough and prepared sandalwood in Chikmagalur Koti in connection with the annual stock-taking." The tender will be opened by the District Forest Officer at 4 P.M. on 11th April 1936 in the presence of such of the tenderers as may be present.

4. The final acceptance of any tender will rest with the Conservator of Forests who does not bind himself to accept the lowest or any tender, and to assign any reason whatsoever for rejecting the same.

5. The acceptance of any tender will be duly communicated to the successful tenderer; and the earnest money of other tenderers will be returned to them.

6. The successful tenderer shall within a week of the receipt of orders, deposit in the Government Savings Bank a sum of Rs. 50 including the initial deposit of Rs. 25 referred to above as security for the due fulfilment of the terms of the contract and execute a bond on a duly stamped paper embodying the terms enumerated hereunder failing which, the initial deposit will be forfeited to Government and other arrangements made for the work.

Conditions.

(*a*) Wood for weighment should be taken lot by lot in the order shown by the Koti Officer. Until each is fully weighed out and restacked, the next lot should not be meddled with or disturbed.

(*b*) Within two days of intimation to be given to him by the Officer in charge of the Koti, the contractor will arrange for sufficient labour to weigh out wood in two scales at the rate of at least 30 tons per day. The wood weighed out on each day should be simultaneously restacked at the place to be shown by the Officer in charge of the Koti, the dimensions of each stack being regulated by the instructions of the above Officer. The weighment will be continued from day-to-day until it is put off by the officer in charge of the Koti. The contractor will be bound to resume the work again within two days of intimation to be given to him to do so.

(*c*) The place at which weighment is made must be kept clean by the coolies of the contractor. The coolies will submit to the disciplinary measures that may have to be adopted for the peaceful conduct of weighment and stacking. Any cooly found disobeying the instructions of the Officer in charge of the Koti may be turned out of the Koti by the Koti Forester.

(*d*) For the violation of any of the aforesaid conditions, the whole or any portion of the security deposit will be liable to forfeiture to Government at the discretion of the District Forest Officer. If the contractor fails to start or resume work, as indicated above, and to show satisfactory progress on each day, the District Forest Officer will be at liberty to cancel the contract, forfeit the security and make other arrangements for the work, the contractor being liable to pay to Government any expenditure that may have to be incurred for the work in excess of the rate accepted by him under the contract.

A. V. KESAVIENGAR,
District Forest Officer.

ENGINEERING DEPARTMENT

MYSORE DIVISION.

Notification dated 16th March 1936.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Mysore Division, up to 2 P.M., on the 6th April 1936, for constructing Senior Operators' Quarters, Line Men's Quarters and Latrines at Electric Colony at Mandya. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1936.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Mysore, between the hours of 11 A.M. and 5 P.M., on office days.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rupees 300 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for constructing Senior Operators' Quarters, Line Men's Quarters and Latrines at Electric Colony at Mandya," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Quotations must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than estimated rate will not be accepted.

N.B.—If the sale is not concluded on the day notified ; it will be continued and concluded on the next day.

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale but defaulters to the department will not be allowed to bid at the sales.

In the case of purchasers not exceeding Rs. 200 in value, this initial deposit of Rs. 200 need not be insisted upon, provided that the full purchase money is paid in cash on the spot.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. Subject to the minima prices fixed in each case by the Chief Conservator of Forests (which will not be divulged), the highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers. Should any lot be disputed, it shall again be put up and sold.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. All sales of which the amount exceeds Rs. 1,000 in each case are subject to the confirmation of the Chief Conservator, and in other cases to that of the District Forest Officer, subject to the following conditions :—

(1) That the rate realised in a sale does not fall short of the average of the three previous sales by more than 5 per cent or is more than that realised at the previous sales.

(2) That the power of confirming sales up to the limit of Rs. 1,000 shall be exercised only in the case of timber.

(3) That the confirmation of sales is ordered by the District Forest Officers only after the payment of the full purchase money.

5. After conclusion of the sale, each purchaser will be furnished with a memo showing the total value and the purchase made by him. Thereupon, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter on account of loss from resale shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Regulation. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In cases of resales for default of payment of value where no bidders are forthcoming, it will be open to the District Forest Officer to fix such price as may appear to him to be reasonable and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed

from the original sale amount. A registered notice should be issued to the defaulter intimating the price fixed by the District Forest Officer for the unsold wood and the amount still due from him which will be recovered as arrears of land revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of the successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within 30 days after the date of sale or within 15 days after the date of the notice of confirmation of the sale, whichever is later. In case of purchasers of above Rs. 1,000 in value, the purchaser shall be permitted to pay up the balance in instalments of not less than Rs. 1,000 provided the full value is paid not later than the 15th May 1936. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*. Interest at 6¼ per cent per annum will be levied on all arrears of amounts which are permitted to be paid after the due date.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, excluding the 10 per cent deposit paid for the lot at the time of the sale and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after the dates fixed in clause 7 *supra*. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, on the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

H. S. RANGACHAR,
District Forest Officer.

BHADRAVATI DIVISION.

Notification dated 23rd March 1936.

Notice is hereby given that sealed tenders will be received at the Office of the District Forest Officer, Bhadravati Division, up to 4 P.M. on Monday the 13th April 1936, for the purchase of the exclusive right of collecting Tangadi (Cassia Auriculata) and Kakke (Cassia Fistula) barks on all Government unoccupied lands and State Forests from the date of confirmation of the tender up to 30th June 1937, in the Channagiri Taluk. The original purchaser has failed to act according to the conditions of sale and hence the *bob* will be resold.

Remarks.—Includes produce on all Government unoccupied lands, Amrut Mahal Kavals, Plantations and State Forests and excludes the produce on Inam, Jodi, Khayamgutta, Sarvamanya, Kandayam and other lands which are in the occupancy of private individuals.

N.B.—Removal of Kakke barks in Plantations is prohibited. The Government will not make any extra demand for lands resigned from occupation and the lessee shall not be entitled to any rebate on account of lands taken up for cultivation during the currency of the lease.

2. Each unit must be tendered, separately and if more than one unit is tendered for in the same tender they must be specified separately.

3. Tenders of defaulters, on account of previous leases and those not in accordance with Rule (4) will be summarily rejected.

4. Each tender must be accompanied by (1) a certificate from the Amildar of the Taluk in which he resides in the form prescribed by Government in regard to his solvency and its extent, or an exchange certificate as provided for in clause 5 and (2) also a sum of Rs. 200 as earnest money which must be in the form of currency notes.

5. The cover containing the tender should be addressed to the District Forest Officer, Bhadravati Division and should be duly registered, insured and superscribed "Tender for the lease of Collecting Thangadi and Kakke Barks."

6. Name and address of the tenderer must be clearly given.

7. The tenders will be opened at 4 P.M., before such of the tenderers as may be present.

8. Acceptance of tender rests with the Chief Conservator of Forests in Mysore who may accept or reject any tender without assigning reasons.

9. The highest tenderer shall within three days of the notice of tender acceptance, credit into the Government Treasury one-quarter of the total sale amount including the deposit already made

together with local, railway and other cesses, if any, on the full lease amount at the rate prevailing in the district. In default, the deposit already made will be forfeited and the right resold. Such resale will be at the risk of the defaulting purchaser who will be liable to make good any loss that may result to Government by it, but will have no claim to any surplus accruing therefrom. Such losses shall be recoverable as an arrear of land revenue.

10. If the tender is not accepted by the authority concerned, all moneys paid will be refunded to the party.

For other details and conditions of the lease, please see detailed Notification No. E. 272-1077-34, dated 8th April 1935, published by the Chief Conservator of Forests in Mysore in the *Mysore Gazette*, dated 18th April 1935 (pages 873 to 875 of Part VI).

ENGINEERING DEPARTMENT

BANGALORE DIVISION.

Notification dated 28th March 1936.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Bangalore Division, up to 2 P.M. on 15th April 1936, for constructing a building for the Urdu Diara Primary Girls' School at Channapatna. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of August 1936.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Bangalore, between the hours of 11 A.M. and 5 P.M.

3. Tender should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed:—

4. Each tender must be accompanied by a deposit of rupees six hundred in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for constructing a building for the Urdu Diara Primary Girls' School at Channapatna" in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Quotations must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than estimated rate will not be accepted.

FUSIBLE CUT-OUTS FOR DODBALLAPUR TRANSMISSION LINE.

GENTLEMEN,

I write to request you to quote your best price and earliest time of delivery for the following materials :—

One Set of Three Single-Phase, out-door type, expulsion fusible cut-outs, 35,000 volts, 200 amperes.

The cut-outs must have an interrupting capacity of not less than 6,000 amperes (R.M.S.) at rated voltage.

The cut-outs should be capable of operation as isolating switches by means of hickory rods.

The tenderers must furnish full details and drawings regarding the design, construction and dimensions of the fusible cut-outs. Technical details such as dry and wet flash-over voltages of the insulators used for mounting the fusible cut-outs, their leakage distance, bending strength, guaranteed values for puncture under oil, dry and wet flash-over voltages and the rupturing capacity of the fuses must be furnished without which the tenders will not be considered.

The tenderers should also quote prices for spare mounting insulators and for fuse links of 10 and 20 amperes continuous current carrying capacities respectively.

The prices to be quoted should be for delivery, c.i.f., Madras.

This enquiry will close on 30th April 1936.

The quotations should be accompanied by detailed specification of the chlorinator with instruction books and drawings.

It should be distinctly understood that should your quotation be accepted, you will be required to make the supply within the stipulated time and in conformity to the specification furnished with your tender, failing which the order would be subject to cancellation. In such an event, the Stores Purchase Committee reserve the right to levy a penalty of 3 per cent of the value of the order as and by way of liquidated damages in addition to debiting you with any extra cost that may be incurred in having to obtain the materials from other sources.

The enquiry will be closed on 20th April 1936.

Specifications for a Chlorinator for Sivasamudram Water Works.

General arrangement of the existing water supply system at the place :—

Water is drawn from the canal and let into a coagulating tank with alum solution. The settled water is pumped by centrifugal pumps through pressure filters into a storage reservoir from which the distribution to different quarters is given.

The chlorinator should either be suitable to feed the chlorine solution into the pressure main against a head of about 150 ft. or by gravity into the sump well at the foot valve.

The chlorinator should be of bubbling type, the number of bubbles corresponding to certain parts of chlorine per million parts of water. These dosages have to be clearly given on the board in which the various valves such as reducing valves, regulating valve, filter, sulphuric acid container, etc., so that the Operator can easily adjust the dosage with reference to the table given.

The usual absorption tower (or solutioniser) should be included in the quotation.

Necessary flexible pipes, washers and joints with complete drawings and instruction books should also be sent.

All joints should be absolutely leak proof so that the gas may not escape in any of them.

The range of capacity should be from 0 to 1 part per million parts of water. The maximum capacity of water to be treated is about 200,000 gallons per day.

Abstract Notification, dated 4th April 1936.

It is hereby notified for general information that the auction sale of timber advertised to be held in Manchegowdanahalli Depot on the 23rd instant under Sale Notification, dated 26th March 1936 published on pages 458 and 459, Part VI of the *Mysore Gazette*, dated the 2nd instant is postponed to be held on 4th May 1936.

Notification dated 4th April 1936.

The undermentioned quantities of timber will be sold by the District Forest Officer, Mysore District, or any other Officer authorised by the District Forest Officer, at 2 P.M., on the dates noted against each Depot under the following conditions :—

Name of Depot	Date of sale	Teak	Honne	Mathi	Bite	Other kinds	Remarks
		C.ft.	C.ft.	C.ft.	C.ft.	C.ft.	
1. Manchegowdanahalli.	4th May 1936 ..	5,000	1,000	5,800	200	100	More or less
2. Antarasanthe ..	5th May 1936 ..	1,500	200	100	100	200	

N.B.—If the sale is not concluded on the day notified, it will be continued and concluded on the next day.

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale but defaulters to the department will not be allowed to bid at the sales.

In the case of purchasers not exceeding Rs. 200 in value, this initial deposit of Rs. 200 need not be insisted upon, provided that the full purchase money is paid in cash on the spot.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. Subject to the minima prices fixed in each case by the Chief Conservator of Forests (which will not be divulged), the highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers. Should any lot be disputed, it shall again be put up and sold.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. All sales of which the amount exceeds Rs. 1,000 in each case are subject to the confirmation of the Chief Conservator, and in other cases to that of the District Forest Officer, subject to the following conditions :—

(1) That the rate realised in a sale does not fall short of the average of the three previous sales by more than 5 per cent or is more than that realised at the previous sales.

(2) That the power of confirming sales up to the limit of Rs. 1,000 shall be exercised only in the case of timber.

(3) That the confirmation of sales is ordered by the District Forest Officers only after the payment of the full purchase money.

5. After conclusion of the sale, each purchaser will be furnished with a memo showing the total value and the purchase made by him. Thereupon, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter on account of loss from resale shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Regulation. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In cases of resales for default of payment of value where no bidders are forthcoming, it will be open to the District Forest Officer to fix such price as may appear to him to be reasonable and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed from the original sale amount. A registered notice should be issued to the defaulter intimating the price fixed by the District Forest Officer for the unsold wood and the amount still due from him which will be recovered as arrears of land revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of the successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within 30 days after the date of sale or within 15 days after the date of the notice of confirmation of the sale, whichever is later. In case of purchasers of above Rs. 1,000 in value, the purchaser shall be permitted to pay up the balance in instalments of not less than Rs. 1,000 provided the full value is paid not later than the 15th May 1936. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*. Interest at 6¼ per cent per annum will be levied on all arrears of amounts which are permitted to be paid after the due date.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, excluding the 10 per cent deposit paid for the lot at the time of the sale and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after the dates fixed in clause 7 *supra*. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, on the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

N.B.—The sale will be held from 8 A.M. to 12 Noon and 2 P.M. to 5 P.M. in the case of Tarikere Depot and from 2 P.M. in the case of the other Depot.

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale, but defaulters to the department will not be allowed to bid at the sales.

In the case of purchasers of timber not exceeding Rs. 200 in value, full value thereof will be accepted if tendered on the spot and the payment of deposit in such cases will not be insisted upon.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. All sales of which the amount exceeds Rs. 1,000 in each case is subject to the confirmation of the Conservator and in other cases to that of the District Forest Officer.

5. After conclusion of the sale, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter on account of loss from resale shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Regulation. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within 30 days after the date of sale or within 15 days after the date of notice of confirmation of the sale, whichever is later. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified.

Ordinarily, no extension of time will be given for the payment of any amount, but if any amount is permitted to be paid after the due date, interest will be charged thereon at 6¼ per cent per annum.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, excluding the 10 per cent deposit paid for the lot at the time of the sale; and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after the dates fixed in clause 7 *supra*. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, for the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

Notification dated 31*st March* 1936.

The undermentioned quantities of Timber will be sold by public auction under the following conditions at the following depot by the District Forest Officer, Kadur Division, at 2 P.M. on 28th April 1936.

Name of depot	Teak poles	Date and place of sale
	C.ft.	
Kadur, ...	500	Kadur 28th April 1936.

N.B.—More or less.

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale but defaulters to the department will not be allowed to bid at the sales.

In the case of purchasers of timber in small quantities, full value thereof will be accepted if tendered on the spot, and the payment of deposit in such cases will not be insisted upon.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. All sales of which the amount exceeds Rs. 500 in each case are subject to the confirmation of the Conservator, and in other cases to that of the District Forest Officer.

5. After conclusion of the sale, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter on account of loss from resale shall be recovered from him, as a revenue demand, under Section 79 of the Mysore Forest Regulation. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In cases of resales for default of payment of value, where no bidders are forthcoming, it will be open to the District Forest Officer to fix such price as may appear to him to be reasonable and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed from the original sale amount. A registered notice should be issued to the defaulter intimating the price fixed by the District Forest Officer for the unsold wood, and the amount still due from him which will be recovered as arrears of land revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of the successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within 30 days after the date of sale or within 15 days after the date of notice of confirmation of the sale, whichever is later. In case of purchases of above Rs. 1,000 in value, the purchaser shall be permitted to pay up the balance in instalments of not less than Rs. 1,000, provided the full value is paid not later than the 15th June 1936. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed, for default of payment of one-tenth value in clause 5 *supra*.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale excluding the 10 per cent deposit paid for the lot at the time of the sale; and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid. Interest at 9% per annum will be levied on all arrears of amounts permitted to be paid after the due dates.

10. Timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after the dates fixed in clause 7 *supra*. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, on the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser, so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

COLLEGE OF ENGINEERING, BANGALORE.

Notification dated 18th March 1936.

The following articles in the College of Engineering, Bangalore, will be sold by public auction on Saturday the 18th April 1936. The auction sale will commence at 8 A.M. and will be conducted in the College Workshop Premises.

The terms and condition of auction sale will be as follows :—

1. The articles will be knocked down to the highest bidder, and in the event of any dispute arising between two or more bidders at the same price, the articles shall be put up again and resold.
2. The sale amount should be paid immediately. In case it could not be paid immediately, a deposit of 25 per cent of the amount should be recovered from the successful bidder immediately the articles are knocked down in his favour and such deposits shall be treated as forfeited to Government in case of any default to pay the full purchase money within 24 hours of the sale.
3. Cash should be paid in full for articles purchased by bidders before delivery and the articles will not be allowed to be removed from the place of auction until after the close of the sale.
4. In case of default of payment of the whole or any portion of the purchase amount by the bidder, the articles will be resold and the bidder will be liable to any loss incurred thereby. The bidder will be also liable to make good to Government any loss incurred thereby without having the right to participate in any excess realised.
5. All articles purchased will be at the risk of the purchases thereof from the time of sale.
6. All articles should be accepted with faults and errors of all description as sold.
7. The successful bidder must remove articles within 24 hours after his bid has been accepted.
8. The officer conducting the sale may not accept the highest bid if the bid offered is not a reasonable value of the article.

MYSORE DISTRICT.

Notice No. K1. 489—35, dated the 6th April 1936.

Tenders are invited for the exclusive privilege of vending toddy in the undermentioned shops of the Mysore Taluk for 12 months from 1st July 1936 to 30th June 1937 and as well as for three years from the 1st July 1936.

A deposit of Rs. 100 as earnest money in cash should accompany the tender which should be sent in sealed cover superscribed "Tender for Toddy Shop". The tenders should be sent to the Deputy Commissioner, Mysore District, so as to reach him before 2 P.M. on Saturday the 25th April 1936, after which time no tenders will be accepted. In the event of the tender being rejected, the Deposit amount will be refunded.

Tenders will be opened by the Deputy Commissioner, Mysore District, at his office, at 3 P.M. on the said date, *viz.*, Saturday the 25th April 1936, in the presence of such of the tenderers as may be present. The final disposal of the tenders will rest with the Deputy Commissioner, who reserves to himself full discretion to reject any or all of them without assigning any reason therefor and to dispose of the shops otherwise at his discretion.

The tenders may be sent for an individual shop, group of shops or for all shops in the taluk together. If the same highest amount is tendered by two or more persons, the privilege in question may at the discretion of the Deputy Commissioner be put up for auction, restricting competition between those who have tendered such highest amount or it may be disposed of in any other manner as deemed suitable by him.

The privilege for which tenders are called for, will be subject to the conditions laid down by Government in their Notification No. Fl. 4771—Ex. 64-32-2, dated the 4th March 1933 and Excise Commissioner's Notification No. A1-848—35, dated the 5th March 1936.

The details of consumption may be had at the Taluk and Range Office, at Mysore.

PRESSURE FILTERS.

DEAR SIR—GENTLEMEN,

Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the form printed overleaf and specification given below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions :—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellations of the order and purchases being

made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotations for Pressure Filters," with the above enquiry number.

This enquiry will be closed on the 11th May 1936.

Schedule.

Item No.	Description of material offered	Quantity	Price quoted F. O. R.	Time of delivery
	Two Pressure Filters with a capacity of 4,500 gals. per hour against 200 ft. head (size about 90″ dia.) with complete fittings, such as various valves, air relief valves, with drain connections, etc., complete .. The Filtering media need not be supplied. (Detailed specifications of the filters are noted below).	Two	Mandya.	

Specifications for two Pressure filters for Mandya Water Works.

Each pressure filter should be capable of discharging 4,500 gallons per hour against 200 ft. head (probable size 90″ diameter). The pressure filter should consist of a steel shell made of best British manufactured steel plates or suitable thickness. The end plates should be slightly thicker than the body plates, these being in turn flanged and dished in one piece each hydraulically double rivetted to stand a working pressure of 200 feet head. The shell should rest on proper bases of suitable material and should be equipped with a manhole and cover making a perfect joint. The shell should be provided with a hand hole and a suitable cover about 6″ diameter at a convenient place to draw out the sand and gravel in case of necessity. There must be a small hole and plug on the top plate to gauge the depth of sand now and then.

The inside of the shell should be painted with an approved anti-corrosive paint and outside with a coat of white lead.

The internal piping should be of heavy gauge and should be much thicker than the normal ones. Suitable tees and elbows and branch laterals, etc., should also be provided for. These should be securely packed separately to facilitate easy handling.

Suitable straines with ample facilities for cleaning ,etc., should be provided for in the shell. The strainers should be capable of being easily dismantled and refitted. They should be so designed as to give a perfectly downward flow of wash water and to completely exclude sand from the under-drain system.

The filter should be equipped with all heavy close grained flanged external C.I. piping and should be provided with suitable valves with chromium plated hand wheels with direction indicators. It should also be equipped with a self regulating coagulant feed apparatus with the arrangement for shutting off whenever necessary. Air relief valve with drainage arrangement should also be provided for, for each filter.

Suitable wash indicators and pressure gauges and sight glass should also be included. The gauge with its connections should all be chromium plated and provision should be made for drawing out samples of filtered and unfiltered water.

The filter should be of sectional wash high velocity type or any other type equal to it in effect. It may be noted that raw water from the Irwin Canal will be pumped by centrifugal pump directly through the pressure filters into the elevated tank 3,000 feet away.

All the parts necessary to form the complete equipment with joints, bolts, nuts, washers, etc., should be sent well packed with two sets of complete working drawings.

(5) Should any lot be disputed, the same will again be put up and resold immediately.
(6) Immediately after the sale, each purchaser will be furnished with a memo showing the lots bought by him, their weight and the total amount due by him, with a chellan in duplicate to pay immediately into the State Huzur Treasury 25 per cent of the purchase money. The duplicate chellan will, after payment, be returned to the party by the Treasury Officer with a certificate of the payment into the Treasury of such amount.
(7) The deposit money of the unsuccessful bidders shall be returned immediately the sale is over.
(8) Within three days of the date of sale, the balance of the purchase money should be paid into the treasury and with the treasury certificate, the articles bought shall be claimed.

(9) In the case of default of payment of either the one-fourth of the money on the date of sale, or the balance within 3rd day of sale, as stated above, the money or moneys already paid will be liable to be forfeited to Government by the District Forest Officer and the tusks resold at the discretion of the Chief Conservator of Forests.

(10) While the purchaser has no right to any profit accruing from such resale, he shall be liable to be proceeded against for loss, if any, by such resale and such loss shall be recoverable as an arrear of Land Revenue under Section 79 of the Forest Regulation.

(11) The lots fully paid for shall be taken delivery of by the purchasers within three days of the payment of the full purchase money or within six days of the date of sale.

(12) The lots shall be weighed out to the purchasers and any excess or deficiency observed shall be paid for, or recovered from or made good to the purchasers as the case may be.

(13) After the close of the transaction, the initial deposit of the successful bidders will be returned.

N.B.—The quantity noted is approximate.

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale. But defaulters to the Department will not be allowed to bid at the sales.

In the case of purchasers of timber not exceeding Rs. 200 in value, this deposit will not be insisted upon, provided that the full purchase money is paid in cash on the spot.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. The sale is subject to the confirmation of the Conservator of Forests if the amount exceeds Rs. 1,000.

5. After conclusion of the sale, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter, on account of loss from resale, shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Regulation. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In cases of resales for default of payment of value where no bidders are forthcoming, it will be open to the District Forest Officer to fix such price, as may appear to him to be reasonable, and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed from the original sale amount. A registered notice should be issued to the defaulter, intimating the price fixed by the District Forest Officer for the unsold wood and the amount still due from him which will be recovered as arrears of land revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within thirty days after the date of sale or within fifteen days after the date of the notice of confirmation of the sale, whichever is later. In case of purchases above Rs. 1,000 in value, the purchaser shall be permitted to pay up the balance in instalments of not less than Rs. 1,000 provided the full value is paid not later than the 15th May 1936. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, including the 10 per cent deposit paid for the lot at the time of the sale, and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after 30th June 1936. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, for the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

13. Interest will be charged on all belated payments at 6¼ per cent per annum from the date of their falling due up to the date of payment.

MOHAMED AHMED,
District Forest Officer.

BHADRAVATI FOREST DIVISION.

Notification dated the ....April 1936.

Notice is hereby given that sealed tenders will be received at the Office of the District Forest Officer, Bhadravati Division, Bhadravati up to 4 P M., on 27th April 1936, for the weighment of rough and prepared sandalwood in Tarikere Koti in connection with the annual stock-taking.

N. B.—The work will include the carrying of wood from the existing lots to the scales, weighing the same and restacking it into lots at the places and in the manner to be shown by the Koti Officer.

1. The contract will last up to the 30th June 1936.

2. The quantity of wood to be weighed out and relotted in the Koti will be 1,100 (one thousand one hundred) tons, more or less.

3. The tenderer must specify the rates per ton of wood ; and the tender must be accompanied by a deposit of Rs. 25 (rupees twenty-five only) in Currency Notes as earnest money, without which the tender will be rejected. Covers containing the tender should be addressed to the District Forest Officer, Bhadravati Division, Bhadravati, duly registered, insured and superscribed "Tender for the weighment of rough and prepared sandalwood in Tarikere Koti in connection with the annual stock-taking." The tender will be opened by the District Forest Officer at 4 P.M. on 27th April 1936 in the presence of such of the tenderers as may be present.

4. The final acceptance of any tender will rest with the Conservator of Forests who does not bind himself to accept the lowest or any tender, and to assign any reason whatsoever for rejecting the same.

5. The acceptance of any tender will be duly communicated to the successful tenderer ; and the earnest money of other tenderers will be returned to them.

6. The successful tenderer shall within a week of the receipt of orders, deposit in the Government Savings Bank a sum of Rs. 50 including the initial deposit of Rs. 25 referred to above as security for the due fulfilment of the terms of the contract and execute a bond on a duly stamped paper embodying the terms enumerated hereunder failing which, the initial deposit will be forfeited to Government and other arrangements made for the work.

Conditions.

(*a*) Wood for weighment should be taken lot by lot in the order shown by the Koti Officer. Until each is fully weighed out and restacked, the next lot should not be meddled with or disturbed.

(*b*) Within two days of intimation to be given to him by the Officer in charge of the Koti, the contractor will arrange for sufficient labour to weigh out wood in two scales at the rate of at least 30 tons per day. The wood weighed out on each day should be simultaneously restacked at the place to be shown by the Officer in charge of the Koti, the dimensions of each stack being regulated by the instructions of the above Officer. The weighment will be continued from day-to-day until it is put off by the officer in charge of the Koti. The contractor will be bound to resume the work again within two days of intimation to be given to him to do so.

(*c*) The place at which weighment is made must be kept clean by the coolies of the contractor. The coolies will submit to the disciplinary measures that may have to be adopted for the peaceful conduct of weighment and stacking. Any cooly found disobeying the instructions of the Officer in charge of the Koti may be turned out of the Koti by the Koti Forester.

(*d*) For the violation of any of the aforesaid conditions, the whole or any portion of the security deposit will be liable to forfeiture to Government at the discretion of the District Forest Officer. If the contractor fails to start or resume work, as indicated above, and to show satisfactory progress on each day, the District Forest Officer will be at liberty to cancel the contract, forfeit the security and make other arrangements for the work, the contractor being liable to pay to Government any expenditure that may have to be incurred for the work in excess of the rate accepted by him under the contract.

The last date of receipt of tender is 20th April 1936.

Abstract Notification dated 5th April 1936.

The attention of the public is invited to the detailed notification, calling for tenders for construction of a Causeway across Mugur Addahalla on T.-Narsipur-Chamarajanagar Road, in pages 499 to 500, Part VI of the *Mysore Gazette*, dated 9th April 1936.

The last date of receipt of tender is 27th April 1936.

V. V. PATANKAR,
Executive Engineer.

OFFICE OF THE ASSISTANT ENGINEER, HEADQUARTER RANGE, MYSORE.

Notification dated 13th April 1936.

1. Sealed tenders will be received at the Office of the Assistant Engineer, Headquarter Range, Mysore, up to 12 Noon on 28th April 1936, for constructing New Railway Offices, Mysore.

2. Tenders in the prescribed form obtainable from the office of the Assistant Engineer, Headquarter Range, Mysore, on payment of Rs.....for each form should be addressed to the Assistant Engineer, Headquarter Range, and should be superscribed as "Tender for Constructing New Railway Offices, Mysore." The name of the Tenderer should also be superscribed on the sealed Cover.

3. Each tender must be accompanied by a deposit of Rs. 5,000 in words (rupees five thousand only) in cash or Government Promisory Notes or Mysore Government Bonds at face value or market value, whichever is less, as earnest money. The earnest money of the successful tenderer will be retained as security deposit for due fulfilment of the contract. (Cash amount will not carry any interest).

4. The tenders will be opened in the presence of such tenderers who wish to be present on 28th April 1936 at 3 P.M. The final acceptance of the tender will rest with the Chief Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reasons whatever, for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Assistant Engineer's Office, in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute the Agreement in the departmental schedule contract form for the due fulfilment of the contract.

6. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

7. Copies of contract documents, estimates and drawings may be seen at any time at the Office of the Assistant Engineer, Headquarter Range, Mysore, on all working days between 11 A.M. and 5 P.M.

8. Specific rate should be given for each item in the schedule and the rate should be in rupees, annas and in multiples of three pies and expressed in words and figures. Tenderers offering a percentage reduction on the estimate amount will be rejected.

9. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates tendered should include all such lumpsum items.

10. No alterations which are made by the tenderers in the Contract documents in the nomenclature of the sanctioned sub-heads will be recognised and if corrections are made, the tenders will be liable to rejection.

11. There should be no corrections or erasers in the tenders in the rates of items and any corrections made in the rates should be attested to and the number of corrections, if any, in each page noted at the foot of the same by the Tenderer.

12. No reference should be made to the Public Works Department current schedule of rates.

13. On the event of the tender being submitted by a Firm, it must be signed separately and severally by each member thereof, or in the event of absence of any partner, it must be signed on his behalf by a person holding power of attorney, authorising him to do so.

14. When once the rates tendered have been accepted they will not be revised under any circumstances. In regard to items of work not tendered, the rates to be proposed by the Assistant Engineer, Headquarter Range, Mysore, and approved by the Superintending Engineer, shall be final and legally binding on the tenderer.

15. The quantities given in the schedule are only approximate and are liable to alterations, omissions, deductions, or additions, at the discretion of the Assistant Engineer, or his representative. The tendered rates will hold good for any quantity, whether higher or lower than those given in the enclosed schedule.

16. The work should be completed and handed over to the Public Works Department by the end of the month to be fixed by the Assistant Engineer, failing which the Assistant Engineer, may at his discretion levy a penalty of Rs. 50 per day, which will be recovered from the Contractor's outstandings for the period exceeded by him till the work is completed and handed over.

17. In all matters of dispute of any kind, not specially provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Chief or the Superintending Engineer, shall be final and legally binding.

18. The earnest money of rejected tenders will be returned on submission of the receipts originally granted, along with an application, to the Assistant Engineer, Headquarter Range, Mysore.

19. No claims for damages, for delays caused by Officers of the department in the execution of the work will be considered, whatever may be the reason for such delays. Contractors should bear this in mind when tendering for work. Extension of time due to delays caused by the departmental officers will however be considered on the merits of each case.

20. The Contract should not be sub-let.

21. All materials, Tools and Plant and Machinery that will be supplied by the Assistant Engineer, in the interest of the work shall be accepted by the tenderer at the rates fixed by the Assistant

Engineer, and the Tenderers will pay the hire, etc., on Machinery at the prescribed per cent per annum of the booked value of the Tools and Plant supplied from the date of taking over of Tools and Plant from the Stores to the date of return to the Stores. The dates considered being, the dates of acknowledgments of the vouchers in each transaction.

22. The Contractors should arrange for the payment of Royalty and Tolls.

Note (*A*).—The Contractor should at his own cost—

(1) Provide rods, stakes, ropes and labours required in setting out the works.

(2) Provide all necessary scaffolding, centering labour and appliance for hoisting.

(3) Provide mortar mill and shed to keep materials under cover and also for workmen.

(4) Arrange for protecting work during inclement weather.

(5) Supply requisite temporary lights, water cisterns, water-shoots, coverings to masonry tile pieces to steps, sieves, parahs, or measures shoring and other requisite protection during the progress of the work.

(6) Supply all water required for work and workmen and shall provide latrines, drainages, etc.

(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.

(8) Provide arrangements for pumping and bailing from excavations and foundations, wherever and whenever necessary with his own pumping apparatus, including necessary leading drains, slump pits, etc.

(9) Wash floors at completion and leave the whole of the work and premises in a clean and orderly condition, etc.

(10) Afford facilities to any other parties employed upon the work, so that their work may proceed during the progress of the contract and give such persons the use of ordinary scaffolding and ladders.

Note (*B*).—It is the business of the Contractor to make his own arrangements for the quarries and supplies of materials.

23. The rates for wood work for all works quoted, should be based on the rates of the Departmental supply as noted below.

24. Work to the extent of Rs. 25,000 will have to be carried out before the end of June 1936.

PRESSED STEEL TANK AND STAGING FOR MANDYA WATER WORKS.

GENTLEMEN,

Please intimate your best price and earliest time of delivery f.o.r., Mandya, for a pressed steel tank and staging of the description given in the below specification.

Detailed specification of the tank and staging with a sketch or a blue print of the same showing the materials used should be furnished along with your quotation.

It should be distinctly understood that if your quotation be accepted, you will be required to make the supply within the stipulated time and to the specification furnished with the tender failing which the order would be subject to cancellation. In such an event, the Stores Purchase Committee reserve the right to levy a penalty of three percent of the value of the order as and by way of liquidated damages in addition to debiting you with any extra cost that may be incurred in having to obtain the materials from other sources.

The enquiry will be closed on 25th April 1936.

Specification for the Elevated Tank required for Mandya Water Works. Pressed Steel Tank.

The tank should consist of pressed steel plates either of 4′ or 5′ square, the size of the tank being either 32′×24′×8′ (38,400 gals.) or 25′×25′×10′ (38,750 gals.), the thickness of all the bottom plates and the lower half of the side plates being ¼″ and the upper half being 3/16″. The tank should be provided with ⅛″ thick mild steel plate covering supported on angle iron rafters with necessary slopes for draining out all water and manhole cover 21″ diameter with necessary locking arrangements should also be provided for. The tank should have suitable stays inside. A steel ladder to get into the tank from the manhole should be included with necessary fixtures. Suitable ventilators should also be provided for on the top cover.

A suitable level indicator with necessary pulleys floats and pointer, etc., complete should be provided with necessary gauge board.

Sufficient quantity of proper jointing material, bolts and nuts with washers, etc., complete, should be sent to enable the erection of the same at sight.

The steel staging 30′ high to support the above tank should consist of angle iron or channel iron stanchions with angle iron bracings of suitable dimensions and the stanchions should be provided with proper base plates, foundation bolts, etc. The angle iron bracings should preferably be fixed with gusset plates to the stanchions.

Proper section of main beams either channel section or I section with joists on top for supporting the tank should also be included.

The staging parts should be erected at the works and each part accurately numbered so that they could be assembled at site easily. All the bolt holes should be accurately done.

A suitable ladder from the ground to the top of the tank should be included to facilitate climbing up the tank and all the necessary struts and fixtures should be completely given.

Two sets of correct working drawings with complete dimensions of all the parts should be sent to facilitate erection.

The tank and the staging should be painted with a coat of red-oxide paint before despatch.

	Yettiga ..	1,000 „	
	Other kinds ..	1,500 „	
	Total ..	9,000 „	

N.B.—The quantity noted is approximate.

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale. But defaulters to the Department will not be allowed to bid at the sales.

In the case of purchasers of timber not exceeding Rs. 200 in value, this deposit will not be insisted upon, provided that the full purchase money is paid in cash on the spot.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the Principal.

3. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. The sale is subject to the confirmation of the Conservator of Forests if the amount exceeds Rs. 1,000.

5. After conclusion of the sale, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter, on account of loss from resale, shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Regulation. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In cases of resales for default of payment of value where no bidders are forthcoming, it will be open to the District Forest Officer to fix such price, as may appear to him to be reasonable, and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed from the original sale amount. A registered notice should be issued to the defaulter, intimating the price fixed by the District Forest Officer for the unsold wood and the amount still due from him which will be recovered as arrears of land revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within thirty days after the date of sale or within fifteen days after the date of the notice of confirmation of the sale, whichever is later. In case of purchases above Rs. 1,000 in value, the purchaser shall be permitted to pay up the balance in instalments of not less than Rs. 1,000 provided the full value is paid not later than 15th May 1936. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, including the 10 per cent deposit paid for the lot at the time of the sale, and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after 30th June 1936. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, for the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

13. Interest will be charged on all belated payments at 6¼ per cent per annum from the date of their falling due up to the date of payment.

Abstract Notification dated 11th April 1936.

The attention of the public is invited to the detailed Notification, published on page 521 of the *Mysore Gazette*, dated 16th April 1936, calling for tenders for the weighment of rough and prepared sandalwood in Tarikere Koti in connection with annual stock-taking.

M. G. VENKATA RAO,
District Forest Officer.

SAGAR FOREST DIVISION.

Abstract Notification, dated 9th April 1936.

The attention of the public is invited to the detailed Notification of date relating to the auction sale of timber in the undermentioned depots of the Division on the dates noted against each published on pages 522 and 523, Part VI of the *Mysore Gazette*, dated 16th April 1936 :—

1.	Sagar	.. 2nd May 1936.
2.	Shikaripur	.. 7th May 1936.
3.	Shiralkoppa	.. 9th May 1936.

Notification dated the 19th April 1936.

Notice is hereby given that sealed tenders will be received at the Office of the District Forest Officer, Bhadravati Division, Bhadravati, up to 4 P M., on 4th May 1936, for the weighment of rough and prepared sandalwood in Sagar Koti in connection with the annual stock-taking.

N. B.—The work will include the carrying of wood from the existing lots to the scales, weighing the same and restacking it into lots at the places and in the manner to be shown by the Koti Officer.

1. The contract will last up to the 30th June 1936.

2. The quantity of wood to be weighed out and relotted in the Koti will be 400 (four hundred) tons, more or less.

3. The tenderer must specify the rates per ton of wood ; and the tender must be accompanied by a deposit of Rs. 25 (rupees twenty-five only) in Currency Notes as earnest money, without which the tender will be rejected. Covers containing the tender should be addressed to the District Forest Officer, Sagar Division, Sagar, duly registered, insured and superscribed "Tender for the weighment of rough and prepared sandalwood in Sagar Koti in connection with the annual stock-taking." The tender will be opened by the District Forest Officer at 4 P.M. on 4th May 1936 in the presence of such of the tenderers as may be present.

4. The final acceptance of any tender will rest with the Conservator of Forests who does not bind himself to accept the lowest or any tender, and to assign any reason whatsoever for rejecting the same.

5. The acceptance of any tender will be duly communicated to the successful tenderer ; and the earnest money of other tenderers will be returned to them.

6. The successful tenderer shall within a week of the receipt of orders, deposit in the Government Savings Bank a sum of Rs. 50 including the initial deposit of Rs. 25 referred to above as security for the due fulfilment of the terms of the contract and execute a bond on a duly stamped paper embodying the terms enumerated hereunder, failing which, the initial deposit will be forfeited to Government and other arrangements made for the work.

Conditions.

(*a*) Wood for weighment should be taken lot by lot in the order shown by the Koti Officer. Until each is fully weighed out and restacked, the next lot should not be meddled with or disturbed.

(*b*) Within two days of intimation to be given to him by the Officer in charge of the Koti, the contractor will arrange for sufficient labour to weigh out wood in two scales at the rate of at least 30 tons per day. The wood weighed out on each day should be simultaneously restacked at the place to be shown by the Officer in charge of the Koti, the dimensions of each stack being regulated by the instructions of the above Officer. The weighment will be continued from day-to-day until it is put off by the Officer in charge of the Koti. The contractor will be bound to resume the work again within two days of intimation to be given to him to do so.

(*c*) The place at which weighment is made must be kept clean by the coolies of the contractor. The coolies will submit to the disciplinary measures that may have to be adopted for the peaceful conduct of weighment and stacking. Any cooly found disobeying the instructions of the Officer in charge of the Koti may be turned out of the Koti by the Koti Forester.

(*d*) For the violation of any of the aforesaid conditions, the whole or any portion of the security deposit will be liable to forfeiture to Government at the discretion of the District Forest Officer. If the contractor fails to start or resume work, as indicated above, and to show satisfactory progress on each day, the District Forest Officer will be at liberty to cancel the contract, forfeit the security and make other arrangements for the work, the contractor being liable to pay to Government any expenditure that may have to be incurred for the work in excess of the rate accepted by him under the contract.

M. A. SRINIVASACHARI,
Executive Engineer.

KOLAR DIVISION.

REVISED TENDER NOTICE FORMS.

Notification dated 9th April 1936.

Sealed tenders will be received at the Office of the Executive Engineer, Kolar Division, up to 11 A.M. on 9th May 1936.

2. Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Kolar Division, on payment of Rupee one for each form should be addressed to the Executive Engineer, Kolar Division, and should be superscribed as "Tender for Restoring Breached Naravalapalli Dadinavaddu, Register No. 783, Bagepalli Taluk". The name of the tenderer should also be superscribed on the sealed cover.

3. Each tender must be accompanied by a deposit of Rs. 300 (Rupees three hundred) in cash or Government Promissory Notes of Mysore Government bonds at face value or market value whichever is less as earnest money. The earnest money of the successful tenderer will be retained as security deposit for due fulfilment of the contract (cash amount will not carry any interest).

4. The tenders will be opened in the presence of such tenderers, who wish to be present on 9th May 1936. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental schedule contract form for the due fulfilment of the contract.

6. Failure to comply with the condition 5 above, or to agree to carry out the works in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

7. Copies of contract documents, estimates and drawings may be seen at any time at the Executive Engineer's Office, Kolar, on all working days between 11 A.M. and 5 P.M.

8. Specific rates should be given for each item in the schedule and the rates should be in rupees, annas, and in multiples of three pies and expressed in words and figures.

9. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates tendered should include all such lumpsum items.

10. No alterations which are made by the tenderers in the contract documents in the nomenclature of the sanctioned sub-heads will be recognised and if corrections are made, the tenders will be liable to rejection.

11. There should be no corrections or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

12. No reference should be made to the Public Works Department current schedule of rates.

13. On the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof or in the event of absence of any partner, it must be signed on his behalf by a person holding power of attorney authorising him to do so.

14. When once the rates tendered have been accepted they will not be revised under any circumstances. In regard to items of work not tendered, the rates to be proposed by the Executive Engineer and approved by the Superintending Engineer shall be final and legally binding on the tenderer.

15. The quantities given in the schedule are only approximate and are liable to alterations, omissions, deductions, or additions at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity whether higher or lower than those given in the enclosed schedule.

16. The works should be completed and handed over to the Public Works Department by the end of the month to be fixed by the Executive Engineer, failing which the Executive Engineer may at his discretion levy a penalty of Rs..... per day which will be recoverd from the Contractor's outstandings for the period exceeded by him till the work is completed and handed over.

17. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Chief or the Superintending Engineer shall be final and legally binding.

18. The earnest money on rejected tenders will be returned on submission of the receipt originally granted along with an application to the Executive Engineer.

19. No claim for damages for delays caused by Officers of the Department in the execution of work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the Departmental Officers will however be considered on the merits of each case.

20. The contract should not be sub-let.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer and the tenderers will pay the hire, etc., on machinery at 18 to 25 per cent per annum of the booked value of the tools and plant supplied from the date of taking over of tools and plant from the stores to the date of return to the stores, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. The contractor should arrange for the payment of royalty and tools.

Note.—(*a*) The Contractor should at his own cost:

(1) provide rods, stakes, ropes and labourers required in setting out the works,
(2) provide all necessary scaffolding, centering, labour and appliance for hoisting,
(3) provide mortar mill and shed to keep materials under cover and also for workmen,
(4) arrange for protecting work during inclement weather,
(5) supply requisite temporary lights, water cisterns, water shoots, coverings to masonry tile pieces to steps, sieves parsha or measures, shoring and other requisite protection during the progress of the work,
(6) supply all water required for work and workmen and shall provide latrines, drainages, etc.,
(7) clean away all dirt, rubbish, superfluous materials and debris as they accumulate,
(8) provide arrangements for pumping and baling from excavations and foundations wherever and whenever necessary with his own pumping apparatus including necessary leading drains, slump pits, etc.,
(9) wash floors at completion and leave the whole of the work and premises in a clean and orderly condition, and
(10) afford facilities to any other parties employed upon the work, so that their work may proceed during the progress of the contract and give such persons the use of ordinary scaffolding and ladders.

Note (*b*).—It is the business of the Contractor to make his own arrangements for quarries and supplies of materials.

MYSORE DIVISION.

Abstract Notification dated 5th April 1936.

The attention of the public is invited to the detailed notification, calling for tenders for construction of a Causeway across Mugur Addahalla on T. Narsipur-Chamarajanagar Road, in pages 485 to 500, Part VI of the *Mysore Gazette*, dated 9th April 1936.

The last date of receipt of tender is 27th April 1936.

V. V. PATANKAR,
Executive Engineer.

MISCELLANEOUS DEPARTMENTS.

OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION IN MYSORE, BANGALORE.

Notification No. 98 *of* 1935-36, *dated* 14*th April* 1936.

It is proposed to sell away the present Government Middle School Building at Chikballapur with its site situated in a prominent part of the Town by the side of Bangalore-Bellary Road.

The building and the compound comprise an area of 8,708 square yards. The existing school building is a pucca Mangalore-tiled structure with a floor area of 3,987 square feet. The building and the grounds are bounded on the east by Bangalore-Bellary Road, on the south by Bazaar Street and on west and north by Cross Roads.

The building and the grounds may be inspected at Chickballapur, after giving previous intimation to the Head Master of the Middle School.

Notice is hereby given for general information that sealed tenders will be received at the Office of the Director of Public Instruction in Mysore, Bangalore, up to 12 noon on 11th May 1936, from the intending purchasers, subject to the following conditions :—

1. Each tender should be submitted on a printed form which may be obtained from the Office of the Director of Public Instruction in Mysore, Bangalore.

2. Each tender must be accompanied by a deposit of Rs. 5,000 as earnest money in cash or Government Promissory Notes, and superscribed as "Tender for the purchase of the Government Middle School Building and Premises at Chikballapur", in default of which tenders will be rejected.

3. No offer below Rs. 26,000 (Rupees Twenty-six thousand) will be accepted.

4. The final acceptance of any tender will rest entirely with the Director of Public Instruction in Mysore, Bangalore, who does not bind himself to assign any reason whatever for the rejection of any tender, or necessarily to accept the highest tender.

5. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board of the Director of Public Instruction in Mysore, Bangalore, on the 13th May 1936, at 4 P.M., and on the Notice Boards of the Office of the Assistant Commissioner, Chickballapur, and the Middle School, Chickballapur, on the 14th or the 15th May 1936. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

6. The accepted purchaser should be prepared to pay up the sale amount in full, deducting the earnest money, within 15 days of the acceptance of the tender, *i.e.*, on or before the 27th May 1936, in default of which his tender will be considered as cancelled, his earnest money forfeited, and the building and grounds resold at his risk.

7. On the acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

8. The entire cost of Stamp fees and Registration charges of the Sale-deed should be borne by the purchaser.

N. S. SUBBA RAO,
Director of Public Instruction.

GOVERNMENT OF MYSORE, ELECTRICAL DEPARTMENT.

Notification No. dated 7th April 1936.

Notice is hereby given that quotations will be received from piece-work contractors at the Office of the Executive Engineer, Sivasamudram, up to 2 P.M. on Saturday the 12th May 1936, for the different items of works connected with the IX-Installation works at Sivasamudram. An approximate estimate of quantities is given below; these quantities are not guaranteed. The rate of progress of the work will be fixed by the Executive Engineer from time to time. If the progress or quality of work is not to the satisfaction of the Executive Engineer, the piece-worker's contract will be cancelled by the Executive Engineer without any notice, after levying such penalty as may be fixed at the time of drawing up the agreement.

2. The plans, detailed estimates and conditions may be seen at the Office of the Executive Engineer, Sivasamudram, during the working hours on any working day.

3. Quotations may be submitted on printed forms which may be obtained from the Executive Engineer. Quotations may be submitted for each item of work separately, as the work is proposed to be executed by piece-work agency through several piece-work contractors.

4. The final acceptance of the quotation of any piece-work will rest with the Executive Engineer, who is not bound to accept the lowest or any quotation or to assign any reason whatever for the rejection of any tender. The Executive Engineer may accept or reject part or whole of any one quotation.

5. Immediately on acceptance of any quotation or part thereof, the piece-work contractor will be bound to deposit as earnest money five per cent of the value of the work entrusted to him. The earnest money will be refunded only after settlement of the final claims of the contractor. Notice is hereby given that sealed tenders will be received up to 11 A.M., on Wednesday the 10th June 1936 by the undersigned in the Mysore Government Vaccine Institute, Lal-Bagh Road, Bangalore City, for the supply of 'calves' to and purchase of 'Done Calves' from the Vaccine Institute for one year from the 1st of July 1936 to 30th June 1937 (both days inclusive).

2. Tenders must be superscribed "tenders for the supply of 'calves' to and purchase of 'done calves' from the Mysore Government Vaccine Institute, Bangalore City, for the year 1936-37."

3. No tenders will be received unless accompanied by a receipt for Rs. 350 deposited in the State Huzur Treasury at Bangalore as earnest money for tenders to the credit of the Superintendent, Mysore Government Vaccine Institute, Bangalore City. Such receipts should not be enclosed in the sealed cover containing the tenders but should be delivered separately along with the cover. No cash payment will be accepted.

4. The undersigned does not bind himself to accept the lowest or any tenders and reserves to himself the right of rejecting any tender or of accepting any tender for any period less than half a year as notified above without assigning any reason for so doing.

5. The undersigned also further reserves to himself the right of accepting the tender for the supply of calves or purchase of done calves or both.

6. Intimation of the acceptance of the tender will be given to the successful tenderer in writing.

7. Within three days after the receipt of such acceptance, the successful tenderer will be required to execute the contract bond on the usual Government paper in the form annexed hereto, in default of which his tender will be considered cancelled and his deposit money will be confiscated to Government. His supply should commence from 1st July 1936 or within seven days from the date of order whichever is the later date.

8. On acceptance of one of the tenders, arrangements will be made to refund the deposit of unsuccessful tenderers on a date to be notified to them in writing. No further enquires regarding acceptance or rejection of tenders will be attended to. The deposit of the successful tenderer will be retained as security deposit for the due fulfilment of the terms of his contract.

9. No advance of cash will be made to the contractor. Payments to the contractor for calves supplied will be arranged for, by the undersigned as soon as possible after the contractor submits his bill for the same with the necessary vouchers attached thereto. In payments the contractor must accept the following rules of Government :—

(1) In payments to be made to contractors, fractions of a rupee in the totals of bills amounting to Rs. 25 or more may be rounded to the nearest rupee, *i.e.*, fractions of less than half a rupee may be disregarded and half a rupee and over taken as a rupee.

(2) The totals of bills for less than Rs. 25 may be rounded to the nearest anna, fractions below half an anna being omitted and half an anna and over being reckoned as one anna.

10. Tenderers must specify the rates at which they will supply each calf at the premises of the Vaccine Institute, Lal-Bagh Road, Bangalore City, and also the rate at which they will purchase the "Done calves" when sold to them at the premises of the Vaccine Institute, Lal-Bagh Road, Bangalore City. Rates quoted should be in figures as well as in words.

11. The number of calves required will be about 60 a month. Of these about ten per cent are likely to be buffalo calves and the rest cow calves but the number of either is not guaranteed.

12. Calves as per specification given overleaf should be supplied within seven days from the date of order in such numbers as the undersigned may require.

13. The undersigned reserves to himself the right to apply tests, such as, shaving a portion of the calves' bdomen, keeping for a few days not exceeding a week under observation prior to final acceptance to see that calves supplied are of the quality specified is clause 17 and also to reject any calf at any time within a week of provisional acceptance without assigning any reasons for the same. Such calves shall be removed by the contractor or his authorised agent immediately on receipt of notice to do the same either verbal or written by the undersigned to such contractor or agent and shall replace them within one week by an equal number of other calves that are acceptable to the undersigned as confirming to the specifications noted below.

14. The contractor or the agent should present himself before the undersigned for receipt of such notice on the seventh day after the date of provisional acceptance of calves. If he fails to do so, he will be liable to take back the rejected calves and comply with the provision of clause 13 irrespective of the time interval specified therein.

15. A fine not exceeding Rs. 50 will be levied at the discretion of the undersigned for every infringement of the stipulations of the contract for attempt to cheat the undersigned by offering

previously vaccinated calves or rejected calves, etc., and if the stipulations of the contract be frequently violated the contract will be annulled and the security confiscated to Government at the discretion of the undersigned.

16. If owing to the delay in supply the undersigned is forced to purchase calves elsewhere, it will be done at the risk of the contractor and any extra cost so incurred will be recovered from him independently of any fine that may be levied on him under clause 15.

17. Calves should be of the description given below :—

(*g*) Weight—About 120 lbs
(*h*) Horns—If any should not have grown longer than ¼ inch.

*Not pigmented.

18. 'Done calves' should be removed from the premises of the Institute as frequently and in such numbers as may be offered to the contractor paying cash for the same before removal. A fine not exceeding annas 4 per calf per day may be levied at the discretion of the undersigned for any delay in removal of such calves on his part of the contractor after such offer.

19. The contractor should arrange for removal of sick calves from the premises within 24 hours of receipt of notice from the undersigned for such removal verbal or written by himself or his agent. If such calves do not happen to come under clause 13 or 14, they shall be treated as "Done calves" sold to him. If the contractor fails to comply such calf will be liable to be stabled in the premises at his cost and risk from such date in addition to action being taken on him as per clause 15.

20. The infringement of contract *re* supply of calves to or purchase of 'Done calves' from the Vaccine Institute will render his contract for both the supply of calves and purchase of 'Done calves' to be cancelled and his security confiscated to Government.

21. The contract should not be sublet.

22. The decision of the undersigned will be final in all questions of acceptance of calves, sale of 'Done calves' and infringement of the stipulations of the contract generally.

23. Any further information may be had from the undersigned between 8 and 10 A.M. daily in his office.

All articles of supply must be ready for inspection by the undersigned at 5 P.M. and such of them as are considered by the undersigned to be not in accordance with the samples shown must be removed immediately from the premises and fresh articles in accordance with the samples must be supplied within twenty-four hours.

13. The decision of the undersigned in all questions of acceptance, or rejection of articles supplied is final.

14. The contractor must be prepared to supply any other articles not specified in the list at market rates on reasonable notice.

15. No advance of cash will be made to the contractor. Payment for all articles supplied will be made, from time to time as soon as possible, after supply on production of necessary accounts and vouchers in support of his bills. In payments, the contractor must accept the following rules of Government :—

(1) In payments to be made to contractors, fractions of a rupee in the totals of bills amounting to Rs. 25 or more will be rounded to the nearest rupee, *i.e.*, fractions of less than half a rupee will be disregarded and half a rupee and over taken as a rupee.

(2) The totals of bills for less than Rs. 25 will be rounded to the nearest anna (fractions below half an anna being omitted and half anna and over being reckoned as one anna).

16. The contract must not be sublet.

17. If owing to the delay in his supply the undersigned is forced to purchase the articles elsewhere, such purchases will be done at the risk of the contractor and any amount over and above his scheduled rate spent in doing so will be recovered from him.

18. A fine not exceeding Rs. 50 will be levied, at the discretion of the undersigned, for every infringement of the contract in addition to recovering from his amount, if any, under clause 17 and if the stipulations of the contract be frequently violated, the contract will be annulled and security confiscated to Government at the discretion of the undersigend.

19. If the same contractor happens to hold contracts for supply of calves or straw or both to the Institute, the other contracts will also be liable to be cancelled at the discretion of the undersigned in case of infringement of stipulations of this contract.

20. Any other information may be had from the undersigned between 8 and 10 A.M. daily in his office.

OFFICE OF THE ASSISTANT DIRECTOR OF AGRICULTURE, MYSORE CIRCLE, MYSORE.

Abstract Notification dated 21st April 1936.

Attention of the public is invited to the detailed notification of the 8th April 1936 published on page 543, Part VI of the *Mysore Gazette*, dated 16th April 1936 regarding the auction sale of certain old and unserviceable articles.

S. DANIELL,
Assistant Director.

OFFICE OF THE DEPUTY COMMISSIONER, TUMKUR DISTRICT.

Notification dated 20th April 1936.

Tenders are invited for the exclusive privilege of vending Arrack and Date-Toddy in the several shops of Kunigal Taluk during the year 1936-37 or any longer period not exceeding three years. These were reserved for want of proper bids during the auction sales held on the 20th April 1936.

2. A deposit of Rs. 100 in the case of all the Toddy Shops and Rs. 50 in the case of Arrack Shops should be paid into the Taluk Treasury under Revenue Deposit. The Treasury Chellan should be enclosed with the tenders as earnest money. The tenders should be sent in sealed covers superscribed "Tender for the Excise Shops of Kunigal Taluk". The tender should be sent to the Deputy Commissioner, Tumkur District, so as to reach him on or before Monday the 4th May 1936 at Tumkur before 2 P.M. after which no tender will be accepted. In case the tender is rejected, the deposit money will be returned.

3. Tenders will be opened by the Deputy Commissioner in the District Office, Tumkur, at 3 P.M on Monday the 4th May 1936, in the presence of such of the tenderers as may be present. The final disposal of the tender will rest with the Deputy Commissioner who reserves to himself full power to reject any or all of them without assigning any reason therefor and to dispose of the shops otherwise at his discretion the same day or later.

4. Tenders may be sent for an individual shop or group of shops. If the same highest amount is tendered by two or more persons, the privilege in question may, at the discretion of the Deputy Commissioner be put up to auction restricting competition between them or others, or, it might be disposed of in any other manner.

5. The privilege for which tenders are called for will be subject to the conditions prescribed in the Excise Commissioner's Notification A1.—848-35, dated 5th March 1936, regarding the sale of Excise Privileges.

PUBLIC ADVERTISEMENTS

FOREST DEPARTMENT

BANGALORE DISTRICT.

Abstract Notification dated 2nd April 1936.

The attention of the public is invited to the detailed auction sale Notification, dated 2nd April 1936, for the sale of Ivory, available with the District Forest Officer, Bangalore District, published on pages 517 and 518, Part VI of the *Mysore Gazette*, dated 16th April 1936.

Date of sale :—*Monday, the 25th May* 1936.

C. ABDUL JABBAR,
District Forest Officer.

MYSORE DISTRICT.

Notification dated 25th April 1936.

The undermentioned quantities of timber will be sold by the District Forest Officer, Mysore District, or any other Officer authorised by the District Forest Officer, at 2 P.M., on the dates noted against each Depot under the following conditions :—

No.	Name of Depot	Date of sale	Teak	Honne	Mathi	Bite	Other kinds	Remarks
			C.ft.	C.ft.	C.ft.	C.ft.	C.ft.	
1	Hampapur	18th May 1936 ..	1,800	200	100	..	..	More or less.
2	Terakanambi ..	21st May 1936 ..	800	50	50	50	..	

N.B.—If the sale is not concluded on the day notified, it will be continued and concluded on the next day

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale but defaulters to the department will not be allowed to bid at the sales.

In the case of purchasers not exceeding Rs. 200 in value, this initial deposit of Rs. 200 need not be insisted upon, provided that the full purchase money is paid in cash on the spot.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. Subject to the minima prices fixed in each case by the Chief Conservator of Forests (which will not be divulged), the highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers. Should any lot be disputed, it shall again be put up and sold.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. All sales of which the amount exceeds Rs. 1,000 in each case are subject to the confirmation of the Chief Conservator, and in other cases to that of the District Forest Officer, subject to the following conditions:—

(1) That the rate realised in a sale does not fall short of the average of the three previous sales by more than 5 per cent or is more than that realised at the previous sales.

(2) That the power of confirming sales up to the limit of Rs. 1,000 shall be exercised only in the case of timber.

(3) That the confirmation of sales is ordered by the District Forest Officers only after the payment of the full purchase money.

5. After conclusion of the sale, each purchaser will be furnished with a memo showing the total value and the purchase made by him. Thereupon, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter on account of loss from resale shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Regulation. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In cases of resales for default of payment of value where no bidders are forthcoming, it will be open to the District Forest Officer to fix such price as may appear to him to be reasonable and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed from the original sale amount. A registered notice should be issued to the defaulter intimating the price fixed by the District Forest Officer for the unsold wood and the amount still due from him which will be recovered as arrears of land revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of the successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within 30 days after the date of sale or within 15 days after the date of the notice of confirmation of the sale, whichever is later. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*. Interest at $6\frac{1}{4}$ per cent per annum will be levied on all arrears of amounts which are permitted to be paid after the due date.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, excluding the 10 per cent deposit paid for the lot at the time of the sale and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after the dates fixed in clause 7 *supra*. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, on the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

K. REVANNA,
District Forest Officer.

HASSAN DISTRICT.

Notification dated 23rd April 1936.

It is hereby notified for general information that the grazing right of cattle, which term includes only cows or bullocks, buffaloes and sheep (goats being excluded) in the undermentioned Plantations and State Forests of the Hassan District up to the end of December 1936 will be sold by public auction on the dates and at the places specified against each, by the District Forest Officer, Hassan, or by the Range Forest Officer concerned, subject to the confirmation by the Conservator of Forests when the sale amount exceeds Rs. 1,000. The sale will commence at 2 P.M. each day and if it is not concluded on the same day, it will be continued on the next day.

N.B.—The grazing of goats in the specified areas of State Forests has been reserved by the Department although the lessee will have purchased the right to allow cattle specified above in such areas also.

2. No person will be allowed to bid unless he deposits with the sale conducting officer a sum of Rs. 10 only as earnest money which in the case of all unsuccessful bidders will be duly returned immediately after the sale.

3. The successful bidder shall, immediately after the close of the sale, pay one-quarter of the sale amount including the deposit already made together with the local and education cesses at one anna and six pies in the rupee respectively on the entire sale amount. In default, the deposit will be forfeited and the right resold which will be at the risk of the defaulting purchaser who will be liable to make good any loss that may result to Government but shall have no claim to any surplus accruing therefrom. Such losses shall be recoverable as an arrear of land revenue under Section 79 of the Forest Regulation.

4. The balance of the three-fourths of the sale amount shall be remitted to the nearest Government Treasury before the sunset of the 7th day from the date of confirmation of the sale and the lessee shall execute an agreement abiding by the terms of the sale. If that day happens to be a Government holiday, the said amount must be credited to Treasury before the sunset of the next office day, failing which, the sale will be cancelled and a resale held at the risk of the original purchaser as detailed in para 3 above.

"Interest at $6\frac{1}{4}$ per cent per annum will be levied on all arrears of amounts which are permitted to be paid after the due date."

5. The purchaser shall not sub-let the lease without previous sanction of the District Forest Officer or the Conservator of Forests. When such sanction is accorded, the sub-lessee will be bound by all the terms and conditions of the sale jointly and severally with the original purchaser. The purchaser shall furnish a list of men allowed to enter the Forest and shall hold himself responsible for breach of any of the Forest Rules and for the occurrence of fire in the Plantation or Forest due either to himself or his men, which will be dealt with under the provision of the Mysore Forest Regulation.

6. The grazing will be permitted only between sunrise and sunset up to the end of the period stipulated, *viz.*, 31st December 1936. No scraping or digging of grass is permitted.

7. The purchaser shall not interfere with any forest operation, such as planting, sowing and felling that the Forest Department may wish to conduct in the leased area; should any damage be caused by such operations to the grass crop, he shall not be entitled to any compensation. He shall not graze in the area under cultural operations.

8. The lessee will be permitted to graze his cattle in the leased area only after the payment of the sale amount in full on such days as may be prescribed by the District Forest Officer.

9. Cattle that may be found grazing in the leased area before payment of the lease amount, will be liable to be impounded.

10. In the event of a breach of any of the conditions specified in the sale notice, the lease is liable to be cancelled and a penalty not exceeding Rs. 25 levied and recovered as an arrear of land revenue by the District Forest Officer for every offence.

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale but defaulters to the department will not be allowed to bid at the sales.

In the case of purchasers of timber not exceeding Rs. 200 in value, full value thereof will be accepted if tendered on the spot and the payment of deposit in such cases will not be insisted upon.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. All sales of which the amount exceeds Rs. 1,000 in each case is subject to the confirmation of the Conservator and in other cases to that of the District Forest Officer.

5. After conclusion of the sale, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter on account of loss from resale shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Regulation. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within 30 days after the date of sale or within 15 days after the date of notice of confirmation of the sale, whichever is later. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified.

Ordinarily no extension of time will be given for the payment of any amount, but if any amount is permitted to be paid after the due date, interest will be charged thereon at 6¼ per cent per annum.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, excluding the 10 per cent deposit paid for the lot at the time of the sale ; and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after the dates fixed in clause 7 *supra*. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, for the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

CHITALDRUG DISTRICT.

SALE OF FUEL TREES.

Notification dated 17*th April* 1936.

It is hereby notified for general information that the right to cut and remove fuel trees in the undermentioned Amrit Mahal Kaval of Chitaldrug District for the year 1935-36 will be sold by public auction by the District Forest Officer, or any other officer deputed by him on the dates and places noted against them, subject to the following conditions :—

The sale will commence at 2 P.M. precisely, on each day, and will be subject to the confirmation of the District Forest Officer or the Conservator of Forests, as the case may be.

Name of Range	Name of Taluk	Name of Working Circle	No. of trees	Place of sale	Date of sale
Molakalmuru ..	Challakere Taluk	Sanekere Amrit Mahal Kaval.	276	Challakere	20-5-36

N.B.—It should be clearly noted that the contractor should make his own arrangements for the removal of fuel from the Amrit Mahal Kaval and that the Forest Department will not undertake any responsibility in the matter of opening of roads, etc.

2. Each bidder shall, before he is permitted to bid, be required to furnish a solvency certificate as under the Thangadi Sale Rules and deposit a sum of Rs. 50 (rupees fifty) as earnest money with the officer conducting the sale. The deposit will be returnable to him at the close of the sale if his bid is not accepted. The person whose bid is accepted shall, immediately after the close of the sale, pay 25 per cent of the bid amount less deposit already paid, with Local, Railway and Education Cesses on the full sale amount failing which, the right will be resold or worked departmentally at the risk of the defaulting bidder. He will be liable for the loss, if any, that may result by such resale or departmental working which will be recoverable from him as arrears of land revenue but he shall not participate in any gain.

3. Defaulters to the department will not be allowed to bid at the sale.

4. All fuel yielding trees except those reserved by the department will be sold for a lumpsum amount for the whole area.

5. Power is reserved to the District Forest Officer or such other officer, conducting the sale, as may be deputed by the District Forest Officer to accept or reject any bid without assigning any reason therefor.

6. Within a week from the date of intimation regarding the confirmation of the sale, the person whose bid is accepted shall deposit a sum of Rs. 50 (fifty) or 25 per cent of the sale amount, whichever is less, for each coupe as security towards the due fulfilment of his contract. He shall also pay within that period the remaining 75 per cent of the contract amount due by him and shall execute an agreement on a stamped paper of proper value, accepting the above terms and the terms specified below, failing which, the amount already paid will be forfeited to Government and the produce resold or worked departmentally at his risk as noted in clause (2) *supra*. The security deposit or the balance thereof as may remain over shall be repayable to the contractor on his producing proof relieving him of any liability under the contract.

The following are the further conditions to which the contractor should bind himself:

(*a*) That he shall fell the fuel trees purchased by him and complete all removal by the end of June 1936.

(*b*) That he shall make the fellings of the trees in a methodical manner from one side of the area by the coppice method doing both fellings and coppicing in one operation in such a way that the outer edge of stumps touches the ground and is not split or jammed and that the top of the stump is not more than nine inches above the ground, leaving all the trees less than one foot in girth, trees yielding Minor Forest Produce and all trees, shrubs and thorny growths, that are coming up within a radius of six feet from sandal trees and saplings.

(*c*) That each consignment of fuel shall be covered by a passport issued by the Range Officer or any other officer deputed by the District Forest Officer in this behalf.

(*d*) That if any tree, shrub or growth reserved by the department as noted in clause (*b*) *supra* is cut, he shall pay a fine not exceeding Rs. 10 per tree.

(*e*) That he shall abide by the rules of the Department as regards the kindlings of the fires and shall hold himself responsible for any forest offences committed by his employees or workmen. During fire-season, care should be taken regarding kindling of fires, etc., during day time adjoining areas.

(*f*) That no operation shall take place in the forest after sunset and before sunrise.

(*g*) That he shall not sublet the contract to anybody except with the written sanction of the District Forest Officer.

(*h*) That he shall have no right whatsoever over the area and over the fuel paid for but left unremoved in any of the area, after the 30th June 1936.

(i) That he shall maintain a register in the form prescribed by the District Forest Officer showing the number of trees felled and the out-turn of fuel resulting therefrom and shall keep it open for the examination of Forest Officers above the grade of guards.

(j) That for any breach of any of the conditions of the contract by the contractor or his agents, the contract shall be void at the option of the District Forest Officer and that the latter may, after issuing to the contractor a notice of the cancellation of contract, enforce forfeiture of all or any part of the deposit and shall resell the right or work it departmentally at the risk of the contractor as in clause (2) *supra*. If the deposit or part thereof is so forfeited, it shall be immediately made good by the contractor.

CHIEF ELECTRICAL ENGINEER'S OFFICE.

Abstract Notification dated 16th April 1936.

Tenders will be received in the Office of the Executive Engineer, Sivasamudram, up to 2 P.M. on the 12th May 1936 for different items of works connected with IX Installation Works at Sivasamudram.

For further particulars, *vide* pages 571-573, Part VI of the *Mysore Gazette*, dated the 23rd April 1936.

M. HAYATH,
For *Chief Electrical Engineer.*

OFFICE OF THE EXECUTIVE ENGINEER, C. P. S., SIVASAMUDRAM.

Notification dated 23rd April 1936.

1. Notice is hereby given that quotations will be received from piece-work contractors at the Office of the Executive Engineer, C. P. S., Sivasamudram up to 2 P.M. on Saturday the 16th May 1936 for different items of work concerned with the strengthening of the bund and weir of the Silt Reservoir at Sivasamudram. An approximate estimate of quantities is given below. These quantities are not guaranteed.

The work entrusted to any contractor should be completed within two weeks. If the progress of work of any contractor is not found satisfactory, his contract will be cancelled by the Executive Engineer without notice after withholding such penalty as may be fixed by the Executive Engineer at the time of drawing up the agreement.

2. The plans, detailed estimates and conditions may be seen at the Office of the Executive Engineer during the working hours on any working day.

3. Quotations may be submitted on printed forms which may be obtained from the Executive Engineer. Quotations may be submitted for each item of work separately, as the work is proposed to be got executed by piece-work agency through several contractors.

4. The final acceptance of the quotation of any piece-worker will rest with the Executive Engineer, who is not bound to accept the lowest or any quotation or to assign any reason whatever for the rejection of any tender. The Executive Engineer may accept or reject part or whole of any one quotation.

5. Immediately on acceptance of any quotation or part thereof, the piece-work contractor will be bound to deposit as earnest money 5 per cent of the value of work entrusted to him. The earnest money will be refunded only after the settlement of the final claims of the contractor. Whenever the rate of progress or quality of work is not satisfactory, a penalty as may be specified by the Executive Engineer in the agreement, will be levied, which will be deducted either from the bills or earnest money.

6. Rates for non-quoted and non-estimated items will be fixed by the Executive Engineer from time to time.

7. Measurements for earthwork in embankment will be made as far as possible by section measurement, except in cases as permitted by the Executive Engineer.

8. The rates and units should be mentioned clearly in words. Any quotation quoted at so much percentage less or more than the estimated rates will not be accepted.

9. In all matters of dispute about rates, quantities, measurements, quality of work, etc., the decision of the Chief Electrical Engineer will be final and legally binding.

10. Mortar should be machine ground in the Mortar Mills at the Bluff. Hire charges at Rs. 1-8-0 for a week or part thereof for running the Mills, in addition to the cost of establishment required for grinding the mortar, will be charged to the contractor.

EXCISE DEPARTMENT.

Notification No. Mis. T. O. 1597-6—35-36, *dated 24th April* 1936.

Tenders are invited for the exclusive privilege of selling Arrack, Special Liquor, Date Toddy, Bagani Toddy, Ganja and Opium during the official year 1936-37 in the undermentioned shops of Koppa Taluk and Narasimharajpura sub-taluk which were reserved during the Auction Sales held on 20th and 21st April 1936 for want of proper bids.

A deposit of Rs. 50 as earnest money will be required from any person willing to present his tender for any important shop or any large number of shops. This is reduced to Rs. 20 in the case of shops whose monthly rental value does not exceed Rs. 50. The earnest money as abovementioned should be paid into the Taluk Treasury and the Treasury receipt sent with the tenders.

The tenders should be sent in sealed covers superscribed "Tender for the Excise shops of Koppa Taluk or Narasimharajpura Sub-Taluk" as the case may be to the Amildar, Koppa, so as to reach him before 12 NOON on 13th May 1936, after which time no tenders will be accepted. In case the tender is rejected the deposit amount will be returned.

Tenders will be opened by the Deputy Commissioner at Koppa Taluk Office at 2 P.M., on 13th May 1936 in the presence of such of the tenderers as might be present. The final disposal of the tenders will rest with the Deputy Commissioner who reserves to himself full discretion to reject any or all of them without assigning any reason therefor and to dispose of the shops otherwise.

If the same amount is tendered by two or more persons the privilege in question may, at the discretion of the Deputy Commissioner, be put up to auction restricting competition to those who have tendered the same amount or it might be disposed of in any other manner. The privilege for which tenders are called for will be subject to the conditions laid down in Excise Commissioner's Notification No. A1-848—35, dated 5th March 1936.

Details of Consumption and other particulars can be had at the Taluk and Range Offices of Koppa.

It is hereby notified for general information that the exclusive right of collecting the Minor Forest Produce on all Government Unoccupied lands, Amrith Mahal Kavals, State Forests, Reserved lands and Plantations of the Tumkur District from the date of confirmation of the sale to the end of June 1936 will be resold by public auction in the Deputy Commissioner's Office, Tumkur, on the 16th May 1936, by the Deputy Commissioner, Tumkur District, or by an Assistant Commissioner deputed by him, assisted by the District Forest Officer, Tumkur District, at the risk of the original lessee, as he has failed to pay up part of the 3rd khist amount which was due on 1st July 1935 with interest due thereon.

N.B.—For conditions of sale and other particulars, please see detailed Notification No. D1-201-1302-33, dated 3rd May 1934, published on pages 563 to 567 of Part VI of the *Mysore Gazette*, dated the 10th May 1934.

Notification dated 2nd May 1936.

It is hereby notified for general information that, under Section 40 of Mysore Forest Regulation, 82 bags of charcoal lying unclaimed in Bisegowdanadoddi Village, Huliyurdurga Hobli, Kunigal Taluk, have been kept in the custody of Mr. Hyamegowda, Patel, Palace Honnamachanahalli. These charcoal bags bear no registered marks or stamp. Persons having any right to the said bags are hereby requested to present a statement of their claims to the undersigned within a month from the date of the publication of this notice and establish their claims thereto, failing which, the bags will lapse to Government under Section 42 of the said Regulation.

B. MADHAVA RAO,
District Forest Officer.

MYSORE DISTRICT.

Notification dated 25th April 1936.

Sealed tenders are invited for the carting of timber from the State Forest Coupes and Depots of Heggaddevankote Sub-Division of the Mysore District, as noted in the annexed schedule, to Mysore Wood Yard and other Depots as noted in the subsequent paras and in the schedule.

2. The tenders should be addressed to the District Forest Officer, Mysore District, so as to reach him on or before 23rd May 1936 at 1 P.M. Any tender received after the abovementioned date will not be taken notice of.

2. Each tender should be accompanied by an earnest money deposit of Rs. 50 in currency notes and should be registered, insured and superscribed "Tender for carting timber". Tenders may be submitted for one or more units or for any whole range or ranges.

4. The right of accepting or rejecting any tender is vested in the Chief Conservator of Forests, who is not bound to assign any reason for accepting or rejecting the highest or lowest tender. The rate to be offered should be per cubic foot and for each unit. The successful tenderer or tenderers are required to enter into an agreement with the District Forest Officer, within a week of the intimation given to him or them binding to observe the following conditions, in default of which, the contract is liable to be cancelled and the earnest money forfeited to Government. The rate to be offered in the tender should be written both in figures and words.

5. In fulfilment of the terms of the contract, he or they shall deposit in Government Savings Bank a sum of Rupees Two Hundred (Rs. 200) in the name of the District Forst Officer. The amount is liable to be forfeited to Government for the breach of any or all the conditions of the agreement and the contract cancelled.

6. The earnest money deposit of the successful tenderer or tenderers will be retained towards a portion of the security for the fulfilment of the terms of the contract after the bond is executed and of others will be returned to the parties concerned.

7. The appended schedule shows the approximate quantities of timber to be carted from each unit.

Conditions.

(*a*) All good and sound timber in each unit passed by the respective Range Officers should be carted to the Depots as noted in the annexed schedule.

(*b*) The contract is for a period from the date of sanction to end of March 1937.

(*c*) The minimum quantities to be carted to depots by the contractor will be indicated in the remarks column of the schedule.

(*d*) No timber should be removed from the Forest without obtaining a passport from the Forest Range Officer or such other forest subordinate duly authorised by him.

(*e*) All timber for which passports have been obtained should be delivered in the depot, at the latest within one month of the issue of such passes. Any timber not reaching the depot within the above period will be treated as lost, and the value thereof will be recovered at the depot rates from the contractor from the amount of the next bill duel to him.

(*f*) In the matter of consigning different kinds of timber from time to time, the contractor shal abide by the instructions of the Range Officer.

(*g*) The contractor during the currency of his contract shall not take up any other similar contract.

(*h*) The Range Officer at the beginning of each period mentioned in clause (*c*) will inform, in writing, the contractor the quantity of timber available for carting.

(*i*) The contractor shall abide by the rules of the Department as regards the kindling of fires and hold himself responsible for any offence committed by him or his agent, employees or cartmen.

(*j*) The security furnished will be returned to the contractor three months after the expiry of the contract period if the whole or any portion of it is not forfeited to Government by the violation of any of the terms of the contract as also satisfying that no timber is outstanding against the contractor.

(*k*) Other conditions, if necessary, will be imposed in the bond to be executed.

Abstract Notification, dated 25th April 1936.

The attention of the public is invited to the detailed Notification, published on pages 595-597, Part VI of the *Mysore Gazette*, dated 30th April 1936, regarding the auction sale of timber in the following Depots :—

Name of Depot	Date of sale	Teak	Honne	Mathi	Bite	Other kinds
		C.ft.	C.ft.	C.ft.	C.ft.	C.ft.
1. Hampapur	19th May 1936 ..	1,800	200	100	..	..
2. Terakanambi	21st May 1936 ..	800	50	50	50	..

Notification dated 1st May 1936.

The undermentioned quantities of timber will be sold by the District Forest Officer, Mysore District, or any other Officer authorised by the District Forest Officer, at 2 P.M., on the dates noted against each Depot under the following rules :—

No.	Name of Depot	Date of sale	Teak	Honne	Mathi	Bite	Other kinds	Remarks

6	Santhemarahalli ..	26th May 1936 ..	637	..	..	..	..	

N.B.—If the sale is not concluded on the day notified, it will be continued and concluded on the next day.

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale but defaulters to the department will not be allowed to bid at the sales.

In the case of purchasers not exceeding Rs. 200 in value, this initial deposit of Rs. 200 need not be insisted upon, provided that the full purchase money is paid in cash on the spot.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. Subject to the minima prices fixed in each case by the Chief Conservator of Forests (which will not be divulged), the highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers. Should any lot be disputed, it shall again be put up and sold.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. All sales of which the amount exceeds Rs. 1,000 in each case are subject to the confirmation of the Chief Conservator, and in other cases to that of the District Forest Officer, subject to the following conditions :—

(1) That the rate realised in a sale does not fall short of the average of the three previous sales by more than 5 per cent or is more than that realised at the previous sales.

(2) That the power of confirming sales up to the limit of Rs. 1,000 shall be exercised only in the case of timber.

(3) That the confirmation of sales is ordered by the District Forest Officers only after the payment of the full purchase money.

5. After conclusion of the sale, each purchaser will be furnished with a memo showing the total value and the purchase made by him. Thereupon, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter on account of loss from resale shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Regulation. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In cases of resales for default of payment of value where no bidders are forthcoming, it will be open to the District Forest Officer to fix such price as may appear to him to be reasonable and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed from the original sale amount. A registered notice should be issued to the defaulter intimating the price fixed by the District Forest Officer for the unsold wood and the amount still due from him which will be recovered as arrears of land revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of the successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within 30 days after the date of sale or within 15 days after the date of the notice of confirmation of the sale, whichever is later. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified. The full value shall be paid in any case before 25th June 1936.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*. Interest at 6¼ per cent per annum will be levied on all arrears of amounts which are permitted to be paid after the due date.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, excluding the 10 per cent deposit paid for the lot at the time of the sale and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in-charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after the dates fixed in clause 7 *supra*. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, on the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

SHIMOGA FOREST DIVISION.

Abstract Notification dated 6th April 1936.

The attention of the public is invited to the detailed Notification, relating to the auction sale of timber in the Saw Mill and Timber Depot, Shimoga on the 18th and 19th May 1936 respectively, published on pages 558-559, Part VI of the *Mysore Gazette*, dated 23rd April 1936.

MOHAMED AHMED,
District Forest Officer.

Notification dated the 1st May 1936.

Notice is hereby given that sealed tenders will be received at the Office of the District Forest Officer, Shimoga Division, Shimoga, upto 1 P.M. on 25th May 1936 for the weighment of rough and prepared sandalwood in Shimoga and Thirthahalli Koties in connection with the annual stock-taking. The tender may be given separately for each Koti or for both.

N.B.—The work will include the carrying of wood from the existing lots to the scales, weighing the same and restacking it into lots at the places and in the manner to be shown by the Koti Officers.

1. The contract will last up to the 30th June 1936.

2. The quantity of wood to be weighed out and relotted will be 470 (Four hundred and seventy) and 250 (Two hundred and fifty) Tons, more or less, in Thirthahalli and Shimoga Koties respectively.

3. The tender must specify the rates per ton of wood; and the tender must be accompanied by a deposit of Rs. 25 in currency notes, as earnest money, without which, the tender will be rejected. Covers containing the tender should be addressed to the District Forest Officer, Shimoga Division, Shimoga, duly registered, insured and superscribed as "Tender for the weighment of rough and prepared sandalwood in Thirthahalli and Shimoga Koties in connection with the annual stock taking". The tender will be opened by the District Forest Officer at 1 P.M. on 25th May 1936 in the presence of such of the tenderers as may be present.

4. The final acceptance of any tender will rest with the Conservator of Forests, Shimoga, who does not bind himself to accept the lowest or any tender, and to assign any reason, whatsoever, for rejecting the same.

5. The acceptance of any tender will be duly communicated to the successful tenderer, and the earnest money of other tenderers will be returned to them.

6. The successful tenderer shall, within a week of the receipt of orders, deposit in the Government Savings Bank a sum of Rs. 50 including the initial deposit of Rs. 25 referred to above as security for the due fulfilment of the terms of the contract and execute a bond on a duly stamped paper embodying the terms enumerated hereunder; failing which, the initial deposit will be forfeited to Government and other arrangements made for the work.

Conditions.

(*a*) Wood for weighment should be taken lot by lot in the order shown by the Koti Foresters. Until each is fully weighed out and restacked, the next lot should not be meddled with or disturbed.

(*b*) Within two days of intimation given to him by the Officers in charge of Koties, the contractor will arrange for sufficient labour to weigh out wood in two scales at the rate of at least 30 Tons per day. The wood weighed out on each day should be simultaneously restacked at the place to be shown by the Officers in charge of the Koties, the dimensions of each stack being regulated by the instructions of the above Officers. The weighment will be continued from day-to-day until it is put off by the weighing officers. The contractor will be bound to resume the work again within two days of intimation given to him to do so.

(*c*) The place at which weighment is made must be kept clean by the coolies of the Contractor. The coolies will submit to the disciplinary measures that may have to be adopted for the peaceful conduct of weighment and stacking. Any cooly found disobeying the instructions of the Officer in charge of the Koti may be turned out of the Koti by the Koti Forester.

(*d*) For the violation of any of the aforesaid conditions, the whole or any portion of the security deposit will be liable to forfeiture to Government at the discretion of the District Forest Officer. If the Contractor fails to start or resume work, as indicated above, and to show satisfactory progress on each day, the District Forest Officer will be at liberty to cancel the contract, forfeit the security and make other arrangements for the work, the contractor being liable to pay to Government any expenditure that may have to be incurred for the work in excess of the rate accepted by him under the contract.

The attention of the public is invited to the detailed notification published in the *Mysore Gazette*, dated 30th April 1936, Part VI, page 616, regarding auctioning of empty teakwood cut out boxes, etc., on 18th May 1936, between 2 and 5 P.M. in the premises of the Bangalore Power and Lighting Stores, situated in the compound of Central Industrial Workshop.

C. R. GOWDA,
Superintendent.

OFFICE OF THE EXECUTIVE ENGINEER, C.P.S., SIVASAMUDRAM.

Notification dated 25th April 1936.

Notice is hereby given that quotations will be received from piece work contractors at the Office of the Executive Engineer, C.P.S., Sivasamudram, up to 2 P.M., on Saturday the 9th May 1936, for construction of temporary quarters for the staff at Sivasamudram. An approximate estimate of quantities is given below. These quantities are not guaranteed.

The work entrusted to any contractor should be completed within one month. If the progress of work of any contractor is not found satisfactory, his contract will be cancelled by the Executive Engineer, without notice after withholding such penalty as may be fixed by the Executive Engineer, at the time of drawing up the agreement.

2. The plans, detailed estimates and conditions may be seen at the Office of the Executive Engineer, during the working hours on any working day.

3. Quotations may be submitted on printed forms, which may be obtained from the Executive Engineer. Quotations may be submitted for each block of quarters separately, as the work is proposed to be got executed by piecework agency through several contractors.

4. The final acceptance of the quotation of any pieceworker will rest with the Executive Engineer, who is not bound to accept the lowest or any quotation or to assign any reason whatever for the rejection of any tender. The Executive Engineer may accept or reject part or whole of any one quotation.

5. Immediately on acceptance of any quotation or part thereof, the piecework contractor will be bound to deposit as earnest money 5 per cent of the value of work entrusted to him. The earnest money will be refunded only after the settlement of the final claims of the contractor. Whenever the rate of progress or quality of work is not satisfactory, a penalty as may be specified by the Executive Engineer in the agreement will be levied which will be deducted either from the bills or earnest money.

6. Rates for non-quoted and non-estimated items will be fixed by the Executive Engineer from time to time.

7. Quotations should be submitted quoting rates for each item of work in any one building or a lumpsum rate for a whole building. In the latter case, the items of "Electric Lighting and Water Supply and maintenance charges for two years" provided in the estimate should be excluded.

8. The rates and units should be mentioned clearly in words. Any quotation quoted at so much percentage less or more than the estimated rate will not be accepted.

9. In all matters of dispute about rates, quantities, measurements, quality of work, etc., the decision of the Chief Electrical Engineer will be final and legally binding.

10. Mortar should be machine ground in the Mortar Mills at the Bluff. Hire charges at Re. 1-8-0 for a week or part thereof for running the Mills, in addition to the cost of establishment required for grinding the mortar, will be charged to the contractor.

OFFICE OF THE DEPUTY COMMISSIONER, BANGALORE DISTRICT.

TENDER FOR THE DISPOSAL OF GANJA AND OPIUM SHOPS OF BANGALORE CITY FOR 1936-37.

Notification No. Ex1—264 of 35-36, dated 25th April 1936.

Sealed tenders are hereby invited for the exclusive privilege of selling Ganja and Opium in the undermentioned Ganaj and Opium Shops of Bangalore City, commencing from 1st July 1936 to 30th June 1937.

Ganja Shops.	*Opium Shops.*
1. Akkipet.	1. Market.
2. Market.	2. Kumbarpet.
3. Kumbarpet.	

2. A deposit of Rs. 100 in currency notes should accompany the tender, which should be sent in a sealed cover, superscribed "Tender for the privilege of selling ganja and opium in the shops of Bangalore City, during the year 1936-37." The tenders should be sent to the Deputy Commissioner, Bangalore District, so as to reach him before 2 P.M. on 30th May 1936, after which hour no tenders will be accepted. In the event of the tenders being rejected the deposit amount will be returned.

3. Tenders will be opened by the Deputy Commissioner or other Officer authorised by him in his office at 2 P.M. on the said date, *i.e.*, on 30th May 1936.

4. The Deputy Commissioner also reserves the right to sell the privilege by auction among the tenderers in case he finds the tenders inadequate.

5. The tenders may be sent for an individual shop or group of shops, separately for ganja and opium.

6. The privilege for which tenders are called for will be subject to the conditions laid down by Government in their Notification No. Fl.—4771-Ex. 64-32-2, dated 4th March 1933, and Excise Commissioner's Notification No. A1-848-35, dated 5th March 1936.

Notification No. Ex. 1-357—35-36, dated 1st May 1936.

Tenders are hereby invited for the exclusive privilege of transporting Under-bond Country Spirits in motor lorries from the City Railway Goods Shed, Bangalore, to the Arrack Bonded Depots as noted below, for a period of 12 months beginning with the 1st of July 1936 and ending with the 30th of June 1937.

(1) Bangalore City.
(2) Anekal.
(3) Hoskote.
(4) Nelamangala.

2. The privilege for which tenders are now invited will be conceded, subject to the conditions specified in the annexed appendix and the Excise and Motor Vehicles Laws and Rules now in force or which may, from time to time, be passed by Government or issued by the Excise Commissioner by virtue of the powers delegated to him under the Excise Laws and Rules or other competent authority, as regards rules relating to Motor Vehicles.

3. The number of casks and the quantity of spirits as also the number of special liquor cases conveyable to each depot and the distance of each depot from the City Railway Goods Shed are mentioned in the annexed statement. No definite number of casks and cases is, however, guaranteed for transport to the successful tenderer who is bound by actual requirements (be the same more or less than the number carried in any previous year).

Note.—The casks in use, range in capacity from 50 to 60 gallons each and the gross weight when filled with spirits of 35° U.P varies from 7 to 9 maunds. The weight of each special liquor box is about 2¼ maunds. The minimum number of casks to be conveyed each time to a depot is two and the maximum fifteen. The number of trips to each depot will be one or more per month according to the local demand.

4. Tenderers must specify separately the lowest rate of remuneration for each cask of Arrack and each case of Special Liquor to be carried from the City Railway Goods Shed to each of the Bonded Depots which should include bringing back of the empty casks from there to the City Railway Goods Shed. The rate thus tendered and accepted by the Excise Commissioner in Mysore shall be the rate at which remuneration shall be calculated on the actual number of casks of Arrack and cases of Special Liquors carried in each case and be payable to the successful tenderer who shall be called "Government Contractor for the carriage of Arrack to Bonded Depots" during the currency of the contract granted under this Notification.

The contract will include the carriage along with Arrack casks and Special Liquor cases of the requisite supplies of Proof spirits bottles occasionally in dealwood cases to the several Depots, as the case may be, in the places noted in para 1 above from the City Railway Station to the Depots of other Taluks at a uniform rate of eight annas per case irrespective of the distance and weight. (Special Liquor cases to be taken to Bangalore City Depot only).

5. Each tender must be accompanied by a deposit of Rs. 100 and enclosed in a cover superscribed with the words "Tender for the exclusive privilege of transporting Spirits from the Bangalore City Railway Goods Shed to the Arrack Bonded Depots" and must be sent to the Deputy Commissioner at Bangalore so as to reach him before 2 P.M. on 30th May 1936, after which date, no tenders will be received. The tenders will be opened by the Deputy Commissioner or by one of the Officers authorised by him at his office at 2 P.M. on the same day in the presence of such of the applicants as may be present. The final disposal of the tenders will rest, subject to the approval of the Excise Commissioner in Mysore, with the Deputy Commissioner, Bangalore District, who reserves to himself full powers to reject any or all of the tenders without assigning any reason. The deposits made by the unsuccessful tenderers will be immediately returned to them.

6. The successful tenderer shall, within eight days of the acceptance of his tender being communicated to him, deposit at Bangalore Taluk Treasury, a further sum of Rs. 900 in cash or in approved securities duly endorsed in favour of the Comptroller to the Government of Mysore to make up with the deposits previously made, a sum of Rs. 1,000 and shall execute an agreement in the appended form binding himself to conform to the conditions therein setforth and, if he fails or refuses to sign the agreement or to make the further deposits required within the time aforesaid, the deposits already made will be forfeited to Government and the contract otherwise disposed of.

APPENDIX I.

Form of the contract bond to be executed by the successful tenderer for the carriage of Country Spirits.

Whereas I ..... have been granted by the Excise Commissioner in Mysore for the period beginning with the 1st July 1936 and ending with the 30th June 1937 ,the right of conveying under-bond Country Spirits by motor lorries from the Railway Goods Shed at Bangalore City to the undermentioned depots and whereas the said Excise Commissioner has agreed to pay me the remuneration for each Arrack cask and each Special Liquor case at the rates noted against each of the depots, I the said..... for myself, my heirs, legal representatives and assigns hereby agree and bind myself to all the terms and conditions hereinafter setforth.

1. That I shall bind myself to transport Arrack casks, Special Liquors and Proof Spirits in strong and sound motor lorries, in such manner and by such routes as may be permitted by the Deputy Commissioner, Bangalore District.

2. That I shall be bound to take immediate delivery of Arrack casks and cases of Special Liquors and Proof Spirits, whenever required, from any officer, appointed for the time being, convey the same to the respective depots within the prescribed time and that I shall also bind myself to keep such casks and cases, till they are transported, in a building approved by the Department, and to allow the officers of the Excise Department appointed for the purpose to inspect them at any time.

3. That I shall bind myself for the correct delivery with the Government seals intact of the requisite supply of Arrack casks and other cases to the respective depots within the time that may be allowed by the Deputy Commissioner for transit to such place.

4. That in special cases sanctioned by the Excise Commissioner, I shall be bound to carry the requisite supply of Arrack to any altered locality of the existing depots in any of the above-named places.

5. That it will be open to the Excise Commissioner to close any depot during the period of the contract as being superfluous or for any other valid reason.

6. That I shall be bound to carry the requisite supplies of Proof Spirits to the outlying depots in the places named above at a uniform rate of eight annas per case, irrespective of the weight and distance.

7. That as remuneration for my contract, the Excise Commissioner or other Officer as may be authorised by him, shall pay me monthly an amount calculated at the sanctioned rate for each Arrack cask and each case of Special Liquor conveyed by me from the City Railway Goods Shed at Bangalore, to the respective Depot which includes the bringing back of the empty casks from the Depot to the Railway Goods Shed at Bangalore City.

8. That I shall be bound to bring all the empty casks in sound condition from the several Depots back to Bangalore City Railway Goods Shed and then book them in safe condition to the Officer in charge of the Distillery and Transport Arrangement, Mandya, Railway freight to be payable by that Officer and that I claim no remuneration separately for the purpose.

9. That I shall conform to the Excise and Motor Vehicles Laws and Rules now in force and which may, from time to time, be issued by Government and the Excise Commissioner also to such rules of practice as may be prescribed by the Excise Commissioner in Mysore or other competent authority as regards Motor Vehicles.

10. That I shall be bound to make good the loss accruing to Government and to the licensees by short stock or no stock of Arrack and Special Liquors in the said depots by my neglect or carelessness in not conveying the necessary supplies of spirits to the depots within the time allowed for transit to me.

11. That as my liability under the contract commences on delivery to me of the spirits casks or cases at the Bangalore City Railway Goods Shed; all further liability or responsibility to account for the spirits in those receptacles thenceforth shall rest with me till they are safely delivered at the destination with the seals intact and with no tampering or extraction of the contents and any dimunition from any cause whatever (acts of God Vismajor and State's enemies excepted) shall be made good by me at the prevailing rate of duty and price per gallon of arrack 35° U.P. and proportionately for the higher or lower strengths of spirits, and that all dues to Government may be recovered from me as if they were arrears of Land Revenue.

12. That in the event of the break-down of the lorry during transit for any cause whatsoever, I shall be bound to make other arrangements for the quick transit of the casks and cases of spirits or the return of empty casks to their respective destination, and that in the event of my failure to do so, it shall be competent to the Deputy Commissioner to make any arrangements at my cost and that my liability contemplated in condition (11) *supra* shall not cease thereby.

13. That this contract shall not be transferable except with the sanction of the Deputy Commissioner.

14. That for the due fulfilment of the terms of the contract, I hereby deposit in the Bangalore Taluk Treasury a sum of Rs. 1,000 in cash or approved Government Securities duly endorsed in favour of the Comptroller to the Government of Mysore.

15. That in case of breach of the Excise Laws and the Rules or any of the aforesaid conditions or in case of any attempt at fraud by my servant, agents or employees or by me, it shall be competent to the Deputy Commissioner to impose upon them or upon myself in the event of my neglect, a fine not exceeding Rs. 50 for every such breach or neglect, or at the option of the Deputy Commissioner to declare the money deposited by me forfeited and to cancel the contract. In the event of my contract being cancelled, I shall be bound to make good any loss that might accrue to Government for the remaining period of my contract, by any subsequent disposal of the contract or by any other arrangement and shall not be entitled to participate in any profit that might accrue to Government by such disposal. It shall be competent to the Deputy Commissioner to deduct from my remuneration bills any amount that may be due to Government on account of dimunition in the contents, as stated in condition 11 *supra*, short stock and no stock in the depots and fines imposed on me or my employees.

16. That the imposition of a fine, or the forfeiture of the deposits or the cancelment of the contract shall not be held to prevent prosecution of any of my employees or myself, for any offence committed under any law, for the time being in force.

In witness thereof, I.....hereunto set my hand and seal this..... .....day of.....1936.

Seen and signed and delivered in the presence of us.

These were reserved for want of proper bids at the auction sale held on the 23rd, 25th and 28th April 1936 respectively.

2. A deposit of Rs. 50 in the case of all the shops of a Taluk or Rs. 20 in the case of single shops should be paid into the Taluk Treasury under Revenue Deposit. The Treasury challan should be enclosed with the tender as earnest money. The tender should be sent in a sealed cover superscribed "Tender for the Excise Shops of (Tiptur or Chiknayakanhalli or Sira Taluk)" to which it pertains. The tenders should be sent to the Deputy Commissioner, Tumkur District, so as to reach him on or before Friday the 15th May 1936, at Tumkur, before 2 P.M., after which no tender will be accepted. In case the tender is rejected, the deposit money will be returned.

3. Tender will be opened by the Deputy Commissioner in the District Office, Tumkur, at 3 P.M. on Friday the 15th May 1936, in the presence of such of the tenderers as may be present. The final disposal of the tender will rest with the Deputy Commissioner who reserves to himself full powers to reject any or all of them without assigning any reason therefor and to dispose of the shops otherwise at his discretion the same day or later.

4. Tenders may be sent for an individual shop or group of shops. If the same highest amount is tendered by two or more persons, the privilege in question may, at the discretion of the Deputy Commissioner, be put up to auction restricting competition between them or others or it might be disposed of in any other manner.

5. The privilege for which tenders are called for will be subject to the conditions prescribed in the Excise Commissioner's Notification No. A1-848-35, dated 6th March 1936, regarding the sale of excise privileges.

Enquiry No. 1812.

COAL REQUIRED FOR THE GOVERNMENT PORCELAIN FACTORY, BANGALORE.

GENTLEMEN—

Tenders will be received by the undersigned for the supply of about 300 tons of Deshergarh Coal, required for the Government Porcelain Factory, subject to the following conditions :—

(1) The quantity mentioned is approximate and the contract should be deemed to be limited to the actual quantity to be indented for.

(2) The quantity required at a time will be 10 to 20 tons. Each indent should be complied with within a week from the date of receipt of the same.

(3) The price to be quoted should be for delivery at the premises of the Government Porcelain Factory. Offers for any other delivery will not be considered.

(4) Payment will be made for the actual quality supplied at the factory. Weighment should be made at the factory by the supplying firm.

(5) Analysis certificate of the material offered should be furnished with the quotation, which should be accompanied by sufficient quantity of sample of the material offered.

(6) The successful firm will be required to execute an agreement binding themselves to fulfil the contract satisfactorily and also deposit a sum equal to 5 per cent of the value of the contract as security for the proper performance of the contract.

(7) The contract will be in force for a period of one year, from the date of acceptance of the tender. The prices accepted should hold good for the whole year, and no enhancement in price will be allowed during the period of contract for whatsoever reasons.

This enquiry will close on the 20th May 1936.
